### OREGON RETAINS SHAKY LEAD UNTIL 8TH INNING OF YESTERDAY'S GAME—SKEET BIGBEE'S ABSENCE TAKES BACKBONE OUT OF INFIELD AND MUFFS ARE MANY

By Harry Kuck.  
Yesterday's Game  
Corvallis, Or., May 1—(Special to the Emerald)—Final score this afternoon: O. A. C. 20, Oregon 5.  
Batteries: Welch and Lieuallen; Phelps and Weller.

O. A. C. took the first game of the series, 7 to 3, by bunching four clean hits with two Oregon errors in the eighth inning. The game, which was slow and full of errors, was played before a small crowd, and in the absence of Old Sol.

The Aggies hit Tuerck at will and threatened to score in nearly every inning. The "Kaiser" was wild and ineffective; fast fielding behind him in the pinches, and poor base running by O. A. C., saved him twice earlier in the game.

O. A. C. opened the eighth with the score 3 to 2 against them, and the first man up flew out to Grebe. Loof knocked a puny grounder to Tuerck, who, with worlds of time, threw high and wide and handsome, to first, giving the outfielder life. Weller cracked out his second three-bagger into deep center, scoring Loof. Sieberts grounded to Tuerck, who tried for Weller, both hands being safe. Fryer flew to pitcher, making two down, but Morgan, Goble and Williams hit in a row, and three more scores filtered across. "Buck" Bigbee muffed up a grounder and Goble scored the fifth run of the inning. Smith ended the agony by grounding out to Grebe.

The Varsity got but five hits off "Bicky" Williams, scattered through as many innings. Four errors are charged against the big twirler, two of which counted in the Lemon Yellow scores.

Oregon scored the first run of the game in the second inning. Nelson flew out to center field. M. Bigbee drew a pass and advanced a notch on a passed ball. Wilhelm's effort was a pop fly. Lieuallen walked and Grebe scored "Buck" with a single between first and second.

Bezdek's crew registered a run each in the fourth and sixth cantos, and managed to keep the lead until the

fatal eighth. The team fielded erratically, however, erring eight times.

A single, triple and home run netted the home team but one run in the fifth. Seely singled sharply through the box, Grebe made a nice stop, but heaved wildly to first, and Seely cantered to second. Smith flew out, but Loof tripled between left and center. Umpire Richardson ruled him out for receiving assistance from the coach. Weller knocked a real home run far over Sheehy's head, but neglected to touch third base. Coach Bezdek was on the job and the ball was returned to the difficult corner, whereupon the "umps" again cast gloom into Aggie ranks by waving the runner out.

Four runs to the bad, the coach sent in a squad of pinch hitters in the ninth, but they failed to phase Williams, who finished strong.

### WILLIAM HOLT TO PUBLISH BOOK FOR FUTURE MANAGERS

Mr. William Holt, manager of the 1916 Oregon, will publish a book for the use of future Oregon managers shortly after the present edition is published and distributed.

Mr. Holt plans to put all the information necessary into the book in letter form. The heads of the different departments of this year's book will also tell just what they have done.

This will enable the future managers and those in charge of the different departments to profit by the experience of others.

Coach Nicklas, of Yale, forbids his oarsmen to chew gum, claiming that the habit is injurious to the athlete.

### HOUSE GRADES WILL BE PUBLISHED NEXT FALL

A list of the fraternity house grades for the present semester will be published in one of the early fall numbers of the Emerald of the coming school year, announced Registrar Tiffany yesterday. The records will not be obtainable for publication this spring.

The potato bulletin, issued last month by the University School of Commerce has been sent thus far to 2,250 persons. There has been great demand for it among commercial clubs and banks, for growers in their sections. Copies were sent to all the national banks in Oregon.

### MILL RACE TO RIVAL STREET IN VENICE JUNIOR WEEK-END

Water Fete Will Be Held Thursday Night—No Fake This Time, Says Orput

A water fete at last! Various classes have advertised this feature among their Junior Week-End attractions, but always it has fallen through. Old timers recall that in 1911 Ralph Moores promoted a canoe carnival. A queen of the carnival was elected after the ex-the admirers of the various college penditure of much lucre for votes by belles. As usual, the rain descended and the torrents fell. There was no carnival, and said swains are still wondering what became of their hard-earned.

