

PROGRAM IS ANNOUNCED

COMMENCEMENT WEEK TO BEGIN MONDAY, JUNE 15

TO GRADUATE LARGE CLASSES

1914 Seniors to Be Addressed by President Brannon of the University of Idaho Preceding Presentation of Diplomas

Melvin A. Brannon, president of the University of Idaho, will deliver the Commencement address to the 124 Seniors and post-graduates of the University who will receive degrees during the coming Commencement exercises.

Of the 124 that will be awarded degrees, 95 are enrolled in the Department of Liberal Arts, 19 in the College of Civil Engineering 6 in the College of Electrical Engineering, and 4 in the graduate department.

A complete Commencement program has been prepared by the committee in charge. It is as follows:

- Calendar**
- Saturday, June 13**
- 8:00 p. m. Orchestra and Choral Concert.
 - 11:00 a. m. Baccalaureate Sermon by the Reverend Frank LaFayette Loveland, Pastor of the First Methodist Church, Portland, Oregon.
- Monday, June 15.**
- 9:30 a. m. Baseball, Alumni vs. Seniors, Campus.
 - 2:00 p. m. Archery Contest by the University Women. Campus.
 - 3:00 p. m. The Alumnae Tea. For all members of the Alumni Association, both men and women, and for all guests of the University. Campus.
 - 4:00 Pageant, "The Awakening of Spring." Campus.
 - 8:00 p. m. Presentation of "King Lear" on Campus.
- Tuesday, June 16**
- 9:00 a. m. Meeting of the State Alumni Association, Villard Hall.
 - 9:30 a. m. Meeting of the Board of Regents in President's office.
 - 10:30 a. m. Meeting of the State Hall.
 - 12:00 m. Alumni Luncheon on the Campus.
 - 3:00 to 5:00 p. m. President's Reception at President's house.
 - 7:00 p. m. Glee club open air concert on steps of Deady hall.
 - 7:30 p. m. Fern and flower procession.
 - 8:00 p. m. Falling and Beekman Oratorical contest, Villard Hall.
- Wednesday, June 17**
- 10:00 a. m. Commencement Address by Melvin A. Brannon, President of University of Idaho, Villard Hall. Conferring of Degrees by the President of the University.
 - 12:15 p. m. Breaking of ground for new Administration building.
 - 1:00 p. m. University dinner to the Alumni and invited guests at Men's gymnasium.
 - 8:00 p. m. Alumni Reunion, Men's gymnasium.

The following is a list of those who will be awarded degrees by the University:

- Full Names of the 1914 Seniors**
- Archambeau, Louretta Hilindia.
 - Arpke, Calvin A.
 - Ash, Clarence Edward.
 - Avery, Florence Elizabeth
 - Baker, Carl C.
 - Basler, Rose Marie
 - Beach, Ruth,
 - Bean, Hawley James
 - Benson, Wallace G.

CO-ED TEAMS WILL PLAY BASEBALL GAME THURSDAY

Freshmen and Sophomore Women Organize Class Nines

A baseball game between Freshmen and Sophomore women is scheduled for tomorrow afternoon. This game will be regarded as a demonstration as well as a class game, and the girls will be graded for their semester's work.

Those participating will be:
 Freshmen: Captain, Martha Beer, Agnes Dunlap, Marion Ingram, Helen Kust, Erma Laird, Ruth Leonard, Myrtle McKipsky, Mary O'Farrel, Margaret Pratt, Ethel Purdy Gladys Roberts, Annabel Sparksman, Eva Bratton, Rita Hough.
 Sophomores: Captain Elizabeth Devaney, Clara Erdmann, Jennie Huggins, Beatrice Littlefield, Elizabeth Mirturn, Myrle Stearns, Jewel Tozier, Vera Williams, Emma Haroun.

In the canoeing matches held on Thursday and Friday of last week the Sophomore girls defeated both the Freshmen and Junior teams.

Practice continues for the pageant which is to be given the Monday of Commencement week.

