

TWELVE COMBAT SECOND TRYOUT DEC. 5

Contestants Will Defend Opposite Side to that of Preliminaries

The second tryout for the Oregon debating team will be held next Saturday, December 5. Those who survived the preliminaries and will compete in the second tryout are Victor Morris, Fred Hardesty, Bert Lombard, Peter Crockett, Lamar Tooze, Nicholas Jaureguy, Prentiss Brown, Cloyd Dawson, McDowell, William Holt, Hobart McFadden, and Ernest Watkins. At this tryout, fifteen minutes will be allowed each contestant in which to defend the side of the question opposite to that which he defended at the preliminary tryout. Mr. Prescott, the coach, says that the number eliminated Saturday will depend upon the efficiency shown by the various contestants.

The third tryout is scheduled for December 12. This may or may not be the final tryout, according to the showing made.

The alumni debate medal contest will be January 8, 1915. The medal was won last year by Victor Morris.

George Palmer Putnam, of Bend, who spoke here at assembly recently and was guest of honor at the Sigma Delta Chi banquet, has been named by Governor-elect Withycombe to be his private secretary.

Mr. Putnam is a native of New York, where he was born 28 years ago. He is a son of J. Bishop Putnam, head of the publishing house of G. P. Putnam's Sons, of New York and London. He was educated in the public schools of New York and later attended Harvard and the University of California.

After a residence of three years in Bend he was elected by the City Council as Mayor to fill the unexpired term of U. S. Cole, and was elected to succeed himself by an overwhelming majority. Under his administration many improvements were made, including an \$80,000 sanitary sewer system.

Mr. Putnam is a writer of short stories, special articles, and travel works, and is the author of a book, "The Southland of North America," describing conditions in the Central American states. A book on Oregon is at present being written by him.

Within the next few days Mr. Putnam plans to take up his new work at Salem.

EUGENE ALUMNAE TO URGE SCADDING HALL PROJECT

The regular monthly meeting of the Eugene Alumnae of the University was held Saturday at Mary Spiller Hall. They decided to ask Mrs. Gerlinger, Miss Guppy and Mrs. Edward Blythe, of Portland, to call upon the new Episcopal Bishop as soon as he arrives, and to present to him the necessity for the projected Scadding Hall, a residential home for women students of the University planned by the late Bishop Scadding.

After the meeting a program was given by the members of the Dexter Club, the hostesses of the occasion. A dainty lunch was served by Mrs. Bancroft and several of the Mary Spiller girls.

The local Alumnae meet on the second Saturday of every month, and the officers are as follows: Miss Anne Whiteaker, President; Mrs. O. F. Stafford, Vice President; Mrs. Edna Datson, Secretary-Treasurer; Miss Greta Bristow, Corresponding Secretary.

TEXANS INSTITUTE NEW GAME FOR FRESHMAN GYM CLASSES

A new game for the Freshman gym classes has been worked out by the athletic department, at Texas University, which is becoming very popular among the Freshmen. The game, as it is now played, is a combination of football and basketball. The ball is kicked off the same as in football, and the line formation is very similar. As many as thirty can play on a side, and no man can run more than ten yards with the ball. Tackling is not allowed. The most successful method of playing is double and triple forward pass. In the opinion of the Freshman gym directors the game will be very successful, as it keeps all the men in action all the time. Aside from this, it should develop good passing among future candidates for the football team.

Even the University of Indiana has tired of the old-fashioned twostep and waltz. The Hoosier students long for the privilege of following the elusive Teppschore through the mazes of her new art and have petitioned the student council to reinstate the new dances at campus affairs.

TRIPPLE B IS ORGANIZED

Mrs. Parsons Entertains Sophomore Women and Society Is Formed—Officers Elected

Mrs. Parsons, faculty advisor of the Sophomore women, entertained the women of that class at her home Tuesday evening.

