

MOST OFFICES STRIVEN FOR

BERT LOMBARD ONLY ONE WHO WANTS THE VICE-PRESIDENCY

NOMINATORS WAX FLOWERY

Boylan, Hardesty Want Presidency; Buelah Stebno, Ruth Dorris for Secretaryship, Blackaby, Hendricks Ask Editor's Job.

Few who had not already announced their candidacies for student body offices in last Saturday's Emerald were nominated during the Assembly hour this morning, but enough new names were brought forward to insure a close run for all the positions with the exception of vice-president of the student body. For this office, only one candidate, Bert Lombard appeared, and unless another aspirant is placed on the ballot by petition before next Wednesday, he will have a clear field.

Oratory is Profuse.

The nomination speeches were long winded and flowery, and the session took up nearly two hours. During this time the speakers demonstrated that a large proportion of the University students are distinctly above the average mentally, and in business and executive attainments. The past life of every nominee was laid bare by his sponsor, and every detail noted was brought out as an evidence of marked ability.

Election of officers will take place next Wednesday in Villard Hall between 10 a. m. and 2 p. m.

For president of the student body, Thomas Boylen, '15, of Pendleton; Fred Hardesty, '15, of Astoria, were nominated. Both Boylen and Hardesty have been prominent in student body and class activities. Boylen is a Varsity basketball and track man and managed football and basketball this year, while Hardesty was Sophomore president last year and a member of the Varsity debate team this year. Both are members of the student council. Bert Lombard, '15, was the only nominee for vice-president.

Two Girls Up For Secretary.

For secretary, the names of Buelah Stebno, '15, and Ruth Dorris, '15, were presented. Bert Jerard, '15, and Sam Michael, '15, were nominated for the two positions on the executive council.

For the three positions on the athletic council, four men were nominated: "Buck" Bigbee, Ray Bryant, Henry Heidenreich and John Parsons.

Five names were presented for the three places on the Student Council to be filled by Senior men. They were: James Donald, Maurice Hill, Victor Morris, Marsh Goodwin and Gray McConnell.

The nominees for the two places open to Senior women were Vaughn McCormick, Lyle Steiwer and Gertrude Buell.

Five names were offered for the two positions on the council open to Junior men. They were: Fred Dunbar, Claud Hampton, Harry Crain, Leslie Toozee and Chester Miller.

Evelyn Harding and Jennie Huggins were nominated for the one position to be filled by a woman of the Junior women.

Leland Hendricks, '15, editor of the 1915 Oregon, and Earl Blackaby, managing editor of the Emerald, were nominated for editor of the Emerald, while for manager of the Emerald, Millar McGilchrist and Anthony Jauregu were nominated.

Several Amendments Moved.

Before the nominations of officers took place, several amendments to the student body constitution were presented and will be voted upon next Wednesday.

Victor Morris offered an amendment to establish an oratorical and

FIJIS ELIMINATE SIGMA NU NINE BY 4-1 SCORE

Fastest Game in Preliminary Series Featured by Pitching

By far the best game of the Doughnut series was the Monday evening battle in which Sigma Nu was eliminated by the Fiji team.

The 4-1 score indicates that the game was more than back-lot ball for both Dudley and Rathbun had plenty on the ball and their support was better than previous Doughnut pitchers have received.

Dudley, the Sigma Nu pitcher, retired eight men by the ozone route and Rathbun gets credit for seven strikeouts and only three hits were registered during the five innings, Fiji hitting twice and Sigma Nu once.

The features of the game were the calling of strikes by Umpire Nelson and the ubiquity of Larry Mann and his lengthy cut of "star."

FULL HOUSE ASSURED FOR "PROF. AND SOPH"

Senior Play Friday Night Will Be Big Event of the Week-End

The seat sale for "The Prof and the Soph" begins Thursday, and already the houses are preparing to send Freshman down to stand in line for a chance at the best seats. The biggest house at any University play this year is expected.

Many of the Fraternity and Sorority houses intend to take all their guests, except the athletes, who have to go to bed early, to the "Prof. and the Soph." From fifteen to thirty seats will be ordered by each house. A "sure-enough" chorus is one of the features of the senior play that is expected to draw the crowd. The nearest thing to a chorus ever introduced in a University play since 1911 was that of "The Clouds" last year, and this was Grecian and doesn't count. The chorus in the "Prof. and the Soph" will contain 16 men and 16 women, who will sing some new and beautiful songs. Every song is a song-hit. There are 15 musical numbers.

