## OREGON SQUAD PLAYS WILLAMETTE FRIDAY

## "MAY I TAKE YOU CANOEING" ANSWER: "GO ASK THE DEAN"

Popularity of Village Belles Greatly Increased by Latest Edict of Miss Guppy

No more will the college co-ed exercise her own discretion in accepting (or rejecting, mayhap) an invitation for a canoe ride up the mill race. Dean Guppy has issued an edict declaring that official permission must be secured before any definite action can be taken.

This limitation comes as a climax to a series of rules regarding mill-race parties. A restriction enacted last year prohibited parties on the historic stream after sundown, because of several near-collisions between boats in the dark.

## CONQUERING HEROES MET BY ROOTERS

University Band and Oregon "Oskey Wow Wow" Greet the Home Coming Team

Two hundred or more rooters gathered at the depot Sunday night to greet the home-coming team. The University Band played several selections, and the Oregon Oskey Wow Wow was given as the train pulled in, the yell leaders giving their directions from the top of the coaches.

The team was supposed to have arrived at 12:25, and the rooters, though not quite as numerous as at night, were on hand and gave the Oregon cheers as the train approached. The band did its duty, too, and did not cease to pour out Boole, Boole, until the train stopped and a few straggling passengers stepped to the platform and gazed about as if they wondered what they had done to deserve so much attention.

## WORLD PEACE IS AIM

Association to be Organized On University Campus Tomorrow Afternoon at 4:00 O'Clock

Students, Faculty and townspeople interested in the movement to prepare the American nation to speak an effective word for a permanent peace at the close of the present European war, will hold a meeting in Allen Eaton's room in the Architecture Building at 4:00 o'clock tomorrow afternoon. Steps will be taken at this time to form a permanent association and elect officers for the purpose of getting into touch with the leaders in the national movement and to lay plans for the development of public sentiment in Oregon. All interested are invited.

## EXTENSION COURSES CONTINUE TO ENJOY POPULARITY

The average attendance at Extension lectures during September and October was 133. According to Miss Mozelle Hair, Secretary of the Extension department, this average is as large or larger than that of previous years.

Freshmen at the University of Nebraska were disturbed by a raid which left the streets of the town covered with hair and their heads lacking any traces of their former locks. This has been a custom at Nebraska for some time, but it is said that this year the work of harvesting Freshman hair was done more thoroughly than ever before.

## PANORAMA PICTURE TO BE TAKEN TOMORROW ON BASEBALL FIELD

Regular Assembly Hour To Be Given Over To Photographer For Birds-Eye View of Faculty And Student Body—Photo To Be Used For Publicity Purposes And Will Be Reproduced In the Oregana

The panorama picture of the Student Body and Faculty will be taken tomorrow morning at 10:00 o'clock in back of Dady Hall, on the soccer and baseball field, at the regular assembly hour.

C. E. Barclay, a photographer of Sheridan, Oregon, who has made a specialty of circuit work and who will take the picture tomorrow morning, says: "If there is no delay about the students turning out, it will not take more than ten minutes to assemble and have the picture over with. The picture itself will be 40 inches long and eight inches wide."

The picture will be used by the Administration Department for publicity purposes and will also be reproduced

in the Oregana, besides being a valuable keepsake for each student.

Dr. Smith, Secretary to the President, who has taken an interest in the picture and who worked toward making it possible, said yesterday: "With the publicity given the arrangements, I think it will be safe to anticipate a crowd of 750."

As proposed, the Faculty, Seniors, Juniors, Sophomores and Freshmen will be in sections of three rows in a circle before the camera. The Sergeant-at-Arms of the classes will superintend marshalling the sections.

The Freshmen will assemble in Villard, the Juniors and Seniors in Dady, and the Sophomores in McClure, for short class meetings.