Then, in 1913, Art Geary scheduled an alleged water fete. It consisted of a few swimming races between ambitious preppers.

"We are going to have a real fete this year, rain or shine," declared Don Orput, chairman of the committee, today. "It will be held on the mill-race in the vicinity of the boat-house, at four o'clock Thursday evening of Junior Week-End. This will enable visitors who arrive during that day to see the show.

"Every fraternity will have a decorated canoe, symbolic of some local event. Then there will be a unique arrangement for music. The committee would like to receive suggestions for other features.

"There will be no swimming or canoe races," concluded the elastic czar of the rooters. "This is an aesthetic and not an athletic event"

### NAMES OF 20 ENTRIES FROM 7 SCHOOLS SENT

Track Is Being Put Into Shape, and Prizes are Provided for Winning "Preppers"

The first batch of entries for the interscholastic track meet, which is to be held on the campus, Saturday, May 15, were received Friday morning by Graduate Manager Tiffany. The high schools from which blanks were received, and the number of men entered from each are as follows: Gold Hill, 2; Medford, 5; Grants Pass, 5; Hood River, 2; Dayton, 4; Amity, 1; and Merrill, 1.

The track is being put in shape, and all other details are being attended to, according to Mr. Tiffany, who states that "we'll have quite a meet here some of these days." Mr. Tiffany expects a lot more entries during the next two or three days, for high schools pretty generally throughout the state are expected to take part in the meet this year.

The winners of first places in the entire thirteen events will receive a gold medal, the winners of second place, a silver medal, and of third place, a bronze medal. The victorious relay team will receive a silver cup, and the school winning the greatest number of points will receive another cup.

Last year the honors of the interscholastic meet went to three Portland schools, the nearest competitor

### NOCTURNAL GORMANDS ROUSE COPS BY FAKE BOMBILATIONS

City Police Garrison Responds to Riot Call When Local "Doc Yak" Kids the Cook

As a result of a college prank, a game of checkers was broken up, a hotel aroused and a riot call sent into the city station last night, when two students undertook to answer the telephone in a local restaurant. It was nearly midnight when Wilnot Foster and Doc Sutton were seized with a sudden longing for some waffles. While waiting for them to brown they entertained the cook with a few hymns of this year's vintage. The phone rang furiously and Frosh Sutton promptly answered it. It was the owner of the hotel on the next floor, who insisted that the noise be stopped. The Frosh tremblingly confided to her that there were 40 or 50 students fighting and tearing up the furniture, and that he was afraid for his life. Would she mind calling the police? Not at all! Promptly the red light at Pearl and Ninth streets went on and cops scurried to the scene of the carnage, one even sacrificing a game of checkers at the Griggs Hotel to race to Ninth. The studes, it seems, had ducked.

University of Indiana: Because the members of an orchestra smoked cigarettes between dances, thereby breaking University rules, the Indiana Union refused to pay the orchestra for its services at the last union dance. As a result, the musicians have filed suit in Justice Bailey's court against the Union for \$16, the amount they claim is due them.

### MANY RELICS OF OLD VICTORIES REST IN GYM

Illustrious Names of Bygone Days Engraved Upon Tarnished Cups; Inscriptions Date Back 20 Years

In the trophy cases and on the walls of the gymnasium rest today relics and records of Oregon's bygone triumphs. On the cups, tarnished and dusty, one may read inscriptions cut there twenty years ago, when Oregon won the "intercollegiate championship."

On some are engraved names which were world famous, as Kelly and Huston. There is a trophy for nearly every year, and in and out among the sixteen cups lie footballs, relics of games won. They date from 1906, when Oregon played and beat town teams as well as colleges.

In various degrees of fadedness, ten purple banners, the prizes from as many Columbia meets, hang on the walls of the second floor.

There also are large boards on which campus track records were formerly printed. For some unknown reason, this custom has been neglected, but some of the old inscriptions retain their interest.

The Council of Deans at the University of Oklahoma will give student government a supreme test during the rest of the semester. The faculty has decided to keep out of any questions pertaining to gambling and let the students suppress the nuisance themselves.

