

BACHELORS WILL MEET

Will Discuss Proposition of Forming Club.

President Campbell Declares University Bungalows Un-necessary Now.

Hearken, all ye student bachelors! All ye who concoct your own biscuits and "perk" your own coffee, hearken!

There will be a meeting of students of the University, who are batching, Tuesday evening, October 10, at 7:30 in President Campbell's office. At this time the proposition of forming a student bachelor's club will be discussed. At the same time the matter of securing buildings close to the campus for student bachelors will be a topic of discussion.

Last semester, agitation was started for student bungalows to be built by the University and furnished to men who desired to batch at a very low rate of rent. Owing to the numerous desirable houses near the University campus this year, which are rentable, it is not deem-

ed necessary by President Campbell to build bungalows at present.

Between fifteen and twenty men are doing their own domestic duties and attending the University. Some of these men are active in athletics and other college affairs as well as being good students.

TENNIS TRYOUTS PROGRESS

Good Material for Women's Team. New Courts Not Yet Finished.

The tennis courts south of Kincaid field will not be ready for use this week, according to Adrienne Epping, tennis manager for 1916 and 1917. The method of preparation consists of a thick coat of crude oil over finely crushed rock, the courts being rolled between each of the five or six repetitions of the process. At the present time the courts are puddles of crude oil and the ground is extremely soft making a successful game an impossibility. White shoes and duck skirts are hardly recognized after an attempt to use these courts and besides this there is a very disagreeable odor from the sun on the oil.

Because of the condition of the courts the progress of the tennis players has been slow and the new material is yet to be looked over for a prospective tennis team. Last year the tennis club arranged for the tournaments but in the future they will be under the supervision of Miss Cummings, according to Miss Epping, who holds the championship of the University for women's singles. There is a rumor that if this action is taken the tennis club will disband and interest in this sport will be less keen than formerly. It is believed there is a great deal of promising material and in order that interest may be created there will be a squad of the eight best players whose ranks will be changed with the development of new players. It is from this squad that the varsity team will be chosen.

40 AT GERMAN MEETING

Club Elects Officers. Will Stage Play in Near Future.

About 40 students were present at the first German club meeting last night. The following officers were elected for the first semester: Hertha Hansen, president; Curtis Beach, vice president; Mary Hislop, secretary and treasurer; Beatrice Thurston, reporter.

Plans were discussed for the coming season and it was decided to give a play, "Der Meisterschaff" was selected and will be staged in the near future.

After singing German songs and arranging for the next meeting in two weeks at the Bungalow, the meeting adjourned.

NEW DEPARTMENT FOR Y. W.

Practical Service Committee Appointed; Helen Brenton Elected Chairman.

Girls wishing employment will please call upon Mrs. Onthank, at the Y. W. C. A. Bungalow on Monday, Wednesday or Friday morning or Wednesday afternoon, or see Helen Brenton, chairman of the practical service committee.

Mae Harbert has been chosen chairman of the meetings committee of the Y. W. C. A. to fill the vacancy caused by the resignation of Jennie Huggins, who is unable to complete her term of office due to pressure of college work.

A new department of Y. W. C. A. was created to fill a need for practical service. Helen Brenton, a sophomore, was elected chairman of this committee which is to be known as the Practical Service committee. The two appointments were made Wednesday evening at the Bungalow by the cabinet sitting with Miss Fox, dean of women, and Mrs. Karl Onthank, temporary association secretary.

"To get every girl in the University in the Y. W. C. A. is the aim of our organization for the coming year," declared Louise Allen, president of the association. "We are going to help the high school Y. W. more, too," she said.

A regular meeting was held Wednesday afternoon in the Bungalow, and, according to Miss Fox, every one who wasn't there missed something worth while. The subject was "The Poetry of The Bible." Miss Mary Watson had charge of the discussion.

MOTT TO COACH PLAYERS

University Club Will Present One Play Each Semester.

At a meeting of the University players at the Gamma Phi Beta house last Thursday evening, plans of the club for the coming year were discussed.

Alex Bowen, president of the club, is looking forward to a successful year for the organization. "We expect to stage one play each semester," said Bowen, "and have obtained the services of James Mott as coach for the first production."

Mr. Mott is already well known in University circles for his productions of "Brown of Harvard," "The Fortune Hunter," and "Arizona."

The plays to be staged have not been fully decided upon, but it is hoped that the club will be able to obtain "Come out of the Kitchen," a play by A. C. Thomas, dramatized from the novel of that name by Alice Duer Miller.

TENNIS COURTS FINISHED

Out of 116 Who Are Turning Out Fifty Have Never Played Before.

The new tennis courts have been completed and the out-door detachment is hard at work. Miss Hazel Rader, of the physical training department, reports that of 116 tennis players, about fifty have never played the game before. About 30 girls are out for hockey and about 35 for both archery and golf. Twelve girls are taking canoeing.

Alice Baker who was injured last week while playing hockey is recovering and will be on the campus again in a few days. Her injury was not as serious as was reported at first.

Willamette Game (Continued from page one)

eleven. Radcliff, and Procter along with The regulars literally walked all over the frosh and tore their line to shreds in Wednesday night's scrimmage session. Shy and Hollis Huntington, along with Montie and Jensen showed a flash of last year's scoring machine by plugging through the bulky neophytes at will. Shy Huntington zig-zagged his way the length of the field on three different occasions. Mitchell, Bartlett, and Risley played havoc with the first year offense and were bulwarks on the defense.

As an appetizer for Saturday's melee Dean Walker's yearlings will tackle Eu-
