NIGHTIES AND OSKIES REINSTALL "O" SPIRIT AT RECORD PEPFEST

On Eve of Oregon-Idaho Game, Pepper and Tobasco Prevail in Superabundance.

SORORITIES FEED ROOTERS

President Campbell, Coach "Bez" and "Bill" Speak. 3 Artists Receive Prizes.

(By Walter S. Kennon.)

The Pied Piper of Hamlin visited Eugene about bedtime Friday evening, when 300 pajama and other varied nocturnal-clad Oregon students were piped from their homes and serpented in a writhing line from campus to Willamette street—to sorority houses and back.

Fusillades of rah! rah! Oregon hurtled forth volleys of Oregon spirit, supported by heavier cannonades of oskies, locomotives and "spell Oregon," at every street corner.

The ghostly line was flanked by outriders of clowns, black-face comedians, ballet girls and the variegated combination of costumes invented by the ingenious college student competing for the prizes offered.

A regular progressive dinner was inaugurated on the return march, when the crowding, jostling stream of Oregon pep serpented its path through the sorority houses. At every house treats of all-day suckers, kisses—candy of course—big red apples, hot dogs and sandwiches, popcorn balls, lemon drops or peanuts were handed out to the clutching hands of the ravenous rooters.

At the conclusion of the parade a big noise contest was held in Villard hall. Here the women of Oregon proved their loyalty by turning out en masse to the support of the rooters. President Campbell, Coach Bezdek and Bill Hayward spoke to the students concerning the fighting spirit of the football team.

Yell Leader Batley took advantage of the opportunity to give some much needed rooster practice, and cheer after cheer almost lifted the roof from old Villard.

The following prizes were awarded:

First prize—Fred Moxley, for most unique costume, two tickets to Eugene theatre, tonight.

Second prize—Burney Corbitt, and Ross Giger, one box of candy.

The judges were: Lamar Tooze, Cloyd Dawson and Merlin Batley.

Yell Leader Batley expressed his appreciation of the way the girls aided in instilling the "pep." "I am proud of them," said the musical noise king.

Populace Plea Stays Patriot

Peter Crockett, Erstwhile Orator But Now Pedagogue, Harkens to Petitions.

What, Ho!!—a false alarm? Staunch those salty, scalding tears, O weeping co-ed, lift up your eyes to a new hope, to a commuting of your sentence.

For Peter Crockett, renouncing the warlike tendencies of his illustrious ancestor, Davy, choosing to tarry yet awhile among the cheese factories of Tillamook, renouncing his plan of hurrying to add his heart's blood to the crimson flood that is slaking the thirsty sod of Europe, will not leave for the war until the first of the glad new year, at the very earliest.

Prevailed upon by the earnest plea of the population of the fair city where he sits in pedagogical splendor and where the fond mothers bring their babes out to see him as he passes to and fro about his task of bringing other little ones nearer to the light of fairest knowledge, he will remain there a few more moons—not idle, but studying diligently—so that he may secure a commission in the army of Great Britain—that he may become at once a master of men—an officer.

There yet is hope that Peter and his glorious highland brogue will not be sacrificed on the altar of Moloch.

WILLAMETTE PRESIDENT TO SPEAK AT VESPERS

Combined Men's and Women's Glee Clubs Will Sing Anthems, With Incidental Solos

The first series of Sunday vespers will be held tomorrow afternoon at 4 o'clock in Villard hall. Dr. Carl Gregg Doney, the new president of Willamette University will deliver an address on "The Effect of the War on the Religious Situation in Europe." Before coming west, Dr. Doney occupied the presidency of the West Virginia Wesleyan University, in Buchanan, where he was director of the Y. M. C. A. in that state. He is a Phi Beta Kappa and a member of Beta Theta Pi and Pi Delta Phi. While in Eugene he will be the guest of Dr. Wilkinson, pastor of the First Methodist church, and of the local chapter of Beta Theta Pi.

Fire Damages Engineering Building

Spontaneous combustion of oil-soaked rags beneath a pile of shavings caused a fire in the repair building Thursday morning that endangered the civil engineering building and the surrounding frame structures. The fire had made no headway before its discovery by Robert Fay, a near-by resident, who notified H. M. Fisher, campus foreman, and aided him in extinguishing it with the campus chemical tanks. A slight damage to the floor and stairway was the only loss.

