

TEN TIMES TEN?

"JIM" CELLARS.

We find many Biblical allusions amid the poetizing of D. Gilbert, the w. k. canery poet. Taken in conjunction with some other things we are suprised. They are all around the campus,

Each as busy as a bee, They're running up and shaking hands, With everyone they see. What, oh what, are they doing? 'Tis plain as can be They're going around and boosting Their pop-u-larity. We hereby announce that owing to an overwhelming modesty and a lack of the proper attire, that we must decline the popularity nomination so kindly tendered

us by the student body and faculty.

We hear that Howard McCulloch will be the next president of the Woman's league.

Student Sentiment.

There comes a time In this fair clime Called Junior week-end.

We'd love to sneak, So to speak, From Junior week-end.

Who will explain Why it will rain On Junior week-end.

If we could tell We'd say to With Junior week-end.

LARGE TURNOUT FOR CREW.

More than 100 women have turned out for crew at the University of Washington, 55 of whom are freshmen.

ALUMNI ARE OPPOSED TO MOVING SCHOOLS

Lane County Graduates Pass Resolution Against Proposed Division of University.

The Lane County Alumni association passed the following resolution opposing the moving the the University professional schools to Portland, at its monthly meeting April 19, at the Eugene chamber of commerce.

"Whereas, a movement was begun recently to transfer the schools of law, architecture, commerce, journalism and music from the University at Eugene to Portland, and

"Whereas, it is the sentiment of this organization that it would be a serious mistake, and an illogical move, to scatter these schools away from the University itself,

"Be it therefore, resolved, that the alumnae and alumni of the University residing in Lane county, be and are opposed to such movement, and

"Be it further resolved, that a copy of this resolution be sent to the head of each school involved, and to the alumni associations of the state."

About twenty alumni were present at this meeting.

The Portland alumni plans for reorganization were given and discussed.

A committee of five will have charge of the entire Lane county alumni program for alumni day, June 3.

NOTICE Junior class meeting at 4 p. m., in Prof. Howe's room, in Villard, Monday afternoon.

TEN YEARS AGO

(From the Oregon Weekly of May 7, 1906.)

The opening game for the Oregon baseball team resulted in a victory for Willamette University, seven to six. During the first two innings the Oregon men tried balloon sailing with the result that their Methodist friends crossed the rubber four times and cinched the game, the cause of which was two hits and five misplays with a stolen base dumped into the mixture. Oregon's lineup was: Hathaway, 3d; Paine 1st; Brown, c. f.; Kelly, c.; Chandler, l. f.; Hobbs (capt.), 2d; Johnson, ss.; Ramp, r. f.; Beck, p.; and Hurd, p.

Henry McKinney, '07, the big man from Baker City, has almost electrified his friends and fellow students by putting the 16-pound shot 45 feet 3 1/2 inches. One good feature about McKinney's shot putting is that he is consistent in his puts.

It is the intention of the baseball management to secure a few games with teams such as Cottage Grove, Roseburg, Springfield, Junction City and Albany.

Next Wednesday the students will meet to nominate officers for the student body of 1906-07. We trust that some real genuine old Oregon spirit will be shown next Wednesday. Get some ambition and do something. A good list of strong candidates is imperative. Be prepared when the meeting is called to nominate your candidate.