JOHN WELCH ELECTED AS BASEBALL CAPTAIN

Oregon's Pitcher Chosen Leader of Team for Next Season.

John Welch, a Junior from Portland, and first pitcher on the Varsity nine for three years, was unanimously elected captain of baseball for next year by the ten eligible players at a meeting held this afternoon. Welch has not lost a game this season, and in his three years of conference ball only one defeat has been chalked against him. This season but three runs were totaled off his pitching in the five games in which he took part.

In all selections made so far this

"JOHNNIE" WELCH
Chosen Leader of Oregon's Championship Team for Next Year.

season for All-Northwest players, with the exception of Bender, Welch was given the position of premier pitcher of the Northwest and Bender placed him only below Moss. Last year Welch was on the first All-Northwest team.

Welch has been prominent in student affairs ever since his matriculation, mainly through his participation in baseball. He belongs to class societies and is a member of the Alpha Tau Omega fraternity.

Tom Martin, '13, and Fred Barber ex. '16, spent the week-end at the Alpha Tau Omega house.

Phi Gamma Delta entertained with a picnic up the McKenzie river Saturday.

The Dexter club entertained Dr. and Mrs. O. F. Stafford at Sunday dinner.

PLAY GIVEN HIGH PLACE

RECREATION IS OUTLINED FOR SUMMER SCHOOL STUDENTS

TRAIL PARTIES ARE PLANNED

Another Feature of Session Will Be Daily Public Lectures by Leading Educators and Speakers of the Country.

Organized play will be a feature of the tenth annual summer session of the University of Oregon, which begins June 26. In speaking of this new departure Dr. Joseph Schafer, director of the summer school, said: "L. H. Weir, secretary of the Playground and Recreation Association of America, and Dr. Bertha Stuart, will have charge of the play and recreation of those attending the summer school. They will divide the school into several groups. After the evening meal each day these groups will meet at various places on the campus for an hour or so of play."

In addition to the organized daily play there will be the customary summer school party, held early in the session either at the reception room of the dormitory or on the lawn in front of the President's house. Also there will be numerous picnics on the race and river, and the continuation of a custom inaugurated two years ago of taking picnic suppers on the campus and there will be the annual excursion to McKenzie River.

Plain Trail Parties.

Trial parties will be organized during the session. Lectures will be given on camp life, on the making of ground beds, the building of campfires, the cooking of meals, rendering first aid, packing of supplies, selection of camp equipment, etc. The summer school bulletin states "at the close of the summer school parties of from ten to fifteen will be formed to take any trip desired. Adequate provision will be made for the comfort and convenience of these trips. Packhorses will be provided and, if desired, cooks can be secured. An effort will be made to secure a naturalist for each group to enhance the enjoyment and educational value of the trip.

Another feature of the summer school will be the public lectures, given during the hour from 11 o'clock a. m. to 12 m. each day of the summer session. Such men as the following will deliver lectures:

Dr. A. A. Berle, of Cambridge, Mass., who is Professor of Applied Christianity in Tufts College. Dr. Berle lectured two years ago at the University on "The Intensive Training of Children in the Home." His theme for this year will be "Ethical Aspects of Modern Industrial Organization."

Professor Stockton Axson, of Princeton University and who delivered a series of lectures last year, will deliver another series this year.

Doctor Sheldon, who was for ten years dean of the School of Education of this University and who is now a professor in the Education Department of Pittsburgh University, will give four lectures on "Childhood and Education in Modern English Fiction."

Dr. Clifton Fremont Hodge will deliver four lectures on "Civic and Social Biology," including social and sex hygiene.

Professor Frederick J. Turner of the Department of History, Harvard University, is dated for four lectures on "Phases of Western Influence in American History."

The summer session will open Friday, June 26. June 26 and 27 will be registration days. The session will last for six weeks, closing Friday, August 7.

