

## SOCGERITES TO KICK BALL WITH WINGED 'M'

First of Exchange Games to Be Played in Portland December 19.

(By Captain Jimmy Sheehy)

Interest in soccer is increasing every day. Coach Dymont announced last Wednesday that he had closed negotiations with Manager Mackenzie of Multnomah club for the first of a series of two games to be played in Portland December 19. A return contest will be staged in Eugene during the latter part of January or the first Saturday in February.

"Manager Mackenzie told me the club would have a great team and that they fully expected to trim us this season," said Mentor Dymont after returning from a recent visit to Portland. The winged "M" team will remain almost intact from last year and is composed largely of Scotch and English veterans, and recruits from the interscholastic ranks. However, the fast, aggressive collegians were able to hold them to two tie scores last winter, and all but trimmed them on Kincaid in the final game.

Soccer practice has been somewhat interrupted lately due to the fact that the varsity and freshmen football teams have forsaken their murky stamping grounds during the recent deluge for the grass covered baseball diamond. From now on the soccerites will practice every Monday, Wednesday and Friday nights. Plans are being made to utilize the girls' hockey field for practice after November 20. If 50 men will turn out two fields will be used.

## BEN F. DORRIS, FORMER REGENT DIES THURSDAY

Ben F. Dorris, for nine years a regent of the University, was found dead in his office Thursday noon.

Death came as he had always wished it, it is stated. He went to his work Thursday morning apparently in the best of health. At 11:15 a. m., the janitor of the White Temple building saw Mr. Dorris sitting in his chair at the desk, with his hat on the floor, with his head bent forward. Further investigation showed Mr. Dorris was dead.

Mr. Dorris was a member of the board of regents of the University of Oregon from 1873 to 1882. He was also a member of the executive committee of the University from 1876 to 1882.

Mr. Dorris had been a resident of Eugene since 1868. He was born in Nashville, Tenn., December 18, 1829. His youth was spent in his native city. In 1848, when but 19 years of age, he moved to California, visiting different cities in that state. He later settled in Crescent City, where he married Miss Cecile Pellet in 1856.

Two years after he married he came to Eugene. His brother George B. Dorris was then a resident of Eugene and he sent for him. He had resided here continuously since that time.

His first enterprise in Eugene was the hardware business. Later he responded to the call of the Eugene people, and was elected mayor of the city in 1875. He served as mayor for two years, being succeeded in office by his brother, George B. Dorris. Ben F. Dorris was again elected mayor in 1879.

For twenty-two years Mr. Dorris served as city recorder. He was a member of the city council from 1871 to 1873, and was president of the city council from 1879 until 1881.

Elects:  
MAX H. SOMMER,  
MERLIN BATLEY,  
HARRY KUCK,  
MILTON STODDARD.

## BISHOP OF OREGON HERE

Walter T. Sumner Will Speak at Vespers at 4:30 Sunday.

The second of a series of Sunday vespers will be held tomorrow afternoon at 4:30 p. m. in Villard hall. Bishop Walter T. Sumner of the diocese of Oregon, will speak on "Social Service and Good Citizenship Based on Character." Bishop Sumner was in charge of twenty-one of the penal and charitable institutions of the Episcopal church of Chicago and also was superintendent of the city missions of that city.

Special music by the combined glee clubs will be rendered and solos by Miss Perkins and Albert Gillette will be features.

Following is the program for the afternoon:

Processional—"Stand Up For Jesus."

Orchestra Selection—"Last Dream of the Virgin," Massenet.

Anthem—"I Will Magnify Thee, O God."

Schipture reading.

Anthem—"Lo, It Is I," Faure-Shelley.

Prayer—Reverend Griffin.

Address—Bishop Sumner.

Orchestra selection—"From Foreign Lands: Germany."

Recessional—"Savior, Again to Thy Dear Name."

Dean Straub will preside at the services.

## Frosh Overpowered by Sophs

Game to the last, but completely outplayed, the frosh met defeat in football this morning at the hands of the sophs. Score was 27 to 7. The sophs displayed some excellent ivory at times, and the frosh, with their pickups, did some clever work now and then—but it was now and then only.

## WOMEN WILL PLAY INTERCLASS BASKETBALL

Interclass basketball games are to be played between the women of the University some time before the Christmas holidays.

"If enough interest and enthusiasm for basketball is displayed among the girls this year, there is a possibility of having intercollegiate games with O. A. C. and other colleges next year," says Esther Furuset, head of basketball teams.

The following girls have been appointed head of their respective class teams: Seniors, Vera Williams; juniors, Jean Bell; sophomores, Esther Furuset; freshmen, Ruby Bogue.

The games will be played in the following order: Seniors vs. juniors, sophomores vs. freshmen. Winners will then play the winners. A game is also scheduled between the freshmen and the Eugene high school girls' team.

Bishop Walter T. Sumner will lecture on "The Community and Its Magdalene" at the first regular meeting of the Y. M. C. A. Monday afternoon, at 5 o'clock, in Deady hall. Special music will be rendered.

