APPROPRIATION FOR WESTON NORMAL SCHOOL SOUGHT

W. S. Payne, of Weston, Oregon, was a campus visitor this week in the interest of the Weston Normal School appropriation, to which he hopes Lane County will accord good support.

The Weston Normal, the new home of which was finished in 1901, was a victim of the normal school cataclysm of 1909, in which the doors were closed at Weston, Ashland, and Drain. The handsome red brick structure at Weston has since then been mostly idle.

"Persons desiring to see Eastern Oregon teachers have access to normal facilities without having to come to the west side of the mountains have revived the idea of a normal at Weston," said Mr. Payne. "The school would be known as the eastern Oregon State Normal School, and it would not by any means be a mere local institution. Eastern Oregon has now no state school, although two-thirds of the state's area is east of the Cascades.

"We have a \$75,000.00 plant at Weston, and the initiative measure to be voted upon November 3 that calls for rehabilitation of this property provides for a maintenance tax of only 1-40 of a mill. This would give us \$25,000.00 to \$30,000.00 annually. In 1907 we had an enrollment of 275 Normal students, fewer than a fifth of whom came from Umatilla county."

Mr. Payne proceeded to Southern Oregon.

OREGON CLUB RECEPTION WILL BE HELD FRIDAY NIGHT

All preparations have been made for the Oregon Club reception to be held in the Men's Gymnasium Friday evening at 8:00 o'clock.

According to Hubert Starr, president of the organization, 250 people are expected to attend the affair.

"Many novel features will be introduced to make the affair different from the usual Oregon Club party," Starr said this morning.

"The committee in charge intends to make the party a real get-together."

"Invitations have also been sent to University alumni residing in the city who were members of the club while in college."