The play, written by Dean Collins, is laid at Oregon and is breezy and enjoyable from start to finish. The cast, carefully chosen, and drilled by Prof. A. F. Reddie, is in shape for a star performance.

Mrs. K. S. Munra, Grandma Munra, was a guest for luncheon at the Gamma Phi Beta house on Tuesday.

Miss Uplegger was a dinner guest at the Delta Delta Delta house on Sunday.

The University of Illinois offers a course in athletic coaching and playground work.

SOPHOMORES!

All Sophomore men report at the Library Thursday afternoon at 1:00 p. m. for the University parade down town. Bring Mexican sombreros, red sashes, police stars and "billy" clubs. Everybody out.

HOSTS READY TO ENTERTAIN

OVER 1000 VISITORS WILL BE HERE FOR THREE DAYS

BASEBALL STARTS FIREWORKS

Interscholastic Track Meet Will Be Held Saturday. Ball Game Thursday. O. A. C. Meets U. of O. on Track Friday.

Everything is ready for the entertainment of the 250 athletes representing 55 preparatory schools throughout the State and the 1000 visitors expected and the seventh annual Junior Week-end of the University formally opens tomorrow. If the present good weather prevails during the coming week-end the crowd, from all indications, will be a record breaker.

As a prelude to the week-end proper the University of Washington will cross bats with the University of Oregon this afternoon at 3:45. The week-end begins Thursday at 1:30 p. m. with a parade in which all of the classes will be represented garbed in various costumes. The second ball game with Washington will be played after the parade. In the evening a debate for the state championship between Oregon City and Pendleton will be held in Villard Hall at 8 p. m.

Everybody Will Work.

Friday morning every loyal Oregon man is expected to don overalls and jumper in order to assist in the work of University Day. Sidewalks will be built and repaired, the grandstand will be cleaned and general campus work will be done. A number of freshmen under the supervision of a Junior committee will paint the "O" on Skinner's Butte. At noon a lunch will be served by the University women. In the afternoon the dual track meet between Oregon and O. A. C. will take place.

"The Prof. and the Soph," the Senior play, is booked for Friday evening at the Eugene theatre.

Track Meet Is Feature.

The feature day of the week will be Saturday when the 250 athletes will compete for interscholastic honors. The preliminaries to the interscholastic track meet will be held in the morning. At 1:30 p. m. the Freshmen with great ceremony will cremate their green caps, after having endured them for eight months. The finals of the track meet will begin at two o'clock.

The Week-End will be concluded with the Junior Prom at the Men's Gym. Those guests who do not care to dance will be entertained by a smokeless smoker at Villard Hall. The dual meet between O. A. C. and Oregon will take place Friday afternoon.

WOMEN'S EDITION WILL BE ISSUED SATURDAY

Annual Co-ed Number to Cover Junior Week Activities Fully

Special plans have been made for persons wishing extra copies of the Women's Edition of the Emerald. Boxes will be placed on the campus and at the entrances to the athletic field where students and visitors may drop their names and dimes. Copies will be mailed them at once.

A full account of all Junior Activities, both social and athletic will be covered in the Women's Emerald. Emphasis is being laid upon cuts and features in order to make the paper readable, interesting and artistic.

Beatrice Locke got advertisements from men who had never advertised before. The financial success of the paper will be largely due her efforts.

O. A. C. TRACK STARS COME

DUAL MEET WITH AGGIES FRIDAY TO BE HOTLY CONTESTED

OREGON HAS SLIGHT EDGE

Chance for Taking Relay Makes University Team Look Good to Supporters. Will Get Even Break in Other Events.

(By Willard Shaver)
Bill Hayward has been putting his men through severe training the past week to get them in as near perfect shape as possible for the dual meet with O. A. C. that will take place on Kincaid Field Friday afternoon. The track is already fast and barring the interference of the weather man some of the track events will be keenly contested and records will go.

O. A. C., who was defeated in this meet a year ago, by an almost 2 to 1 score will show a team that will rub Oregon close and although the odds favor Oregon the result of the meet will likely remain in doubt until the last event is run off. The Aggie representation that entered the California meet last week was strong and upon just such men as placed O. A. C. third in the Coast meet, is "Doc" Stewart relying to pull him a first in the dual meet.

