"MOOSE" HUIRHEAD WINNING THE HURDLES.

The man who holds the N. W. High Hurdles record.
(Courtesy of Oregon Journal.)

A new departure which won instant favor with the co-eds was the original placing of a beauty spot used by Mr. Chester Anders Fee as the final touch in the ensemble of his attire. It was artistically affixed to the left side of his right limb a little above the kneecap.

Damon, O. A. C's crack javelin thrower

evidently raided the Women's gym before the meet. He appeared on the field in Bloomers!

Did you notice Prent Brown and his cane? Roberta Killam was afraid that he was going to Bean someone with it but Bobby kept out of the way.

Makes Students Stop, Look, Listen

Faculty Team Is the Only One Assured of a Place in Doughnut Finals.

There is only one team assured of a place in the final of the Doughnut baseball league series. First it nosed out the Kappa Sigs, then it played the Sigma Nus to the tune of 17 to 1. Who says we have an old and foggy Faculty? Our team of knowledge dispensers may be a little creaky in the joints and short winded on the bases, but they sure have made the youngsters stop, look and listen.

The faculty is scheduled to play either the winner of the Sigma Nu versus Sigma Chi game or the victor of the Iota Chi versus Fiji contest. The time for the games has not yet been set. Bernard Breeding, president of the interfraternity athletic council, announced today a meeting of the council, to be called for at the earliest possible date next week to revise the schedule. At this meeting a date for the interfraternity track meet will also be arranged.

"BILL" PREDICTED RESULTS

"I Am Sure of 100, Half-Mile, Mile, High Jump, Javelin, Hurdles."

Coach Hayward was terribly nice to one of our reporters Friday and told her just what he expected his men to do. "We will win, I am sure," said "Bill." "Two months ago I wouldn't have given two cents for Oregon's chances in any meet. But today I am confident that we will win. The boys have worked faithfully and hard under the most adverse weather conditions and under big handicaps."

"The events that I am sure of are the 100, the half-mile, the mile, high jump, javelin and the hurdles."

"We will take first and third places in the mile" he went on, "I concede the 220 and the 440 to Kadderly, and the shotput to Johnson although Fee will make him go some to win. The pole vault according to past performances will be a terrific struggle between Fee and Sutherland. If the relay has to decide the meet—which I hope it will not—I have enough men to win it."

WIN DOUBLES, LOSE SINGLES

Varsity Tennis Team Plays First Tournament of Year.

The varsity tennis team played its first tournament of the year Friday afternoon when it took on the Eugene Country club for a singles and a doubles match.

Bert Prescott of the University faculty played singles for the country club against Roscoe Hurd, winning them six two, six one. Hurd played in place of Wilfrid Hays, third man on the tennis team who was unable to play.

Lewis and Paul Bond played for the varsity defeating H. C. Auld and Professor Fred Ayer. This is Lewis Bond's third year on the team and Paul's second.

The varsity will play the University of Washington here two weeks from this week-end.

T schedule of pre-Washington-match

CO-ED BALL GAMES LATEST AT OREGON

One Girl Rests; Batter Takes Mean Advantage; Four Scores Pile Up.

Nowadays women invade everything. At Oregon the latest is women's baseball. A "Doughnut" league has been formed and teams entered from the sororities, Oregon club, Mary Spiller hall, and the faculty. Three of the series have been played.

Tri Deltas vs. Kappa Alpha Thetas. Kappa Kappa Gammas vs. Mary Spiller hall.

Oregon Club vs. Gamma Phi Beta.

Chi Omega vs. Faculty, May 16, 10 a.m.

The Tri Delta vs. Theta game resulted 9 to 7 in favor of Tri Deltas. Good team work won this game for the Deltas. Six runs were made in the third inning.

Mary Spiller won from Kappa Kappa Gamma 15 to 13 in less than an hour of play.

Oregon Club walked off with a game from Gamma Phi Beta to the tune of 37 to 3. The very first inning netted the Oregon club 14 runs homewhile in the third they sought to establish a record so brought home 16 runs. The Gamma Phis were somewhat taken off their feet by their warm reception at the hands of the Oregon club and so did not make an exceptionally good showing. 'Twas rumored that the holder of the first bag became tired and sat down to rest and the batter taking a man advantage of the unpreparedness sent a neat fly directly over first base. It became necessary for the reستر to rouse from her repose and chase the ball but meantime four scores were chalked to the credit of the opposing team!

games has been arranged by Lewis Bond, tennis captain, to provide adequate practice for the team. The first of these was played today at four o'clock with Brown and Davis, holders of the double championship of Jefferson high school of Portland.

The University track team had new trunks tastefully bound in green ribbon for the O. A. C.-U. o' O. track meet.

Did anyone notice Joe Knowles Detmering, from Dayton, in the meet.

(Courtesy of Journal)
RAY STAUB

Much regret was expressed at the meet were especially disappointed at not seeing him display his equestrian accomplishments on the athletic field. Favorable comment was heard on all sides, however, on the perfect fit of his puttees and riding breeches.
