

TENNIS AND HOCKEY ONLY MATCH GAMES

Conflicts in U. O. and O. A. C. Schedules of Women Interfere.

TENNIS OUTLOOK IS BRIGHT

New Material Among Women May Make Old Members Take Notice.

Owing to conflicts in the schedule of sports in the O. A. C. and U. of O. departments of Physical Training, the only match games to be held between these colleges this season will be in tennis and hockey.

Two matches in hockey will be staged early in November, one at O. A. C. and a return game here on the local field. In case of a tie it is probable that a third game will be arranged.

The tennis outlook is especially bright. All of the old players have returned. Several new devotees of the game have already signed up in the Tennis club. It is predicted that Adrienne Epping and Frances Baker, the holders of last years tennis championship here will have to look to their laurels to withstand some of the new candidates contending for that position. The tennis match with O. A. C. will be held at Eugene some time in October.

Miss Thompson, director of Athletics here, in an interview today said that other the sports, archery, baseball, golf and canoeing, will be carried on more or less as practice work this fall, with the idea of playing off inter-class games in the spring for the different class trophies. Basketball, however, will be regarded as a semi-winter sport and will be taken up as soon as the weather is too inclement for outdoor activities. No match games will be played this year on account of lack of organization in this activity at the present time. It is hoped to make basketball an intercollegiate sport next year.

MUSIC DEPARTMENT HAS NEW QUARTERS

The School of Music, with a faculty of 12 teachers, two of whom are new, opened this year in new quarters, the entire Civil Engineering building having been given over to this branch.

The total enrollment of students in this department up to date numbers 60, mostly Freshmen, but Professor Lyman, dean of the School of Music, is expecting double that number. The department has secured Mrs. Jane S. Thacher as instructor in piano. Mrs. Thacher, who is the wife of Professor Thacher of the English department, studied with the best teachers in Chicago and for two years abroad in Vienna, under Leschetzky.

University of Washington.—More than 200 students whose hearts were set on the study of Spanish at the University this year, have been denied admission to the already overcrowded classes. The amazing growth of interest in Spanish is attributed to increased trade opportunities in South America, and the University's inability to cope with the situation is blamed on a depleted exchequer.

University of Washington.—Nineteen hundred and eighty-one students were enrolled at the State University during the first three days of registration last week. Despite this showing, officials of the University believe that the total attendance for the year will be lower than that of 1914-15.

Former President of the United States, William Howard Taft, spoke at 10:15 Tuesday, September 14, in the football bleachers, to members of the University of California and the public, on the subject, "Our International Relationships."

Only 45 per cent of the entering class of Stanford University passed the matriculation examination this year.

team."

Announcements have been made to the squad to this effect and also at the stag mix last night. A schedule will be provided every year for the Freshmen, which will include several trips. Many Freshmen come to college with a smattering of football knowledge and are not educated to a Varsity standard. This plan will give them a chance to make Varsity material out of themselves.

SCRUB GAME SHOWS--

captain, is to blow in from Portland this morning. With Johnny will come a lot of "pep," because the backfield men will have to get in and show additional class to retain their present positions. The great halfback and all-northwest selection for the past two years, will greatly strengthen the team.

No one knows of the whereabouts of Sam Cook, but everyone is hoping to see the big all-northwest giant move his ranger station to this vicinity and camp hereabouts for another year.

ANNOUNCEMENTS

Women Delight in Tank.

The swimming pool in the men's gymnasium is one of the most popular of the University's adjuncts with the women these warm Monday afternoons. Yesterday from two until six a steady stream of bathers invaded the watery sanctum in Hayward hall, sacred to the use of man the remainder of the week. The percentage of women able to swim is over 30 per cent higher this year than last, according to Miss Harriet Thompson of the Women's Physical Department. It is estimated that about 75 girls learned to swim in the University tank last spring.

New Courses in Economics.

A new course is open in Economics and Sociology, including: Charities and Corrections, Poverty, Causes of Feeble-mindedness, Insanity and Methods of Amelioration, Principles of Economics or Elements of Sociology are prerequisites for this course. Classes are Mondays, Wednesdays and Fridays at 9 o'clock, in Room 3, Library, under Dr. Robbins.

Classes Open to Freshmen.

The following courses in the Architectural Drawing Department are open to Freshmen: Mechanical Drawing, Descriptive Geometry, Domestic Architecture, Specifications and Geology of Building Materials.

Books Wanted.

More school books are desired by the Y. M. C. A. Book Exchange. The exchange has many calls for books which it is not able to fill.

Meeting for Fall Track.

There will be a track meeting in the Gymnasium office, Tuesday afternoon, at 4 o'clock, for all those who are turning out for fall work.

Mr. L. H. Johnson, Dr. D. W. Morton and Mr. E. W. Allen were the guests of Mr. A. R. Tiffany at his ranch on the Mackenzie, Sunday.

UNITED STATES EXPERT MAKES SURVEY OF U.

Dr. Capen, representative of the United States department of education, who is now making a survey of the University, says he plans to leave Friday evening and hopes to have completed his work before that time. As to the results of his labors, he says he has consistently refused to make any statement to any paper.

Hockey is being played by the women of the University of California for the first time this fall. Already two inter-class games have been played this fall.

CAMPUS NOTES

A copy of the Philadelphia Courier of November 12, 1836, and a copy of the Daily Evansville Journal, of Indiana, dated May 13, 1863, have been added to the museum of old and new newspaper relics in the journalistic room in McClure.

Delta Gamma entertained Saturday evening with an informal dance in honor of Beatrice Thurston, Grayce Sage, Myrtle Cowan, Helen Brown, Dorothy Dunn and Caroline Alexander.

The patronesses of Delta Gamma were hostesses Wednesday to the sorority and its guests at the Country club. A luncheon was served and dancing followed.

Mrs. Coleman, of Portland, was a luncheon guest Monday at the Kappa Alpha Theta house.

Miss Barbara Nachtrieb, the Alpha Phi visiting delegate, was a dinner guest of Kappa Alpha Theta on Monday. Miss Nachtrieb is a graduate law student of Berkeley.

Mrs. Polifka, a sister of Mrs. Bancroft, is visiting at Mary Spiller hall.

Friday afternoon Gamma Phi Beta gave a trolley picnic at Young's farm.

Alpha Phi entertained Saturday evening with an informal dance in honor of the new pledges.

Saturday evening Delta Delta Delta entertained in honor of the new
