ALUMNI PLAN CLOSER UNION

SPECIAL MEETING MONDAY.

Gathering Is Preliminary to Annual Meeting of Alumni During Commencement Week New Plans to Be Pushed.

A definite move was taken Monday night at a special meeting held by the Oregon Alumni of this city for the purpose of getting the local alumni together to effect a closer organization than has heretofore existed. The meeting was called at the instigation of John C. Veatch, of Portland, prestion, who was here during Junior week-end.

The most important matter which the local body has to handle is the question of getting the members of the association to pay their dues which, up-to-date, are far in arrears. A number of propositions including an Alumni magazine, directory, a paid Alumni secretary and others therton; Phi Delt, Buck Bigbee and are matters which will receive the attention of this body and before any The second game, played Tuesday of these may be carried forward, it night, resulted in Sigma Chi's elim- will be necessary that the present members of the Association who are back in their dues will have to pay up.

The meeting held Monday night forward. The idea at present is to effect a rigid organization with a paid secretary which will in the fu-1734 Willamette. Phone 770 ture become an important factor for the benefit of education in the state of Oregon.

The meeting Monday night held at the instance of John C. Veatch, of Portland, favors a paid alumni secretary to lead the organization of the several thousand graduates of the University of Oregon into a rigid body. It is also to make association members of this body some 5,000 or 6,000 ex-University students, those who attended the University but who left before graduation and who live in the state of Oregon.Steps will be taken to have these catalogued.

It is also proposed, as a part of this plan, to publish an alumni magazine as a substitute to the present method whereby the college paper is sent to each alumnus.

Steps for a general reunion to take place at commencement time were discussed last night. Efforts to bring 500 graduates back to the University will be made.

Luke Goodrich, cashier of the First National Bank, Allen Eaton, representative from Lane county, and George Hug principal of the Eugene high school from a committee to form definite plans for the new alumni organization.

Next Wednesday at ten o'clock in Villard! What? Wait and see. A new vaudeville circuit will make its initial appearance in Eugene.

Henry Trowbridge, a student at the University received a telegram this morning of the death of his father in Portland. He had received a letter Saturday from his father, and at that time the father was in good health. He was accompanied to Portland by William Ryan, a fraternity brother, who will remain for the funeral.