The dope went up a little Saturday when O. A. C. rolled Idaho 40-0. Oregon was only able to score 19-7 against the light team.

## Aggie-Oregon Allies Meet; Friendly Pact Is Passed

Representatives of Two Institutions Meet This Afternoon and Decide on Home-Coming Demonstration—Rooters in Full Strength, Headed by the Military Band, Will March on to the Football Field—Aggies Will Parade in "Unis" and Disprove Supposed Enmity of Colleges

### Students' Pact

The undersigned representatives of the University of Oregon and O. A. C. student bodies, in joint session, have unanimously agreed that the supposed ill-feeling between the two institutions does not in reality exist; but is due to a false impression throughout the state, over which the students of both institutions have no control, as proof of the friendly relations between Oregon and O. A. C., we urgently recommend that the home coming day be observed in such a way as to demonstrate that such a friendly relationship does exist.

G. R. HOERNER,  
Pres. O. A. C. Student Body.  
L. AMAR TOOZE,  
Pres. Oregon Student Body,  
F. K. GREENE,  
O. A. C. Cheer Leader,  
MERLIN BATLEY,  
Oregon Yell Leader,  
MAX H. SOMMER,  
Editor Emerald.  
JOHN M. DOLPH,  
Asst. Oregon Yell Leader.

In a conference between representatives of Oregon Agricultural college and the University of Oregon, resolutions were passed recommending that the obsolete shibboleth of the animosity between the two institutions be demonstrated an anachronism by a demonstration of friendly relations on home coming celebration, November 20.

The joint session took place early this afternoon and was noteworthy on account of the confidence that representatives of both institutions had in the ability of both institutions to clear their names in the eyes of the state.

It was decided that a means of showing the true relationship between the two institutions be given by allowing the O. A. C. rooters to hold a parade on their arrival in Eugene at 1 o'clock next Saturday. It is fairly certain that this feature of the program will meet with approval from the heads of both institutions.

That the Kansas building, now at the Panama exposition, will be moved to the university campus some time this winter, to be used as a social room for the women students, is quite probable.

## SENIORS AND JUNIORS WILL CHASE PIGSKIN

Two teams of football "comebackers" will soon be seen on Kincaid field if the challenge to deadly combat hurled at the feet of the seniors by the juniors is accepted. President of the senior class Batley says that the boys will get together and see what they can do. The battle will no doubt be fought according to the senior leader.

"I can see myself playing a dashing halfback and I have no doubt that we can get together a galaxy of former high school stars that will be able to cross swords with the juniors," says Batley.

Frank Scafe points to the laurels won in last year's sophomore-freshmen game and depends on such stars as Nelson and Bull with a few others to hold up their end.

With a few Fatimas between halves to sustain the players an interesting game from the spectators' standpoint is expected.

## GOLF FIRST OF SPORTS TO RECEIVE APPROPRIATION

At the last meeting of the committee on intra-mural sports \$50 was appropriated for use in fixing up the proposed golf links on the new athletic field. Professor Robert A. Prescott was appointed to take charge of this matter. About three-fifths of this amount will be used to mow the grass. This will be completed by Saturday. The remainder will be spent in making the holes, five in number.

A preliminary meeting of those interested in golf, both men and women, is called for 4 o'clock Friday afternoon, November 12, in Professor Prescott's room in the basement of Johnson hall.

"I am anxious that all the University people interested in this activity shall report to me at the time," said Mr. Prescott. "The links will be ready for use within the next three weeks and some definite organization of the work should be made before that time, so that the students can start in playing."

## EMERALD EXTRA WILL APPEAR SATURDAY A. M.

A big special edition of the Emerald featuring alumni and sports will appear early Saturday morning, November 20 before the O. A. C. game. It will be double size and will have all the football dope and a number of stories of general interest to the alumni. The paper will be distributed at the Portland and Corvallis trains.

Reporters are requested to get their stories in early so that the paper can catch the Portland train. The staff will probably be chosen by that time and if so will be printed in the special issue.

## Students Juggle; Librarians Guess

"Want Something Unbound" Asserts One—and It Wasn't a Magazine Either.

"G-27," said the one of the University librarians reminiscently.

"What's that—signal for a touchdown?" said her friend.

"No, that's what a freshman girl shot over the library desk at me the other day in inquiring for a book. She said she thought that was all there was to it. But I got a worse one than that later. A girl called for 'something unbound.'"

"Go to the magazine shelves," I says.

"No, it isn't there," she says.

"Must be at the bindery then," I says.

"Oh, no," she explained, "it's a book."

"We found that what she wanted was 'Prometheus Unbound.'"

Oregon Agricultural College—A series of Paramount travel films, showing scenes in all the South American countries, with one reel of comedy, will be put on once a week by the Y. M. C. A. during the remainder of the college year. Admission will be free.

## Was Like "Beer," Who Drank It?

Foamy Glass of Yeast Disappears and Chi Omegas Look for a "Raising" Experience

The Chi Omega's went biscuitless to 8 o'clock Wednesday morning. It wasn't the cook's fault. She had made adequate preparation for the matin repast, but some one drank the glass of yeast.