BUILDING TO BEGIN IN JUNE

\$175,000 ADDITION TO UNIVERSITY EQUIPMENT UNDER WAY

WILL CHANGE WHOLE CAMPUS

Big \$100,000 Administration Structure Together With Additions and Changes in Library.

Tangible action for the repairs to the Dormitory, Deady Hall, Library and Heating plant; for which \$75,000 was appropriated by the 1913 legislature and sustained by the voters of the state at the referendum election last November, was taken this week when bids were advertised for by L. H. Johnson, University Steward. The bids will be opened by the Executive Committee of the Board of Regents on June 15 and the contract will probably be let at that time.

The bids for the construction of the \$100,000 Administration building will be advertised for June 25 and the bids will be let about the middle of July. Actual construction is expected to take place shortly after the bids are opened.

Largest Repairs for Library.

The largest repairs, in point of cost, will be those made to the Library building, for which \$30,000 has been appropriated. Besides building an addition on the west end of the building, fireproof steel book stacks, sufficient to accommodate 75,000 books, will be installed. The plans for the book stacks have already been decided upon.

On Deady Hall, the oldest building on the campus, \$10,000 will be expended. The money will be used in rearrangement of rooms and the installation of laboratory equipment.

The installation of running hot and cold water in every room will be the feature of the improvements on the Dormitory, for which \$10,000 has been assigned. An addition will also be made on the west end in order that more students may be accommodated.

Another \$10,000 will be spent in extending and otherwise improving the University heating plant. Many of the main conduits will be dug up and repaired. These conduits are now leaking, resulting in a great loss of heat. New pipes will also be laid to President Campbell's residence and to Mary Spiller Hall.

Will Prepare for Architecture.

The remaining \$15,000 of the appropriations will be used in repairing and improving the University power house in order that it may be suited to the purposes of the new Department of Architecture that is to be opened next Fall.

Tentative plans for the Administration building have been drawn up by W. C. Knighton, State Architect, and will be submitted to the Board of Regents for their approval or disapproval at the June meeting.

According to these plans, the new building will consist of two stories and a basement. The first floor will be given over to a lecture hall, large enough to accommodate 300 people, the University Museum and various offices. The lecture hall will be similar to a small theatre. A full size stage will be constructed, footlights installed and an orchestra pit built. This room will be used as a lecture hall and as a place for holding debates, class meetings and plays.

New Building Will Have Class.

The entire second floor of the building will be used by the administration offices. The plans provide for a lobby, 50 feet square, with the different administration offices facing it. On the west end will be located the private office of the president.

(Continued on page four.)

PSYCHOLOGY DEPARTMENT ADDS TWO NEW COURSES

Dr. Rebec Will Also Take Over Classes in Philosophy

Two new courses will be added to the psychology department next year. One is a two-hour course the first semester in the Psychology of Attention under Dr. D. K. Dollenbach; the other is in Applied Psychology, a two-hour course the first semester under Dr. E. S. Conklin.

Dr. Dollenbach has made especial study of Attention and, according to Dr. Conklin, is well fitted to teach this course because of his research and experimental work in this subject.

The course in Applied Psychology deals with the psychology of advertising, salesmanship and commerce purely from the psychologist's point of view with no attempt to deal with the business side of it.

Philosophy, which has hitherto been taught by Dr. Conklin, will next year be under Dr. George Rebec, the professor of philosophy, whose work this year has been mainly with the extension department. The course in philosophy will probably be a two-hour one.

STUDENT BODY DEFICIT IS REDUCED TO \$1,500

Treasurer A. R. Tiffany Is Elected Graduate Manager

Starting this year with a \$2500 deficit, Graduate Manager Walker turned \$1000 into the student body treasury and thereby reduced the total student body debt to \$1500 according to his report of the year which was turned in to the executive committee last night.

At the meeting of the Executive and Athletic Committees held last night, A. R. Tiffany, present treasurer of the student body, was elected as graduate manager for the following college year.

This will necessitate somewhat of a change in the graduate manager system, as the coaches will handle the schedules and trips for the various teams. Also student managers will be used.

