Concrete Action Advised to Alumni By Regents

"Local organization of the Oregon alumni in every community is especially to be urged," says Mrs. George T. Gerlinger, the only woman regent of the University, "if the proposed \$125,000 Women's Building and the Oregon Pageant are to be a success."

"The officers of local associations," Mrs. Gerlinger explains, "can help wonderfully on these two projects by securing money subscribers and arousing general interest. Another thing that local organizations can do is to establish University scholarships in all High Schools of the State."

GRADS DECLARE FOR CONTINUING ATHLETICS

Motion Passed in Annual Meeting Resolving Against Proposed Abolishment.

That the Alumni Association of the University of Oregon take a stand as opposed to the abolition of intercollegiate athletics was the substance of a resolution passed at the regular annual meeting of the association, June 15, 1915. This action was the result of a resolution introduced in faculty meeting early in June by Dr. J. D. Barnett, providing that the University take part in no more intercollegiate athletics after the school year 1915-1916.

Officers of the association who were elected at this meeting are: Walter C. Winslow, '06, President; Mrs. L. T. Harris, '96, Vice President; Josephine Moorhead, '15, Second Vice President; Earl Kilpatrick, '09, Secretary-Treasurer; Leon Ray, '12, Debate Council; Athletic Council, Ray Goodrich, '04, Eberle Kuykendall, '08, and Carl Fenton, '15.

The committees appointed by Mr. Winslow for the year are:

Executive Committee: Carl McClain, '06, Mrs. James Gilbert, '10, Walter B. Dillard, '01.

Committee on Alumni Day: Frederick Steiwer, '06, Ben Williams, '10, Earl Kilpatrick, '09.

Committee on Publicity: C. N. McArthur, '01, Leland Hendricks, '15, Albert Tiffany, '05.

Committee on Cooperation with Commonwealth Conference: E. N. Blythe, '02, Henry McKinney, '07, G. H. Billings '06.

A resolution passed at the meeting favored slating all commencement-time alumni affairs on as near the same day as possible.

Associations of Oregon graduates number ten: The Alumni organizations of Linn County, Roseburg, Ashland, Grants Pass, Medford, Portland and Pendleton and the alumnae associations of Portland Eugene and the State.

DON'T let anyone tell you that you can't get style in ready-made clothes. Anyone who tells you this doesn't know
Hart Schaffner & Marx clothes

Some men have this mild delusion; they've generally been cured by their first Hart Shaffner & Marx suit. We're selling lots of these famous clothes to converts from the merchant tailor idea. We couldn't have done it if the real style hadn't been there.

\$25 gives you a splendid suit; a tailor would get \$50 for the same thing. Others \$15 to \$20
