A MATTER OF COURTESY

An appeal to college students to refrain from so ingracious an act as that of leaving a hall without reason during the address of a distinguished visitor ought to be unnecessary. Nevertheless, after last Wednesday morning's assembly, it is not out of order.

Before becoming a member of an audience, a person should bethink himself carefully whether he is willing to stick until the end, and if he is in doubt, he should stay away.

WE SHOULD GO

The sermons in all the churches in Eugene tomorrow morning will have a common subject, and this subject has been specially chosen for its appeal to students. The series will continue for four weeks.

The Emerald is glad to call the attention of the students to these sermons and to urge their co-operation. The fact that all the ministers of the city are devoting their time, thought and labor to a movement so unique as this, certainly bids for our notice. All of us who are students in fact as well as in residence are interested in religion, either from the appreciative or the interrogative point of view.

CAMPUS NOTES

Gamma Phi Beta entertained with a formal dance Friday night at the chapter house. The decorations were Japanese, the color scheme being pink. The patronesses were: Mrs. A. L. Fuller, Mrs. V. C. Brock, Mrs. A. D. Dunbar, Mrs. A. T. Hill, Mrs. George Currey and Miss Guppy.

Mrs. V. C. Brock, of Hood River, Mrs. A. D. Dunbar, of Astoria, Mrs. A. T. Hill and Mrs. George Currey, of LaGrande, have been spending a few days at the Gamma Phi Beta house.

Mrs. I. K. Knowles, of LaGrande, was a dinner guest at the Gamma Phi Beta house Tuesday night.

Mrs. Holmes and Dorothy Parsons were dinner guests at the Alpha Phi house Thursday night.

Alpha Phi entertained Delta Tau Delta with an informal matinee dance Friday afternoon.

Helen Purrington, Alva Wilson and Gladys Conklin are spending the week end in Corvallis and will attend the Waldo Hall formal.

Rose Sieler and Colton Meek were married Saturday, April 17.

Mrs. Stanley Robinson, of Portland, was a luncheon guest of Delta Gamma Wednesday noon.

Mr. and Mrs. B. D. Hobart (Gladys Graybill, ex-16), of Nampa, Idaho, are being congratulated on the birth of a daughter.

Mr. Leland Townsend, of Portland, and Mr. A. McCumber, of Denver,

were guests this week at the Delta Tau Delta house.

Mona Dougherty left Friday night for Detroit, to attend the Mu Phi Epsilon convention.

Mr. Simpson, of the "Everywoman" company, was a dinner guest at the Dormitory Friday.

"EXCUSE ME"

Parsons and Boylen deserted the Seniors and left them with but three reliable: Huggins, Loucks and Heidenrich, with which to cop the inter-class meet. They managed to keep from being kicked out of the cellar.

Hugins ran a pretty mile against time, negotiating the four laps in 4:24 2-5. "Chet" is going good this spring and is a valuable addition to Bill's championship aggregation.

Doolittle and Phelps, two 'rook' twirlers, are pitching good ball for O. A. C. The Aggies need them, for Culver seems to be in the discard.

Monday's Doughnut game will see two of the best twirlers in the league pitted against each other. Dudley is on the mound for Sigma Nu and Bob Earl for Kappa Sigma.

W. S. C. hasn't got the team she sent against Oregon for the championship last May. They played ragged ball against O. A. C. and managed to win one game.

Oregon's pitching staff isn't going well as yet. Welch is inclined to be wild and don't seem to have as much stuff. Tuerck is hard to beat when his arm is right.

Fee and Cook took second place in Bill's track meet this afternoon. Fee made 24 points and Sam 10.

"Bez" hid himself to parts unknown Friday in quest of members of the finny tribe. In the meantime his conscientious ball club have enacted a couple of farce comedies with Lyle Bigbee and Dick Nelson in the title roles.

Gilmour Dobie isn't quite the success in baseball circles that he has been on the gridiron. It is rumored the wily mentor pulled a couple of "squares" while the boys visited Seattle last week. He can ride quite a ways on his "rep," however.

A graduate of the University of Chicago has returned his diploma and asked to have his name erased from the institution's records. He was informed that only a court order could do that.

The eight national Greek fraternities at the University of Kansas have started courses in Bible instruction, taking for their theme "The Manhood of the Master."

EXTENSION LECTURES

Extension lectures for the week-end will be given as follows:

R. W. Broecker, at the Bailey Hill school, near Eugene, in connection with a standardization rally; Archibald F. Reddie, at Salem, will read "Huckleberry Finn"; Dr. C. F. Hodge, at Multnomah, on "Making the Most of Our Bird Life"; F. L. Stetson, at Thurston, on "Educational Opportunities for Rural Communities"; Dr. James H. Gilbert, at Salem, on "Unemployment and Its Remedies"; Dr. George Rebec, at Alsea Friday night, and at Philomath Saturday night, on "Education and Life."

BEACH TELLS OF FAIR AND WELLS OF FAKIRS

Guides Perform Manual Labor and Enact Kit Carson Role Seldom Says Wanderer

"Take your old clothes," is the advice extended to future University guides to the Exposition by Frank Beach, who, together with Kenneth Moores, returned to Eugene today after spending a month in residence at the Oregon Building.

"The duties of the guides consist mainly in opening crates, setting up exhibits and keeping the building clean. For doing this work, each guide should take old clothes with him," Beach said this afternoon.

"The work is not hard," he continued, "and guides are given plenty of opportunities to see the Exposition. Each week they are given one whole holiday."

"Practically all of the constructive work is completed and by next week all of the foreign exhibits will have been set up.

"Large crowds of people are visiting the fair now. The 'Zone' is three-quarters of a mile long and each evening the street is so crowded that it is all but impossible to make any progress. Those in charge of the fair say that it is a money making proposition.

"The illumination is one of the biggest features of the Exposition. At night the Expo grounds are almost as light as day."

Beach reports that there are many "grafts" being operated. Every person taking a camera into the grounds must pay a tax of 25 cents. Nobody is permitted to carry a tripod inside, as this concession has been sold exclusively to one man. One steamboat company has paid several thousand dollars for the exclusive privilege of landing its boats at the grounds. Even the O. A. C. Domestic Science department is obliged to pay \$1,000 for demonstrating in the Oregon Building.

Poth Moores and Beach will resume their studies Monday.

SOCIAL SERVICE CLASS WILL MEET TUESDAY ATERNOON

The Y. W. C. A. Social Service class, called the Eight Week Club, will meet for the first time Tuesday afternoon at the Bungalow. At present there are ten members enrolled in the class. Anyone interested in this work who would like to join the class may do so by handing in her name to Callie Beck, leader of the club.

A fifteen year old school boy has recently registered for teacher's examinations in Boone County, Missouri.