War news will now be received by wireless at the University of Kansas regularly every day. The new station at the University is in direct communication with the wireless plant at Sayville, L. I., and they have contracted to send the westerners the latest news from the front.

AMENDMENTS WILL BE BALLOTTED WEDNESDAY

Polls Will Be Open in Villard Hall From 10 to 2 O'clock.

CHANGE MADE IN NUMBERS

Voting On Measures Will Be By Title. Text Will Appear in Tuesday's Emerald.

Voting in the student body election next Wednesday will be done by the title of the amendments and resolutions only. The complete ballot of amendments will be published in the Emerald Tuesday night, with the corresponding numbers that will appear on the ballots, according to Fred Dunbar, member of the executive committee who has charge of the election.

"Owing to the length of the ballot, if all the amendments, of which there are 16, were printed, it has been thought advisable to place only the titles on the ballot," said Dunbar today. "By reading their Emeralds the students will be able to decide beforehand and the marking of the ballot will be a simple matter.

"Another change that will be tried out will be an extra number at the tops of the ballot, which will be 100 and 101. If a student wishes to vote a straight "yes" ticket, he will mark X between 100 and "Yes." If a straight "No" ticket, between 101 and "No." This will greatly simplify the work of counting the votes for the judges.

"However, care should be used in not marking the numbers 100 and 101, and others on the ballot. In such case it will be necessary to throw the vote out.

"The polls will open at 10 o'clock and will remain open through the noon hour, until 2 o'clock, which will afford everybody ample time to cast their ballots," said Dunbar.

K. N. McARTHUR TO SPEAK

Congressman Helped Establish the Oregon Emerald While at University.

Kirkon N. (Pat) McArthur, a graduate of Oregon, and now a member of congress from the third district of Oregon will be the assembly speaker on October 27.

He established the Oregon Weekly known now as the Emerald, and was known for his support of athletics. He was manager of the track team, assistant manager of football and at one time played football.

It happened that on a return trip from California with the football team, that the Ashland people wanted a game with Oregon, and owing to the fact that some of them were badly bruised up, Pat, the assistant manager, who had never played football, was substituted, because of his "beef." He played end, but nobody could have told whether he was playing for Ashland or Oregon, as he played all over the field.

McArthur was one of the nine men who founded the Sigma Nu fraternity in Eugene.

STICKERS ADVERTISE HOME-COMING DAY

10,000 People Expected; Plans to Meet Housing Problem Under Way.

WILL CANVASS FOR ROOMS

Annual O. A. C.-Oregon Game Promises to Be Made Regular Home-Coming Event.

FOOTBALL O. A. C. vs. Oregon, Nov. 20 Homecoming Day Eugene. Excursions on all Railroads COME!

Fifteen thousand stickers now being printed to advertise homecoming day will be distributed broadcast over the state by students, faculty, alumni, and merchants, according to A. R. Tiffany, graduate manager of the student body. Lamar Tooze has charge of their distribution to fraternities and sororities. Non-fraternity students can get them by calling at the office of the registrar.

They will probably be ready Monday and will be given to anyone for use on letters.

Fully 10,000 people are expected to visit the University during homecoming week.

Some houses are practically assured of two or even three times as many visitors as they can take care of. This brings up the housing problem. It is probable that a canvass will be made among townspeople to find rooms for the visitors.

At the meeting of the student council October 5, chairmen were chosen from this organization to head committees selected from the whole student body to aid in home-

LECTURES WILL BE OPEN

Pres. Campbell Announces Art and History Courses—Program Open to All.

Lectures open to the general public will be a feature of intellectual life at the University of Oregon this year to an extent never before approached. The program for the fall months has not yet been made up, but two complete courses and a considerable number of individual lectures were announced by President P. L. Campbell today.

A new departure is seen in a course on Modern Art in Relation to the Movements of Modern Ideals and Modern Life. This will extend throughout a greater portion of the year, and will include lectures by Prof. Ellis F. Lawrence on "Architecture as an Art," Professor J. J. Landsbury on "Music," and Professor George Rebec on various phases of aesthetics. The first lecture in this course will be given next Wednesday, October 20, by Dr. Rebec. His subject will be "The Mind of Florence, and Leonardo." Later in the course President Campbell will appear as a speaker with proposals for a new organization on which he is now working. These lectures will

"Nicotiners' Rest" Is Straub's Dream

Progressive Dinner Proposed to Start Fund For Lounging Room of Inhalers of Fumes.

