

## STUDENT BODY NETS \$1575 FROM GAMES

### LOSS OF \$575 IN IDAHO, W. S. C. AND WILLAMETTE CONTESTS

O. A. C. Battle Is Most Profitable of Season, Only \$600 Realized Thanksgiving

Team Played	Loss	Gain
Whitman	350	
W. S. C.	75	
Idaho	50	
Willamette	150	
Washington	1400	
O. A. C.	3100	
Multnomah	600	
Total	575	5150
Total Gain		4575
Salaries and Equipment		3000
Net Gain		1575

As a result of the present football season the Student Body will realize a net gain of \$1575.00. This will be applied to the Student Body debt, which was over \$2,000.00.

The O. A. C. game was the most profitable, the total receipts being \$7,000.00, Oregon getting \$3,100.00 of this sum. The Washington game November 14, was the second in the line of profit, netting \$1,400.00.

Out of the total profit, \$4,575.00, a deduction of \$3,000.00 will be made for salaries and equipment. Of this amount, \$2,000.00 goes to Coach Bezdek for his services during the entire year of 1914-15. The equipment includes new suits, medical supplies, and footballs. The installation of the two electric arcs on Kincaid Field also comes under the equipment account.

As a whole, the financial statement this year has a much greater pecuniary value than in years previous. Last year \$1,300.00 was realized from the profits of the football season.

### ASSOCIATION SHOWS STUPENDOUS GROWTH (Continued from page 1.)

Koys says that this report is not complete and that the amount will exceed \$725. Last year, the total number of jobs for both semesters was 155. The books show that 62 jobs were secured in September, 57 in October and 23 during the past month.

The regular Sex Hygiene and First Aid to the Injured lectures are on the program of the Y. M. C. A. this year. Among the Sex Hygiene lectures will be D. W. D. Weatherford, who speaks March 17 on the subject, "Moral and Religious Subjects for College Men." H. W. Stone, General Secretary of the Portland Y. M. C. A., and I. B. Rhodes State Secretary, are also scheduled to speak.

Dr. M. J. Exner, a member of the Y. M. C. A. International Committee, will be on the campus January 25 and 26, and will deliver one of the Sex Hygiene lectures. Doctor Exner was responsible last year for obtaining the services of Dr. Winfield Scott Hall, in the sex series at the University.

Besides carrying on the Association's work on the campus, the Y. M. C. A. has done and is doing considerable extension work in neighboring cities. The Extension committee under the direction of Charles Collier, has scheduled several week-end tours to nearby cities. Cottage Grove, Harrisburg, Junction City, Coburg and Wendling are some of the towns that will be visited.

The sorority house of the Illinois Chapter of Kappa Alpha Theta has been demolished by fire. The blaze broke out at about 8:00 o'clock in the morning, while some of the girls were still in bed. Shortly after the alarm had been turned in the house was the scene of an excited mob of undergraduates anxious to take part in the work of rescue. The damage amounted to about \$2,500; it is expected that the house will be ready for occupancy again next spring.

At the University of Michigan the faculty senate has given the student council full authority to govern the University. Any law which the senate deems improper can be objected to within three days of its passage. A copy of the proceedings of the council must be given to the secretary of the state council immediately following each meeting. If no objection is made within three days, the law becomes effective.

## CASH FOR DEBATERS?

Forensic Council Favors Prizes and a Dual Debate With O. A. C.

At the recent meeting of the newly organized Forensic Council, the raising of a fund for prizes to be given to University of Oregon debaters was discussed. The Council thought that three or four cash prizes besides the alumni medal, would encourage and arouse more interest in debating. The Council thought that two hundred dollars would be a suitable amount.

The Forensic Council decided that this year the University of Oregon should have a dual debate with O. A. C. and a single debate with the University of Montana, besides the debates with the University of Washington and Leland Stanford Junior University, and if advisable, should hold debates with all those universities hereafter. Women's intercollegiate debates were discontinued by the Council because of the lack of co-operation among the women, but it is understood that it will be taken up again if the interest increases as it has during the past month.

The members of the Council are: A. R. Tiffany and Robert W. Prescott and Dr. J. H. Gilbert representing the faculty, Ben Williams the Alumni, and James Donald and Victor Morris the Student Body.

### NEW PROHIBITION LEAGUE ELECTS DONALD PRESIDENT

James Donald, Senior, was unanimously elected President of the Prohibition League, at its initial meeting, Wednesday afternoon.

The other officers are: Vice-President, Bert Lombard; Secretary-Treasurer, Tom Boylen; Reporter, Harold Hamstreet.

The main purpose of the organization is to create interest in the annual prohibition oratorical contests of the state. Heretofore the University has been unrepresented.

Students desiring to organize a one-hour course in practical proof reading for the second semester, please see Professor Allen to arrange an hour. The University Book Store has received practice material and textbooks for a complete course.

Bill Schmidt, a Portland football expert, invented a parlor football game a few weeks ago and placed it upon the market to a limited extent. This scientific game, according to Coach Griffith, of Idaho, fills a long-felt want. The Idaho mentor has purchased three or four sets and drills his men several hours every week on rules and technicalities which must be looked up.

The collection between the halves of the Yale-Princeton game last Saturday for the benefit of the Red Cross netted \$3,927.49. This money will be added to the funds already raised by the Princeton Chapter, and will be turned over to the Belgian Relief Fund. Only about a third of the crowd could be reached on account of the scarcity of ushers. At the Harvard-Princeton game a week ago Saturday, about \$3,800 was collected. It is an interesting fact that approximately 2,000 coins, weighing 140 to 150 pounds, were contributed.

## CO-EDS FINED FOR FLIRTING

Flirting by the Freshman "co-ede" at the University of Pennsylvania is strictly under a ban.

The ban was established by the Sophomore girls. Just why it was not known. But the stringent rule has been laid down by the upperclassmen. Any violation is punishable with a three-cent fine.

It is reported that the Sophomore girls hope to collect enough fines to give a tango party to their admirers in one of the down-town cafes.

M. H. Douglass, the University Librarian, states that there is demand for some copies of Professor Schaffer's "History of the Pacific Northwest," and says that if any students who have copies which they wish to sell, and will bring them to the bookstore, he will be glad to buy them.

Illinois students are bemoaning the fact that they did not heed the advice of President James when he told them to refrain from gambling. While the Indians were trimming Chicago last Saturday a business man of Urbana who was acting as stakeholder for a large number of wagers made on the outcome of the game, left town, carrying with him \$2,500 belonging to the Illini undergrads.