Triple B, a Sophomore society, was also organized then. Echo Zahl was elected President, Helen Johns, Vice-President, Marian Tinker Secretary, Dorothy Wheeler Treasurer, Helen Currey, Reporter, and Irma Zimmerman Sergeant-at-Arms. A meeting will be held next Wednesday night at the Kappa Alpha Theta house to make plans for the year's work.

Mrs. Parsons talked with the women concerning their college work and social activities.

DEAN STRAUB PRESIDES AT FRESHMAN CLASS MEETING

The oldest member of the faculty meeting in Villard Hall Wednesday morning. Kent Wilson, Fresh President, did not appear, and as Dean Straub could not locate the Vice-President, he assumed the responsibility himself and directed the meeting.

A motion was carried to purchase numerals for all men who make the various Freshman athletic teams. This is in accordance with previous custom. Thomas Campbell was unanimously elected manager of the Freshman basketball team.

The Freshman girls at the University of Kansas have planned to take long hikes every Saturday in order to become acquainted.

Fairmount College, Kansas, has been closed until after Thanksgiving recess, on account of an epidemic of smallpox. Six members of the football squad have contracted the disease.

An addition to the chemistry building of the University of California is being built at a cost, including equipment of \$40,000.00. It will provide laboratory accommodations for 250 students.

FACULTY COLLOQUIUM PLANS REFORMS IN COLLEGE LIFE

"Faculty and student life in general," was the subject discussed last night at the faculty colloquium, held in the new wing of the Dormitory. The meeting was preceded by a dinner, and 52 people were present.

President P. L. Campbell, Dr. George Rebec, Dr. Joseph Schafer and Dr. Warren D. Smith were the speakers on the program. However, R. C. Bennett, Professor C. V. Dymont and H. B. Miller also spoke.

The matter of formulating a program for the development of University intellectual and social life was left to a committee of the regular speakers and Professor Dymont.

TIFFANY AND BEZDEK GO TO THE NORTHWEST CONFERENCE

A. R. Tiffany and Hugo Bezdek left last night for Spokane to attend a meeting of the Northwest Conference convening in that city, at the Daventport Hotel, on December 4 and 5. This conference combines the regular bi-annual and the managers' annual meetings. The purpose of this gathering is to make out the 1915 schedules for track, basketball, baseball and football, for the institutions belonging to the Conference, which now includes University of Oregon, University of Washington, Oregon Agricultural College, Whitman, and Washington State College.

Two delegates are sent from each of these schools to this session.

CLOTHES FOR 700

Eugene War Relief Association Collects Garments for European Sufferers; Money Also

Since the Eugene War Relief Association sprang into existence about a month ago seven hundred garments for the European war sufferers have been collected.

This organization having for its object the gathering of money and provisions for the sufferers in the present war is headed by Rev. H. W. Davis, of the Baptist church. Miss Beatrice Barker, Secretary of the Association, Mrs. W. P. Boynton, chairman of the purchasing committee, Mrs. P. L. Campbell, and Miss Ruth Guppy, all women connected with the University, are members of the Association.

The supplies collected are immediately turned over to the American Red Cross Association and are then distributed in Europe irrespective of countries unless otherwise designated. The Red Cross Association, however, will handle only new clothing. All second hand apparel is gathered by Mrs. Cox, 510 East Eleventh street.

The Eugene fraternal organizations, women's clubs, and the churches are interested in this work. Contributions were furnished, Thanksgiving, by separate families, one collection made in this way amounting to ten dollars. Students in the Dormitory got together a contribution last week and the local high school donated more than \$29.00.

According to Mrs. Campbell, the poor of Eugene are also being looked out for by this league.

Each Junior girl at the Oregon Agricultural College has two or three Freshman girls under her charge, for whose happiness she is responsible. This is called the "Junior sister plan" and worked out satisfactorily last year. It is contemplated to extend this system to the women of the Senior and Sophomore classes.