The house mother wasn't guilty, Laura Jerard and Aline Johnson both have alibis—they never use it. Who was it? That's the mystery. But wait! We have an inkling—a dark one!

The girls are on the lookout for a "raising" experience, they expect a "swell" affair, they surreptitiously watch each other for signs of inward agitation, but they overlook one thing. The yeast was foamy from fermentation! In the dark it resembled a German "schooner."

Erna Petzold is a Chi Omega; Erna Petzold is president of the German club.

Erna Petzold is also of German descent?

## WOULD ADD TO GINGER

Y. W. C. A. Plans Big Feed for Interior and Bouquets for Exterior of Alumni and Students.

Three thousand sandwiches enclosing 75 pounds of ham; 50 pounds of coffee, and a good-sized bunch of doughnuts is the total of what the Y. W. C. A. plans to cajole the home-comers into putting away before and after the game, November 20. Besides edibles, the Y. W. C. A. will handle yellow chrysanthemums, described by the girls as "fluffy, long-stemmed, and nearly as big as pie-plates." The purpose is to convince students and alumni that a bouquet in the hand and a sandwich on the interior adds to natural ginger and loyalty.

These commodities will be sold from decorated booths, attended by relays of girls. One booth will be near the railroad on Eleventh street and probably two others will be on Kincaid field. With the possible exception of the coffee, the Y. W.'s supplies will be ordered through local firms.

Orders are being taken for the chrysanthemums even now. Single blossoms sell for 25 cents. In large orders, as for table use, they are cheaper.

The Y. M. and Y. W. are co-operating on the home-coming day sale. The men will handle pennants and arm bands, in place of flowers.

### Dedicatory Services to Be Held

The executive committee of the board of regents has authorized the University to conduct appropriate services for the formal dedication of Johnson hall, on Saturday, November 20, at 10:30 a. m. The program will be issued in a few days.

This building was named after Dr. John W. Johnson, the first president of the University. Dr. Johnson was president from 1876 to 1893. He was also professor of Latin and Greek from 1876 to 1882; professor of Latin and ethics from 1882 to 1895; professor of Latin from 1895 to 1898.

University of California—California now has the most complete score board ever used for a football game in these parts. The score, the quarter, the minutes to play, who has the ball, the downs, the yards to go, the player making he touchdown, and the player kicking the goal are shown.

## HOME-COMING PLANS NEARING COMPLETION

Alma Mater Day Enthusies the Whole State and Will Be Eugene's "Biggest Day."

## "EVERYBODY HAPPY" IS AIM

O. A. C. Officials Meet With Committee on Details of Co-operation of Institutions.

Alumni from every part of the state are planning to return to their alma mater for home coming day.

President Prince L. Campbell spent two days in Portland this week, and he says that the alumni with whom he talked are enthusiastic over the home coming idea and that almost all of them will be on hand for the festivities.

"The railroad company has arranged to add a special car to one of the special trains out of Baker, Oregon, away in the eastern part of the state," said Graduate Manager A. R. Tiffany. "When the old 'grads' who are in the far corners of the state plan to come in for this affair, it certainly shows that they are back of the school and that they are still interested although not now in actual attendance."

The University band will meet every special train and will welcome the alumni home with Oregon music and yells.

The Eugene Commercial club has offered its rooms for the use of the University alumni and friends during the week-end.

The Eugene Automobile club has promised that 100 autos will be available on Saturday to convey the "grads" from the trains. On Sunday, through the kindness of Rev. A. M. Spangler, the alumni will be driven over the town and around the campus, sometime between 10 and 11 a. m., previous to the church services. If it is fine weather, the combined glee clubs will give a concert in the open air on the campus at this hour. If it rains, this concert will be held in Villard hall.

The Commercial club is behind a movement to decorate the town. Co-operating with the local alumni, they will carry out an elaborate scheme of decoration in the business section. Streamers in the colors of both colleges will be used.

Merlin Batley is working up the details for the rally Friday night.

"Every fellow must have a rooter's hat for the game," said Batley. "The parade on Friday night will start at 7 o'clock sharp from the men's dormitory. The line of march will be through the downtown district and up to the athletic field. The purpose of the serpentine is to arouse spirit and not to tire the fellows out. It will be short and not tiresome or hard on the fellow's voices."

There is some talk of having the bonfire before the rally, instead of immediately afterward, as has previously been the case. This has not been definitely decided upon. If it should be held before the stunts at Villard, it is planned to have the serpentine reach the fire when it is at its height. Last year the townspeople complained of having to wait until too late for the blaze, and the committee is considering this change in the order of the rally.

At Villard there will be speeches by Coach Bezdek, Trainer Bill Hayward, Captain Cornell, members of the team, Regent Ray Goorich, and other alumni present. Every man's organization will put on a stunt, as usual. This year the girls have planned a stunt, which will also be

(Continued on page four)