### MOSE PAYNE JOURNEYS TWO MILES IN 9:40, CUTTING NORTHWEST TIME

### LOUCKS STEPS QUARTER IN 50 FLAT—NELSON NEGOTIATES HALF IN 1:58—WINGED ATHLETES PLACE BUT SELDOM—MUIRHEAD IS HIGH POINT-WINNER

Oregon hogged the dual track meet with Multnomah Amateur Athletic Club in Eugene today, scoring 93 points to the clubmen's 32.

Although the day was cold and not conducive to fast time, Mose Payne, without great effort, ran the two mile in 9:40 4-5, and that practically against time, there being no Multnomah immediately after the race. This can do it in 9:37," said the little brown man immediately after the race. This beats the Northwest record, held by McClelland at 9:50, by 1-6 of a minute. The former record, however, stands.

Multnomah was allowed but two firsts, won by Bellah in the pole vault, at 11 ft. 6 in., and by Philbrook in the discus at 123 ft. 4 in.

Loucks ran the quarter in 50 flat, the best time he has ever made on the Oregon track. Also Nelson "came back" after an off-season, tearing off the half in 1:58 2-5—within two seconds of the Northwest record set by himself last spring.

Muirhead also made the high hurdles in 15 3-5 seconds, which is exceptional time considering conditions all around.

In general, Multnomah did not have a look in, and in none of the running events were the Oregon boys crowded.

One race which was expected to be hotly contested, namely the mile, between Huggins, of Oregon, McClure, of Multnomah, and Belding, for Oregon, was an easy victory for Huggins, who traveled the four laps in 4:26 2-5. The following is a summary of the meet:

440-yd. Run—Loucks (U. of O.) first; Bull (U. of O.) second; Wilson (U. of O.) third. Time 50 seconds.

16-pound Shot—Cook (U. of O.) first, 42 ft. 6 in.; Philbrook (M. A. A. C.) second, 40 ft. 9 in.; Fee (U. of O.) third, 38 ft. 3 in.

100-yd. Dash—Boylan (U. of O.) first; Westerfield (U. of O.) second; Hummel (M. A. A. C.) third. Time 10 2-5.

Mile Run—Huggins (U. of O.) first; McClure (M. A. A. C.) second; Belding (U. of O.) third. Time 4:26 2-5.

Two Mile Run—Payne (U. of O.) first; Bostwick (U. of O.) second. Time 9:40 4-5.

High Hurdles—Muirhead (U. of O.) first; Fee (U. of O.) second; Hummel (M. A. A. C.) third. Time 15 3-5 seconds.

Discus—Philbrook (M. A. A. C.) first, 123 ft. 4 in.; Heidenreich, (U. of O.) second, 121 ft. 8 in.; Cook (U. of O.) third, 120 ft. 10 in.

220-yd. Dash—Loucks (U. of O.) first; Boylen (U. of O.) second; Go-rezsky (U. of O.) third. Time, 23 seconds.

Pole Vault—Bellah (M. A. A. C.) first, 11 ft. 6 in.; Fee and Magone tied for second and third at 11 feet.

### FRESHMEN PLAN COMEDY OREGANAS OUT MAY 8

Yearlings Promise Novelty in the Risque Musical Line at Annual Class Hour

"This Way Out," which is described as being a novelty in the way of risque musical comedy and spicy humor, is the mysterious title of the show being prepared for their class hour by the Freshmen under the guidance of Don Newbury, DeWitt Gilbert and Doc Sutton.

There will be a large orchestra of Frosh, to pound out some whistleable tunes; there will be a sprinkling of burlesque, some of the latest wriggles in dancing, a smack of "ten, twenty and thirty" melodrama; and some good singing to balance up the bill. The program from the first overture to the last ensemble is entirely original and distinctly different from any of the previous class hours.

Manager Holt Says Receipts Will Just Cover Cost—750 Copies Printed

"The Oregonas will undoubtedly be here May 8," said William Holt, manager of the 1916 Oregon.

"All but 80 of the 350 pages have been printed, while the binding is all done with the exception of the stamping. The duo-tones have come and they are certainly fine cuts.

"We will just about break even this year," declared Holt. "The sales on the campus, as well as the sales in Portland, have been much better than last year. Another way that we have cut down expense is by ordering only 750 copies, instead of the 1,000 ordered last year, of which 300 are still unsold."

All other information, he said, has been published a dozen times.
