

WEEK-END COST ESTIMATED \$500

DEFICIT NEXT YEAR SHOULD BE ELIMINATED SAYS WALKER

QUALITY SHOULD BE AIM

High School and Student Committee Aid in Reduction of Expenses. Last Year's Deficit Was \$1,200.

\$500.00 will cover the entire cost of the last Junior week end. This includes the expenses of the two track meets, the two baseball games, the expenses for the transportation and the entertainment of the High school athletes, the cups and medals, and the various other incidental expenses which come unexpectedly on the fag end of an event of this kind. This is the estimate of Manager Dean Walker. Though this sum is small as compared with the \$1200.00 deficit of the week-end of last year, Manager Walker is not yet satisfied. "The deficit is too big yet. Next year, by proper handling, Junior week-end can be made to pay out," he said yesterday.

Mr. Walker attributes the reduction in expenses to two things:

He said that in bringing men to the Prep-school Meet this spring, he tried for quality rather than quantity.

As a result we had 30 or 40 fewer men with no reduction in the quality of the Meet. In the second place, whereas last year the hotels were filled with the visiting High school athletes, this year every bed was provided free of charge. Mr. Walker was able to accomplish this through the co-operation of the local High school and through the efforts of a loyal Student committee.

This deficit seems even lower when it is taken into consideration, that

student-body tickets to the O. A. C. Oregon Track meet and to the Washington games, whereas, under the method of last year, all these would have been paid for. "Practically every student would have attended the contests even had payment been required," said Manager Walker, "and the receipts of the contests would have entirely eliminated the deficit."

ATHLETES ARE GOOD STUDENTS AT CORNELL

Statistics Give Ithaca Crew Men the Highest Standing.

Cornell University—Cornell athletes are not inferior in scholarship to the average student, according to statistics prepared by the registrar, D. F. Hoy, and recently used by President Schurman in an address. Figures compiled from the averages of men in all the sports show that the athletes average higher than fraternity men as a whole, and lower than non-fraternity men. The fraternity men roughly comprise those interested to some extent in activities outside their studies.

The varsity crew men make the best showing in the table, with an average of 75.3 per cent. In case of the sports which are lower, it is usually the averages of one or two poor students which bring down the total, rather than a general low average of scholarship.

The table follows:

Sport—	Average Standing
Football	69.26
Crew, Varsity	75.30
Crew, freshmen	65.68
Baseball	69.47
Track	71.89
Basketball	70.10
Hockey	69.50
Wrestling	74.30
Association football	71.50
Swimming	75.30

At a recent meeting of the Y. M. C. A. cabinet it was decided to hold the annual Y. M. C. A. picnic and a date to be secured. This picnic will be held in about three weeks.

JUNIORS PLAN PICNIC FOR LAST WEEK IN MAY

1915 Class Will Go on Annual Jaunt Up McKenzie River.

Not satisfied with entertaining the whole University and friends, they must needs go one better and entertain themselves. So the Junior class is to have a picnic.

The committee composed of Fred Hardesty, chairman, Rose Sieder, Sam Michael, Ruth Dorris, Bert Lombard, Edna Harvey, and Jim Pack met yesterday and formulated plans. They set the date for May 28. Conveyance will be by hayracks, and accommodations will be made for the entire Junior class consisting of eighty-five members.

The committee has announced that every Junior man is to have a Junior girl and every Junior girl is to have a Junior man.

The gathering place is the Library at 3:30 sharp. From here the trip to a place near the Coburg bridge on the McKenzie river about five miles out will be made. The return trip will be made that night.

Special music by the Junior Troubadors, stringed quintette and vocal quartette will be furnished.

The menu will consist of buns, hot dogs, eggs, salad, ice cream, cakes, pickles, sandwiches and "57" varieties of other dishes.

An important meeting of the committee is to be held in Dr. Schmidt's room in Deady at 3 o'clock tomorrow afternoon.

A student at the University of Illinois had his eye removed a few days ago as the result of an accident incurred during a game of golf.