Dr. Straub is fathering a new scheme now to provide comfort for those men who are wont to stand at the corner of Kincaid field, between classes and brighten up their ideas by inhaling deeply of their favorite brand of cigarettes.

"The leaves are falling and it would be a shame if these boys were compelled to stand out there in the rain without any protection whatsoever," says the doctor.

"I propose that the sororities hold another progressive dinner to raise sufficient funds for the erection of a building for the use of these boys.

"The building should contain a large fireplace, plenty of lounging chairs, ash trays, tobacco humidors and in fact anything to make the poor boys comfortable."

He also suggests that a sign "For University Students Only" be hung over the door, so that none of the members of the Eugene Bible school will be likely to make the place their favorite hangout.

Senior meeting, Tuesday, 4 p. m., room 24 Deady. Every senior out.

SOCCER PROSPECTS BLUE REPORTS COACH DYMENT

Lack of Material and Loss of Experienced Men Aggravate the Situation

Election of captain for this year's soccer team will take place at 3 p. m. Monday afternoon in the faculty's locker room of the gymnasium. Last season's captain, Neal Ford, will not be back, having entered Stanford University, this semester.

According to Coach Dymont, to whom is credited the introduction of the game here, the prospects for a winning aggregation are poor. Only five of last year's lineup are turning out for practice. Two are devoting their time to football and will not attempt soccer until the end of the moleskin season. So pessimism pervades the soccer camp and all the up-to-date dope is of a rather blue variety.

The would-be squad now consists of 24, very few of whom have been picked from the freshmen. Twenty-five possessing a quality of stick-to-itiveness are needed, so as to insure enough material for two teams.

Triple A Plans Hike and Feed

Plans for a hike, followed by a "wienie roast" on Skinner's butte, were made by the girls of the Triple A at their meeting last Wednesday, at the Kappa Alpha Theta house. The girls will meet at the bungalow, providing the weather is good, at 4:30 p. m., next Wednesday, October 20, and will start from there promptly.

Idaho football men spending the week-end at the Phi Delta Theta are: Captain Brown, Roriger, West, McCormack, Beatty, Lorrason, Bingle, Morrison, Keave and Hayes.

SPECIAL BULLETIN

...Pullman, Wash., Oct. 15.— W. S. C. defeated O. A. C., 20 to 0, this afternoon.

Oregon had the edge on Idaho in every department of the game, and won 19-7 today. The new style of play and less beef was responsible for the great playing of the boys. The back field lined up on a formation every play, at no time using the regular attack. Although the time between plays was slow, owing to the newness of the formations, when in play the team displayed that sought-for speed.

Idaho played similar ball, but did not put in the spirit and fight that the Oregon team had, although at times they displayed brilliancy. The Oregon defense was too much for them, however.

First Quarter

Captain Brown kicked off for Idaho. Huntington returned 15 yards, and carried the ball 15 yards. After making several plays for yardage, Huntington passed successfully to Mitchell for 25 yards, and the ball was Oregon's on the 3-yard line. On the next play it was put over by Huntington, who missed goal. Score, 6-0.

Monteith kicked off to Brown, who returned 10 yards. After trying to make yardage, Idaho kicked 45 outside. Tuerck made 10 yards around end and Huntington added 25 on the other side. Oregon penalized 15 yards for holding. Team marched for 40 yards. Huntington attempted a place kick and failed. Idaho's ball on 20-yard line. Oregon penalized 5 yards for offside. Idaho kicked and Monteith runs back 10 yards. Oregon fumbles. Idaho recovers and Brown makes 10 yards on first play. Oregon held on fourth down and Idaho did not make the required foot. Monteith makes 15 yards, but Oregon penalized 15 for holding. Monteith knocked out. Returns to game. Huntington makes 15 yards around left end. Beckett kicked 60 yards to 1-yard line, where Tegart caught the runner. Idaho kicks to Monteith, who drops but recovers ball. End of first quarter. Score, 6-0, Oregon.

Second Quarter

Oregon made a touchdown immediately on three line bucks for 5 yards and a forward pass from Huntington to Tegart. Huntington kicked goal. Score, 13-0, Oregon. Oregon kicks off. Idaho returns 15 yards. Oregon penalized 5 yards. Morrison ran 15 yards. Idaho attempts a pass but fails. Kick 40 yards to Monteith. Beckett kicks 20
