

## SIGMA CHIS TROUCE FACULTY FOES 10 TO 0

Dorm Noses Fijis Out 6 to 5 and  
Kappa Sig-Sigma Nu Battle  
Ends Five All

The faculty didn't have a chance against the Sigma Chis last Wednesday. When the smoke of battle cleared, the score stood 10-0 on the Sig side of the ledger. Bullock, slabster for the Missionaries, pitched hot stuff and was held up by his team, while Ayer, of the Faculty, did not pitch up to his previous form.

Bunching hits in the first inning and aided by the errors of their opponents, the Dorm team stung the Fijis 6-5 Tuesday afternoon. The first inning was worth five runs to the Dorm, and though the Fijis settled down after that, they were not able to overcome the lead. Each team plucked three hits. Kuck, for the Dorm, fooled ten Fijis, and an even dozen "Dormers" jumped at Rath-bun's bait.

Kappa Sigma and Sigma Nu played a 5-5 game in the Doughnut League battle Monday afternoon. The game looked Kappa Sigma until the last inning, when the Sigma Nus hit two men in, tying the score. The game will be played off soon.

## EDITORS APPROVE PLAN

Mechanical Side of Journalism Should  
be Given Adequate  
Facilities

Resolutions approving the plan of the Department of Journalism of the University to equip its graduates for work on the country newspaper, as well as on the city daily, were passed by the Willamette Valley Editorial Association, in session at Springfield Saturday.

The Association also expressed to the President and Board of Regents of the University a belief in the importance of the practical business and mechanical sides of journalism and the sentiment that these lines should be given adequate facilities.

This association, of which Professor Allen and Mr. Dymont of the Department of Journalism, are members, is headed by J. P. Hurley, of Forest Grove.

## MISS GILLIES RE-ELECTED AS SECRETARY OF Y. W. C. A.

Miss Mary Gillies, Secretary of the Y. W. C. A., has been re-elected for the 1915-16 college year. This has been Miss Gillies' first year at Oregon, and coming as a stranger to the University, her grasp of local conditions and her able generalship and management of the Y. W. C. A. work here speaks for her ability. Some of the projects she already has under way for the next year are a pageant, to be given out of doors in the early fall, and the establishment of Association classes for college students in the local Sunday Schools.

Miss Gillies leaves here Wednesday night for Los Angeles, California, where she will attend the National Biennial Convention of the Y. W. C. A. She will also stop over at Asilomor on her way home and attend the conference of the employed officers of the National Y. W. C. A. Miss Gillies expects to return to active work on the campus about May 18. During her absence Katherine Bridges will have charge of the Y. W. C. A.

## 600 COPIES OF Y. M. GUIDE BOOK WILL BE PRINTED IN JUNE

Six hundred copies of the new Y. M. C. A. handbook will be printed and distributed in June. The book, which will be similar to that of last year, will be enclosed in a leather case designed to hold the book and the Y. M. C. A. and Student Body tickets.

The staff will be appointed by the Y. M. C. A. Cabinet the next meeting. C. B. Corbitt, as a committee of one, has done all the preliminary work.

The cost, about \$150, will be added to next year's budget, as the agreement made with the Emerald and Oregon prohibits the soliciting of down town advertising.

The University of Iowa is asking the state legislature to establish a school of journalism.

## RETIRING REGENTS MAINTAIN INCUMBENCE

Frederick V. Holman and William  
Smith Say Appointments Are  
Not Legal

L. H. Johnson, Steward of the University, has been notified by Frederick V. Holman, of Portland, that Governor Withycombe's action in appointing C. C. Colt to succeed him on the Board of Regents, and H. B. McKinney, of Baker, to succeed William Smith, is illegal, in his opinion. Mr. Holman declares that the members of the Board hold office until their successors are confirmed by the State Senate, and therefore he contends that Smith and he are still members. Holman asks that Johnson notify Smith and himself whenever the Board of Regents meets, so that they may attend.

The terms of Holman and Smith expired last week, and proceeding on the theory that he could make a recess appointment, the Governor named Colt and McKinney to succeed Holman and Smith. Holman, in his letter, calls attention to the fact that the members of the Board are appointed by the Governor, with the advice and consent of the Senate, and quotes a clause which provides that they shall be appointed "for a term of 12 years and until their successors shall be nominated and confirmed." It is understood that the Governor will refer the matter to the Attorney General.

Bachelor degrees have cost the sum of \$1,079,111 to the class of 1915 at Yale. In the Freshman year the most extravagant student managed to spend \$4,500, while the poorest student, with equally good management, turned in another direction, managed to get through on \$200. The average cost per student in the Sophomore year was \$1,076.

For educational and economical reasons, students and faculty members of Columbia University have chartered a special train for a personally conducted tour to the Exposition. The business manager of the Columbia Spectator will have full charge of the trip and every convenience and comfort will be provided to make conditions as nearly ideal as possible.