The official emblems for baseball, track and tennis were awarded last night. Those receiving the "O" in baseball for the season are Captain Fenton, Welch, Tuerck, Motschenbacher, Nelson, Cornell, C. Bigbee, Anunsen, Bryant and M. Bigbee. In track emblems were awarded to Loucks, McConnell, Stuller, Parsons, Boylen, Telford, Cook, Nelson, Heldenrich, Fee, Hamstreet and Payne. In tennis Captain Brooks, Oberteuffer and Bond were the three men to receive letters.

Beta Theta Pi entertained with a picnic on Sunday. Between fifty and sixty guests were present.

J. A. Moore of Ashland was a guest of his brother Victor at the Iota Chi house on Sunday.

Mr. Casad of Pullman was a dinner guest Monday at the Alpha Tau Omega house.

Merlin Batley and Vernon Garrett were dinner guests Saturday evening at the Kappa Alpha Theta house.

Dr. James Barnett and Hugo Bezek took dinner Wednesday evening at the Iota Chi house.

One hundred and one fellowships have been awarded students at the University of Chicago. These scholarships yield tuition in amounts up to \$400.

A piano recital will be given by Lloyd Casebeer, a student in the University School of Music, on Saturday evening June 6, at 8:00, in Villard Hall.

OREGON BATS 2 VICTORIES

CONSISTENT HITTING GETS ALL N. W. PENNANT FOR VARSITY

CARSON BIGBEE IS SENSATION

Freshman Leads Team in All Departments. Motsie Has Clean Fielding Slate. Whole Nine Plays Gilt Edge Ball.

(Willard Shaver)

Consistent hitting and airtight support figured conspicuously in landing for the lemon yellow a clear title to the college conference rag of the Northwest for the season of 1914.

The Oregon men have hit a pace that is hard to beat and had they been as perfect in the Washington games that were played on the local campus as they are perfect now it is pretty safe to say that they would have gone through the season without a loss. But eight wins out of ten games played is a record that will likely stand in conference circles for some years to come.

Bigbee Gets Individual Honors.

Coach Bezek's men have been consistent in hitting when hits were needed and almost any man on the Oregon team has been responsible for causing the downfall of opposing pitchers but it remained for Skeet Bigbee to cop almost all the individual honors in the championship contests. The youngest Bigbee that Oregon boasts of not only leads the batting list but also has had more passes issued to him, got more long hits and stole more bases than any other man on the Oregon nine. He has also handled more chances than any other infielder and made fewer errors. The box scores indicate that the diminutive Freshman is Coach Bezek's best bet.

Motsie Also Has Record.

Motschenbacher has also made an enviable record in the eight games in which he has figured, for he has batted fourth, very few stolen bases have been made off him and he has the only perfect fielding average in the Oregon lineup.

The complete batting averages for the conference games including the last two with the Pullmanites have been compiled by Bothwell Avison and are given below:

	AB.	H.	P. C.	R.
C. Bigbee	33	11	.333	9
Fenton	38	12	.316	5
Anunsen	39	12	.307	7
Motschenbacher	28	8	.285	8
Nelson	38	10	.263	5
Bryant	39	10	.256	8
M. Bigbee	32	6	.187	6
Cornell	40	7	.175	9
L. Bigbee	6	1	.166	1
Tuerck	13	2	.153	0
Welch	15	2	.133	2
Llewellyn	10	1	.100	1
	82		61	

These totals show an average of eight hits and six runs per game, an average that shows better than anything else why Oregon has won the championship.

It took but two of the three games scheduled with W. S. C. to give to Oregon the first Northwest championship in baseball that it has copied since the formation of the six-college conference.

Welch, the hero of the first game, had Bender's near champions guessing at all stages of the game and should have scored a shut-out but for the infield error in handling Casad's grounder in the seventh when Casad reached first, was sent to third on Davis' and Hartman's outs and scored on Welch's wild pitch. This was Pullman's only score and
