OUT FROM UNDER
 RALPH A. H. likes his part in "The Fortune Hunter," but I think that Merlin Batley has the most variety.
 "Bez" HAS a good baseball team. Wonder if he couldn't stand an awkward southpaw hitter or two.
 THE OCTOPUS is a true organ of public opinion and wouldn't indulge in innuendo. Who did you mean in that first editorial?
 WHO KNOWS why Mr. Tiffany went to California?
 SOME OF the boys got cold from the draught that oroles the running track at the men's gym. They ought to close the windows at night.
 ANY ONE here remember the "Triple A" red devils about three years ago?
 MISS BURGESS looked stunning in that dress suit of Dymont's. Think we'll try to borrow a vest.

PREXY CAMPBELL officially denies that he has any iniquitous traffic with Hornbrook. We believe him. They sell a better grade in Frisco.
 WE MIGHT like Ruddle as a producer of amateur plays better than Mott, and then again we "mott" not.

CUES
 (By Echo Inuo Zarl)

Tom Boylen sent the Kappa Epsilon boys a pork last week and they have been pigging ever since.

SOB STUFF!
 Military movement,
 Pretty sad, I fear:

 Shed a volunteer.

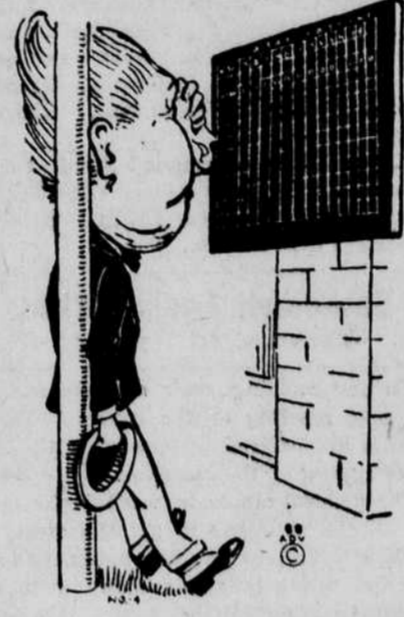

The Oregonian says: "What if the feet of the co-eds are bad. The feet are not all of them." Oh! Oregonian, Oregonian! You know not what you say!

Have you ever noticed how many men pink of condition is beyond my im- are taking the bird courses?

How colored athletes can get in the agnitive powers.

COMPELLED TO CHANGE COLORS.
 Trinity College of Sioux City, Iowa, has been compelled to change its colors because of the shortage of German dye-stuffs. Blue and gray will be substituted for purple and yellow.

RUSSIAN PRESENTS FLAG
 Escaped Political Prisoner Gives Lectures About Siberia and Political States of Russia.
 Lieutenant Swartzkopensky, the Russian political prisoner who made a thrilling escape from confinement in Siberia has presented the student body with a large American flag. The flag will be officially received by President Lamar Tooze.
 Friday night he appeared before the annual Sigma Delta Chi smoker and presented some first-hand information on Russian politics and the revolutionary movement there. Sunday afternoon and evening he addressed a large audience in the Eugene theatre on "The Black Walls of a Siberian Dungeon. Today at 4 o'clock in Villard he talked to the University students and faculty.

RED PEP'S PHILOSOPHY

 "Of all sad words I've heard about, the saddest are these. Your team struck out."
