FRESHMEN SMOTHER EUGENE HIGH 51-0

Steers Makes Touchdown in First Three Minutes of Play.

Frosh Rip Prepers' Line at Will; Steers Is Star of the Game.

Plowing through their opponents' line at will, the Oregon freshmen smothered Eugene high 51-0 in the first football game of the season yesterday. The lighter and less experienced eleven was no match for the strong team Coach Walker has developed. The heavy Oregon backs ripped the Eugene line to ribbons, making from five to 30 yards on every down.

Bill Steers, the husky lad from The Dalles, stood out as the particular luminary of the day, time and again tearing off long runs and shaking off tackler after tackler. He scored three of the freshmen's eight touchdowns.

The first touchdown came after three minutes of play, Steers being shoved over the line. Toward the end of the quarter Mast broke away around left end for 30 yards and planted the pigskin behind the posts for another score.

In the second quarter Reinhart made a nice run of 50 yards and then plunged over for a score. "Brick" Leslie blocked a kick in this period which Strowbridge recovered. On the next play he made a touchdown.

The second half was almost a repetition of the first except that Eugene offered a little more stubborn resistance. Scaife and Foster made first down for the high school once, the only time the prepers were able to make yardage.

The freshmen attempted nothing but simple line bucks and end runs with a few forward passes sandwiched in. Oregon did not punt once. The Eugene offense was powerless against the heavy Oregon line, many times their plays being spilled before they could get under way.

Anderson, Benefiel and the entire backfield shone for the first year men while Newman and Scaife were most in evidence for the town boys. The lineup was as follows:

Freshman-center—Laughlin; guards, Benefiel, Berg; tackles—E. Leslie, B. Leslie; ends—Anderson, Wilson; quarter—Steers; halves—Mast, Reinhart; full—Strowbridge.

Eugene-center—Friends; guards—P. Campbell, Bradway; tackles—Callison, C. Campbell; ends—Quinner, Hoffer; quarter—Scaife; halves—Brandenberg, Newman; full—Burton.

Substitutions—Foster for Brandenberg, Ellis for Laughlin, Maulkey for Mast, Stahm for Wilson, Brown for Benefiel, Brattain for Berg.

TEACHERS WILL SPEAK.

60 yards for his fifth score. He added the extra point each time.

The rooters cried "touchdown, touchdown," and Tegart accommodated them by grabbing Shy's loag pass and running five yards the last chalk mark. Enter Shy Huntington again with a rolling, tumbling, 60 yard tramp over the goal line.

CONCERT IS TO BE GIVEN

University Orchestra Will Present Selections From Frlm's Katinka.

Selections from the score of "Katinka," a music comedy by Rudolf Frlm, the California composer, are being worked over by the university orchestra for their concert.

"Katinka" was successfully produced in New York last winter. The music is delightfully vivacious and is the kind that will be well received by everyone," says Miss Winifred Forbes, director of the orchestra.

According to Miss Forbes, "Unusual interest is being taken in the orchestra work this year, probably because it is now composed of students only," she declared. "Present indications point toward a very successful season."

SWIMMING POPULAR SPORT

250 Co-eds Sign Up for Classes Under Miss Cummings.

Two hundred and fifty University girls have signified their intention of swimming in the tank when it is opened to them October 31. As swimming is not listed as an out-door sport and no credit is given for it, Miss Louise Cummings, head of the department of hygiene and physical education, considers the number large. She is of the opinion that swimming is the most popular sport among University girls today.

The tank will be open on Tuesdays and Thursdays from 2 to 5:30 p. m., during which time Miss Harriet Thompson and Miss Hazel Rader, of the physical training department will give swimming lessons. No fee will be charged, with the exception of a locker fee, and the girls are to have unrestricted use of the tank during those hours.