Sigma Delta Chi Initiates Will Appear in Formal Garb on Campus Thursday Morning

Leslie and Lamar Toose, Wallace Eakin and Fred Dunbar will appear on the campus in full dress suits and silk hats Thursday morning. The stunt, which is pulled off every year, is part of their initiation into Sigma Delta Chi, the national fraternity for journalists.

The local chapter was granted in the spring of 1913, and the appearance of the initiates in formal garb is an annual custom.

During the year the Sigma Delta Chis expect to have a series of talks from well known journalists and other prominent men throughout the state.

## 13 GRADUATES TEMPT PALATES OF HEATHEN

Oregon Alumni Labor in Foreign Missionary Field—Local Y. W. C. A. Will Help Lyman

Thirteen Oregon graduates are engaged in missionary and educational work in foreign lands. They are scattered from one corner of the globe to the other, some in government educational work, some in Y. M. C. A. institutions, and still others in the missionary field.

Harvey Wheeler, '07, and wife, Ruth Baldersee Wheeler, also, '07, are engaged in educational missionary work at Nagasaki, Japan. During his college course, Mr. Wheeler was an active member of the Y. M. C. A. and Laurean Literary Society. This summer Mr. Wheeler and family visited in Eugene and on their return voyage experienced a rather unusual inconvenience, as the Japanese ship on which they sailed was without a light aboard, due to the present war situation.

Mark Wheeler, '07, a brother of Harvey Wheeler, is now engaged in missionary work in the interior of China. While in college he was also a member of the Y. M. C. A.

W. Gilbert Beattie, '07, and wife, Willa Hanna Beattie, '05, are now in the educational work among the Alaskan Indians at Juneau, Alaska.

Mrs. Elizabeth Logan Ennis, '02, is in the missionary field among the natives of the "Dark Continent." Her address is Benquella, West Africa.

Clarence A. Steel, '10, is now General Secretary of the Soon Itt Memorial Institute for Young Men at Bangkok, Siam. While in college Mr. Steel was a member of the cross country team, the Laurean Society and the Y. M. C. A. Cabinet. He also took an active part in Student Body affairs.

Another graduate to enter this work was Walter Bailey, '12. He is now teaching the natives of the Philippines the English language and American athletics. Mr. Bailey was famous for his height, 6 feet 4 inches, and the students of his day relate not only of his prowess in a basketball suit, but also of the "pee-rades" he led with his high silk hat.

Still another man who entered this field is James K. Lyman, Whitman '05, who came to Oregon for post-graduate work. While in college he was a crack wrestler, assistant football coach, and Secretary of the College Y. M. C. A. He took further graduate work at Oberlin College, and is now in Marsash, Turkey, teaching the young Turks Western athletics, and through his work getting closer to their lives that he may bring Christianity and Western civilization to them.

At the last meeting of the Y. M. C. A. Cabinet it was voted to send the funds secured here in the University to help Mr. Lyman in the work he is doing.

## BASKETBALL CAPTAIN TO BE ELECTED LATER

EACH MAN OF REGULAR TEAM WILL HAVE CHANCE IN CONTEST FOR POSITION

## PRACTICE STARTS THIS WEEK

Season's Outlook Not the Best, but "We Will Come Up Fighting," Says Bezdek

There will be no election of basketball captain for this year's team until the season is well along; the regular team picked, pretty well crystallized and the choice of captain decided in the mind of every man. Practice starts this week.

Coach Bezdek gave out the above statement today. Instead of electing a captain at the beginning of the year, Coach Bezdek plans to appoint different captains for each game until the men have had a fair chance to learn the ways of each man of the team, and choose to the best advantage. Every man who makes a regular place on the team will be eligible for the captaincy.

Wheeler is the only letter man to return this year. It is possible that "Slim" Koch will return, but no definite word has been received. Carson Bigbee was on the squad last year and made a good showing.

Chet Fee, Bill Burgard and Ray Gorman have signified their intentions of turning out for the guard positions. Brownell and Dudley are expected to show up for a trial at center. Clark will be out for a forward. There are several Freshmen who look good and are expected to uncover some real stuff.

