## PRES. CAMPBELL BACK FROM TRIP

VISITED 13 EDUCATIONAL INSTITUTIONS WHILE IN EAST

WILL REPORT TO REGENTS

President Lines up Instructors for the New Departments of Architecture and Commerce for Next Year.

After a four weeks visit among Eastern colleges and universities, President P. L. Campbell, returned home Monday evening.

In the four weeks that he was away from the university, President Campbell visited 13 educational institutions. They were: University of Chicago, University of Illinois, Pittsburg University, University of Pennsylvania, Columbia University, Yale University, Harvard University, University of Michigan, University of Wisconsin, University of Minnesota, New York University, Wabash College, and Massachusetts Institute of Technology.

The primary object of the president's eastern trip was to line up instructors for the new Departments of Architecture and Commerce. He reports that there are several men available for the positions.

President Campbell also made an investigation of the organization of the various schools of Commerce and Architecture of the institutions that he visited.

President Campbell will make no report on the results of his trip until June meeting of the Board of Regents.

W. R. Nelson, editor of the Kansas City Star, recently gave an address by telephone to an audience in Columbia Missouri, 75 miles away. The speech was delivered to a convention of journalists at the University of Missouri. Specially constructed apparatus made it possible for his hearers to hear him as distinctly as if he were standing on the platform in front of them.

## STUDENT PLAN IS ACCEPTED

STUDENT COUNCIL SCHEME MEETS WITH FACULTY FAVOR

CLASSES ARE DISMISSED

Advisability of Consolidating the Commonwealth Conference and Junior Week-End to Be Discussed Friday.

The first definite act of student self-government at the University of Oregon took its place in the history of the institution this week, when the management of the students' part in the Commonwealth exercises was placed in the hands of the Students Council by the faculty committee, the Council submitted its plan for student participation, and this was accepted by the faculty at last night's meeting.

The council's scheme contains the following provisions:

1. No classes shall be held Thursday or Friday.
2. Attendance at Commonwealth exercises shall be required at three sessions only, and the Registrar's office force shall keep track of attendance.
3. If any student attends more than three sessions, each such extra session shall be recorded by the Registrar's force and shall cancel two previous "cuts" on the student's record.
4. The student body will have a special session of its own Friday morning, and attendance at this shall be recorded by the Registrar and shall count to the student's credit, the same as any other session.
5. At this session plans will be worked out under which future Commonwealth Exercises shall be conducted. A full and free expression of student sentiment is desired at this time, especially as regards student control of conditions.

The plan submitted to the faculty follows:

To the President and Faculty of the University of Oregon:

At the last meeting of the Student Council the following resolutions were passed:

Resolved, that the faculty of the Student Council is anxious to cooperate with the faculty in every way possible to make the Commonwealth Conference a success.

Furthermore be it resolved that the suggestion be made to the faculty that classes be dismissed Thursday and Friday while the session is in progress.

Furthermore, in order to insure the largest possible attendance the following plan be put in operation. That the students be required to attend a minimum of three sessions under penalty of two cuts for each session not so attended; and that for every additional session attended two cuts be subtracted from the total number of past cuts registered against the student.

Furthermore be it resolved, that the suggestion of the faculty committee be accepted providing for a special student session to be held Friday morning, this session to be conducted by the students.

At a regular meeting of the Associated Students the following resolution was passed:

Resolved, that the Associated Students go on record as supporting the Student Council in its plans for Commonwealth Conference.

President Molschenbacher appointed the following committee to have charge of the student's share in the Commonwealth exercises provided that the faculty accepts the plans submitted above.

Committee—Tom Boylen, Ruth Dorris, Norma Dobie, Bert Lombard and James Donald.

The following tentative plans have been made by the committee.

A student Commonwealth session and student rally have been arranged for Friday morning. The proposed program to consist of a general discussion led by prominent students, concerning the advisability of consolidating the Commonwealth Conference and Junior Week-end next year. The remainder of the program will consist of the discussion of prob-

lems of general interest by members of the Student Body.

The above resolutions, reports, plans and suggestions are respectfully submitted by the Student Council.

## FACULTY IN DEMAND FOR COMMENCEMENT SPEAKERS

Twenty High Schools Have Applied to Extension Department for Speeches.

University Professors are in demand by the surrounding schools for the next few weeks to make commencement addresses. Already letters from more than twenty schools have been received in the Extension Department asking for University teachers to make graduating addresses. On account of so many of the professors having classes up to the end of school, the University will not be able to fulfill all of the requests. Dr. J. H. Gilbert is going to make four speeches, at Estacada, Wasco, Junction City and Riddle on May 28, 29, June 5 and 6 respectively. Dr. George Rebec will speak at Glendale and Springfield June 3 and 5. On June 5 Professor C. V. Dymont will speak at Monmouth and Dr. Joseph Schafer at Jefferson June 4, while at Baker City May 29, Professor E. E. Decou will deliver an address.
