

"TRIPLE A" REVIVED

Sophomores Tell Freshmen About Arts Athletics and Acquaintance

The Sophomore and Freshman girls of the University meet Thursday afternoon, at the Gamma Phi Beta house, to hand down the Triple A society to the Freshmen.

Triple A was organized by the members of the present Junior class in their Freshman year, and since then each Freshman class has carried on the idea. The society stands for Arts, Acquaintance and Athletics.

Frances Shoemaker, President of Triple A last year, presided at the meeting and explained the advantages of the club. Martha Beer spoke on "Acquaintance," Echo Zahl on "Arts," and Ruby Steiwer on "Athletics."

After electing Dorothy Wilkinson as temporary chairman, the Sophomores turned the meeting over to the Freshmen. Elections will be held at the next meeting.

The remainder of the afternoon was spent in a social time and refreshments were served.

ORCHESTRA INCREASES

Miss Forbes Delighted With Prospects for Year; McCulloch Appointed Business Manager

The University Orchestra has begun regular work, and holds practice every Tuesday and Thursday evening at 7:00 in Villard Hall. "I am delighted with the showing the Orchestra has made thus far," said Miss Winifred Forbes. "The Orchestra has increased in numbers, and I am confident we shall have a better year than ever before." The members of the Orchestra are as follows: First violin, Misses Mary DeBar, Minnie Schwarzschild, Meiba Williams, Edythe Rogers, Marie DePue, and Mildred Gladstone; second violin, Mr. Ralph Ash, John Erlinger, Lita Mast, Vera Brown, Zeno Weiss, Charles Runyon, John Hughes, and Lillian Bohnson; cello, Harvey Devereaux, Florence Bowden, Mr. Curran; flute, French Moore; clarinet, Mr. Hemes, Mr. Butler, Mr. Loucks, Mr. Cochran; oboe, Mr. Castle; cornet, Mr. Freese; trombone, Mr. Grebe, Bert Jerard; viola, Mr. George O'Donnell; double bass, Mr. Leonard Gross; timpani, Mr. B. Ruth; accompanist, Miss Ruth Davis.

Mr. Howard McCulloch is the business manager. The orchestra will play in assembly next Wednesday.

The Freshman athletes at Ohio State are heavier than usual this year. A number have already signed up with the different coaches. In the annual cane rush this fall the Freshies overpowered the Sophs easily.

Oberlin had more than enough for four elevens out at her first football practice. Only two of last year's men are absent this year. This promises to be a big year for Oberlin.

combatants, gathered in front of the Gamma Phi Beta house, where the party was held. As in past years, the Freshman men entered in dishabille attire, with coat inverted, left trousers leg rolled up and collar and tie disarranged. Statements of bystanders differ as to who was responsible for the alterations of the Frosh costumes.

It is not known what action, if any, the faculty will take in regard to last night's ceremonies.

Scenes from the Celebrated 3-act Comedy, "Kitty McKay," to be shown at the Eugene Theatre on October 6.

University of Oregon students will be delighted to hear that arrangements have been made for "Kitty McKay," New York's greatest success of last season, to stop off here for a brief visit on her long transcontinental journey. Owing to an unexpected change in the theatrical map, William Elliott, the producing manager, is able to send this company into the Western territory direct from the Comedy Theatre, New York, where the play has been on view for more than one year.

So great has been the demand of theatre-goers for a visit of this clever lassie, that three other companies have been organized to present "Kitty" throughout the East and Middle West.

"Kitty's" popularity was assured from the time she set foot on the stage of the Comedy Theatre; columns of praise have been written about her, and her thousands of friends have gone forth from the metropolis to sing her praise throughout the land.

"Kitty" is a Scotch lassie, quite different from any heretofore seen on the stage, and her triumphs and tribulations in London are said to be so funny that they have to be seen to be enjoyed.

This production will be shown at popular 50c, 75c, \$1.00 and \$1.50 prices, on Tuesday, the 6th, at the Eugene Theatre. Adv