Both Have Good Men.

Reynolds, the Corvallis star half miler, is looked upon as a winner, although Nelson, Bill's Frosh, will give him a close race. The sprints will go to the Aggies if Johnny Baker is in any kind of condition and the quarter should be taken by Loucks and McConnell. The hurdles remain in doubt but Oregon should place first in the mile, high and broad jumps, and javelin. Heidenreich will fight it out with Cole for first in the discus and Cook will have to beat Johnson to take the shot.

The relay, with Loucks, Nelson and McConnell as three sure quarter milers, and such men as Elton, Boylen and Fitzgibbon to draw from should easily be Oregon's.

Results Are in Doubt.

Just what Stewart's men, beside Reynolds, Cole, Johnson, Baker and Kadderley, can do remains to be demonstrated.

The Oregon entries are: Mile—Payne, Langley, Pack; shot put—Cook, Heidenreich, Grout; high hurdles—Bandy, Fee, Pobst; 100-yard dash—Lake, Boylen, Hamstreet and Westfield or Sheahan; javelin—Telford, Cook and Fee; 440-yard dash—Loucks, McConnell, Elton, Fitzgibbon, Bull, Nelson; high jump—Stuller, Fee, Pobst; low hurdles—Bandy, Boylen, Hamstreet; 220-yard dash—Boylen, Lake, Sheahan, Loucks, Westfield; broad jump—Parsons, Boylen, Nelson, Cook, Sheahan, Stuller; half mile—Nelson, McConnell, Loucks, Tracer; 2-mile—Payne, Langley, Pack, Bostwick, Holt; discus—Heidenreich, Cook, Runquist; pole vault—Fee, Watson, Watkins, Miller; relay—Loucks, Nelson, McConnell and either Elton, Boylen, Fitzgibbon or Bull.

BIG PARADE TO OPEN WEEK-END FESTIVITIES

Classes Will Take Part in the Opening Ceremony Tomorrow Afternoon

Junior Week end festivities will be started by a parade Thursday afternoon at 1:30 o'clock. This is a new departure. "We want to make this parade a success, but in order to do it each one must do their part," said Maurice Hill, chairman of the parade committee.

The parade will form on Thirteenth street in front of the library. It will start at 1:30 o'clock sharp, passing down Thirteenth to Willamette, and down Willamette to Fifth street. Here it will turn and proceed back up Willamette to Eleventh and then up Eleventh back to the University.

Chairman Hill stated that the order of marching would be as follows: The Sophomore men dressed as policemen will lead. They will be followed by the University Band. The Senior men dressed in their official garb will be next. After the Seniors will come the Juniors. All the Junior men will dress in white trousers, blue coats and straw hats. The Freshmen will bring up the rear of this part of the parade. The Junior girls, dressed in white, the track men and alumni will follow in automobiles.

"The committee asks for the co-operation of the rest of the University. If everybody takes part it will stir up a lot of enthusiasm both among the students and among the down town people. We, especially, urge every Junior to be on hand," stated Hill this morning.

WOMEN'S LEAGUE WILL FEED 1000 PEOPLE ON FRIDAY

Women of Each Class Will Supply Provisions From Booth on Campus

One thousand people will be fed at noon on University Day, according to the plans which have been made by Eleanor McClaine, head of the Women's League. The task of preparing the luncheon rests entirely on the members of the women's league and the expense connected is also borne by them, although a small part of the amount expended may be refunded to them.

Each class will have on the campus a booth from which provisions will be dispensed, and the "bread line" will be divided into two files in order to facilitate serving. In addition to the class representatives whose names were listed earlier in the semester, the following co-eds have been appointed to work on the "eats" committee: Senior, Norma Dobie; Junior, Janette Wheatley; Sophomore, Jennie Huggins; Freshman, Emma Woodten.

While the bread line is in motion, the orchestra and men's and women's glee club will furnish music.

Students taking Greek at Princeton University excel all others in scholastic rankings.

Dartmouth students have started an agitation to establish moving picture houses in Hanover, the seat of the University. "Movies" are now "tabooed" by the local authorities.

The London, England, Daily Telegram will be represented at the National Journalism Conference to be held at the University of Kansas this month.

AUTOMOBILES.

The Junior class requests that all students having autos at their disposal have them ready at 1:30 tomorrow at the University in time to start the parade.
