

### LETTER MEN BARRED FORM OWN CLIQUE

#### Outlawed Tossers Flaunt Defiance to Class and Interfraternity Quintets.

Chagrined at being ostracized from both interfraternity and class games, due to the ruling that no varsity men should be eligible, six star upperclassmen basketball tossers have organized a team of their own. Lyle and Skeet Bigbee, Chet Huggins, Glen Dudley, Glen Wheeler and Chet Fee compose the aggregation that hopes to take the scalps of all other fives about school. They have dubbed themselves the intra-mural team.

"We will challenge any quintet in school," said Glen Wheeler when asked concerning the team's plans. "We would especially enjoy a tangle with the faculty to show them the many benefits to be derived from intra-mural sports."

"We expect to play the Doughnut league champs, and we can promise any of the class teams some stiff scrimmage when desired. At present we are trying to gain admission to the city league, which is about to be formed."

#### Team of High Calibre

The high calibre of the team is attested by the fact that every member has played the indoor sport before. Lyle Bigbee, captain of this year's ill-fated varsity squad, worked under Coach Bezdek for two seasons. Skeet was the unanimous choice of all critics for an all-northwest forward position last winter. Dudley, Fee, Wheeler and Huggins have all dribbled and passed the ball while wearing varsity colors.

The intra-mural squad is a likely looking outfit. What they want now is games, for, as Lyle would put it, "We're hungry for raw meat."

### NATIONAL LAW 'FRAT' INSTALLED TONIGHT

#### Delta Theta Phi Initiates Large Class Tonight. Banquet Follows at Hotel Osburn.

Delta Theta Phi, one of the four national legal fraternities in the United States, is being installed this evening in the law school of the University. The charter was granted last fall to Phi Sigma, a local law society on the campus.

A banquet will be given at the Osburn hotel at 7 o'clock and the initiation and installation will follow. Harry Peace, an attorney of Portland, graduate of Georgetown university, near Washington, D. C., and district chancellor of Oregon, Washington, Idaho and Montana, will be assisted by Donald Young, a local attorney and alumnus of Minnesota, Ralph F. Read and Rudolph W. Cabell of Portland and Seth Smith, a member of the fraternity, who is attending the University.

Delta Theta Phi was founded at Centre college, Ky., in 1858 as Alpha Kappa Phi. It was re-organized in 1900 at Northwestern university as a strictly legal fraternity, it including academic students previously. It has 40 chapters in the United States and is the second largest. Several prominent legal men of the nation are members, including Chief Justice White of the United States supreme court, and Associate Justices Holmes and Day. Governor Frank Willis of Ohio is also a member.

The University initiates from the law school are: Dr. E. P. Hope, dean of the law school, J. B. Avison, Chas. H. Collier, H. Elmer Barnhardt, Sterling B. Spellman, Graham McConnell, Marsh Goodwin and Herbert Lomard.

### BARITONE SINGS SONG

Request Made of J. C. Monteith, Baritone Soloist of Philharmonic Society, to Repeat Song at Concert.

John Claire Monteith, who will sing the baritone part in "The Rose Maiden," on Tuesday evening, will make his third appearance in Eugene. At one of his former appearances as soloist with the men's chorus, Mr. Monteith sang his famous song, "Lorraine Lorree." Many who heard him at that time still remember him by the song, and he has been requested to sing it again on Tuesday evening. He has consented to do so. When Mr. Monteith sang this song in Victoria, B. C., the press of that city said "Lorraine Lorree" established for the singer a reputation which will bring him a welcome whenever he cares to appear in Victoria again.

#### Plot Is Pretty

The cantata known as "The Rose Maiden," by J. Frederick Cowen, that will be given at the armory next Tuesday night, has a plot that is unusually pretty.

#### Spring Bestows Love

The Queen of the Flower Fairies, weary of a life of unbroken calm, prays of the newly returned Spring that he will bestow upon her also the gift of love that he bestows upon man. He warns her of the risk she runs, but finally yields to her entreaties by changing her while she sleeps into the form of a beautiful girl. Under the name of Roseblossom, she wanders through the world to find the love that she seeks, and meets with a girl who, having been betrayed and deserted by her lover, loses her senses and dies broken-hearted. But, undeterred from her search, Roseblossom becomes the wife of a forester, with whom she lives for a time in such perfect happiness that she cannot survive his death. The elves bewail the fate of their queen, and curse love as fatal to peace and happiness.

### FOULING LOSES GAME FOR "FROSH" CO-ED QUINTET

The freshman girls' basketball squad was defeated, 13 to 10, by the Eugene high school girls' team yesterday afternoon in the high school gymnasium.

The teams were evenly matched and the game was a lively one throughout. Fouls, which were called on Oregon time and again, may be accounted for as the freshmen's downfall.

During the first 15 minutes, at the end of which time the score stood 4 to 1, in Oregon's favor, it looked like an easy victory for the freshmen, but in the second half, to the end of the game, the high school girls played fast and furiously.

Harriet Garette did the star playing for the University, while Lois Hall and Maud Lombard were the star players for Eugene. The lineup:

E. H. S.—P. Maud Lombard; F. Leticia McDowell; C. Lois Hall; C. Thelma Watson; G. Eunice Pearce; G. Ruby Garatt.

Freshmen—P. Hazel McDonald; F. Hazel Rankin; C. Ruby Bogue; C. Louise Clawson; G. Dorothy Childs; G. Harriet Garette.

The east may meet the west in debate. Columbia university is considering accepting a challenge sent to it by the University of Southern California during the holidays.

### Perfect Percentage Marred (Continued from page 1)

aided by more luck than anyone else ever had in the world, grabbed a number of baskets and the game was won by a score of 10 to 6.

Then the fast Kappa Sig team took the King-Iota Chi team into tow by a 19 to 9 score. The Sigs displayed much of that stuff called team work and left the Iotas with about that much chance. Woods, Elliot, and Fox certainly make a good combination for their respective positions, when they get to playing, but are not inclined to be overly consistent.

The A. T. O.s staged a good party with the Fijis, and finally won near the end of the game by throwing a foul, the score being 11 to 10. It may be characterized as a hard-fought game, with each team depending more on brute strength than upon any ability to shoot baskets or do any real basketball playing. Nelson and Risley at times kept the crowd interested with their little play around the center position, and strange to relate, they both hovered about this position when doing football work. A men can't get away from bad habits.

The last game and the slowest of the day was that handed out to the onlookers by the Oregon club and the Betas, which the former won, after an unusual display of rotten work, by a 7 to 5 score. No one seemed to be able to locate the basket, and most of the time they did not even try, but just shot and walked away.