"It isn't the best outlook in the world, but we will come up fighting and be around for the finish," was Coach Bezdek's comment on the prospects.

Hard work will not begin until the football season is over. The first workouts are in order from now on, however, and some definite showing is expected by the end of the week. "We are too busy with football at present to talk basketball. We are doing some planning though, and I can say that it looks like a big year." This is Bill Hayward's forecast.

Both Coach Bezdek and Trainer "Bill" Hayward seem optimistic over the prospects and feel sure that there is some new material on hand to deliver the goods.

## JOURNALISM DEPARTMENT SENDS OUT NEWS STORIES

The University Journalism Department has sent news stories to the 150 papers in the state, giving a list of students from the county in which the paper is located who are attending the University, and a short statement of the enrollment of the state institution this year.

According to the report sent out, 1,976 students are enrolled in the different departments of the University. This number includes all of the students in the College of Literature, Science and the Arts, Medical and Law Departments in Portland, Music Department, Extension classes, Summer School and the Correspondence Study Department. This year's total registration shows an increase of 12 1/4 per cent over the corresponding period last year.

Lane County is first, Multnomah second and Marion third in the number of students at the University this year. Only three counties, Curry, Grant and Wheeler, are unrepresented.

Oregon may arrange a soccer game with O. A. C. if the latter isn't careful.

## SATURDAY STRUGGLES KICK OVER DOPE CAN AND OUT-LOOK IS UNCERTAIN

## THREE IN LINE FOR PENNANT

Pigskin Logistician Befuddled on Dope; No "Ergo" Forthcoming Until O. A. C.-Washington Tangle

By Harry Kuck.

The Oregon-Willamette game will be staged Friday October 30, at 3:30 o'clock, on Kincaid Field.

The Methodists were originally billed to show here Saturday. Manager Tiffany secured the change in order to allow local enthusiasts to see both the Willamette game and the O. A. C.-Washington tangle at Albany on October 31. The latter is expected to be one of the most bitterly fought contests of the season.

Oregon's defeat of Idaho was due to her superiority at open football and her ability to negotiate passes. Both touchdowns were directly due to passes; Malarkey grabbed an Idaho spiral out of the ozone and ran 60 yards for the first one, and Captain Parsons scored the other by making a sensational catch of a pass from Beckett. Aside from these two "breaks," it was a hard fought battle all the way through. The Lemon Yellow line yielded but little ground, and there was a noticeable improvement in tackling.

Two surprises were sprung Saturday; one at Pullman and the other at Seattle. O. A. C. was booked to win from W. S. C. very easily, and on the contrary was barely able to register one touchdown. Stewart's men were even outplayed a good part of the time.

At Seattle, Washington was doped to win from Whitman by about a 40 or 45 to 0 score. However, Dobie's crew failed to beat the Missionaries as badly as Oregon did.

All of which goes to show that it is very easy to kick over the dope bucket. The way things stand now, considering relative scores, Oregon, Washington and Oregon appear to be on a par. O. A. C. and Oregon beat W. S. C. by the same score, 7 to 0, and Washington beat Whitman by approximately the same margin that Oregon did. A month more will probably see dope spilled all over.

The officials for the Oregon-Willamette game are: Varnell, referee; Sam Dolan, umpire; Hans Flo, head linesman.

\* A special train will be run \* over the Oregon Electric to Albany Saturday for the O. A. C.-Washington game. \* Tickets, \$1.30. Train leaves \* Eugene at 12:35 P. M. and will \* arrive in Albany at 1:45 P. M.

## LEON JACKSON, WRESTLER, VACATES PLACE ON TEAM

Leon S. Jackson has temporarily left college because of eye trouble. Jackson is a 107-pound wrestler on the University team, and the wrestling instructors say it will be impossible to replace him. He may return for the spring semester in time for the wrestling season.
