**Feature of Evening's Program at Villard Hall Is One-Act Comedy Produced by Members of U. of O. German Club.**

At three o'clock this afternoon in Villard hall, the eighth annual convention of the German speaking societies of the state opened with a business meeting, preparatory to the later sessions of the organization. After a short meeting the convention adjourned until this evening when a program for the entertainment of the visitors will be rendered by students and faculty of the University. There are forty-two delegates and between 100 and 200 visiting Germans representing practically every county in the state.

All sessions of the convention will be conducted in the German language and will be open to all persons who understand that tongue.

The program for the entertainment of the visitors will include a grand concert at Deutsches Haus, Sunday afternoon, motor car trips about the city, and a comedy in German at Villard hall this evening. The picnic feature of the entertainment at the club house is to be one of those rare occasions in which most Germans delight.

On Sunday, beginning at 9:30 a. m., in American hall, the serious business of the convention will be considered, which involves the matter of creating a fund to purchase medals and awards for students in German in all schools, academies and institutions of learning in the state where they will be acceptable.
