

PORTLAND SCHOOLS TO GIVE FOOTBALL DANCE

High Schools of Rose City Extend Invitation to Oregon Students for "Hop" Thanksgiving

In honor of the University of Oregon football team, a dance is to be given in Portland during the Thanksgiving vacation by the various high schools of Portland, according to news received on the campus yesterday.

Tom Boylen, President of the Student Body, has received a request to appoint a committee from the University to assist the interscholastic committee in making the necessary arrangements. The members of this committee have not been announced as yet.

A general invitation will be extended to all students of the University to attend the affair. As a large number of students will spend Thanksgiving in Portland, a large number are expected at the dance.

DATES FOR DEBATE TRYOUTS FIXED

(Continued from page 1.)

The third tryout will be Saturday, December 12.

The Stanford vote upon the debate question has been received, but Washington is still holding out. It is hoped that the exact wording of the question will be decided before the tryout.

The annual Alumni Medal Contest, in which all who have made the debating teams are entitled to compete, will be on Friday, January 8, 1915.

All Pre-Medics are invited to attend the next open meeting of the Sigma Alpha Pre-Medic Fraternity, Thursday evening at 7:00 o'clock, in Dean Straub's room. Chancellor member Dr. Gutberlet will deliver a lecture on parasites, and a short program will be held.

Brickley, of Harvard, is using his left foot for kicking now since his operation for appendicitis. It is reported that he has missed but one drop kick in fifteen with his left foot from the fifteen-yard line. There have been few left-footed kickers in football history, and ambipedous men have rarely ever been seen.

CO-ED DEBATERS MEET

Professor Prescott Volunteers to Organize Full Credit Course if Demand Warrants

A meeting of University women who are interested in debate was held yesterday afternoon in Villard Hall. Both sorority and non-sorority women representing all the classes were present. Plans were made and committees appointed to promote and arouse interest in debating among the women.

Another meeting has been called for next Wednesday evening at 7:00 o'clock in Professor Howe's room. At this meeting the question of co-ed intercollegiate and interclass debating will be considered.
