GIRL VICTORS MAY CLASH IN EUGENE

Champions of Western and Eastern Sections of State to Meet.

A. R. Tiffany Is Asked if Plan Would Meet With Favor Here.

With the Pendleton girls basketball team of eastern Oregon and the Oakland girls team of western Oregon winning the championship in their respective sessions, interest now centers in seeing the two teams clash for the state championship. From reports coming from Pendleton and Oakland the University is the favored place of both places for the staging of such a match.

There would be special interest in the match on the campus from the fact that both teams are coached by former students and graduates who were friends here while undergraduates and who are both well and favorably known to many of the present student body. The Pendleton team's coach is Miss Louise Bailey, who received her degree from the University in the spring of 1916. She was president of the Women's League, a member of Kappa Kappa Gamma and a member of the student council in her undergraduate days. Likewise the coach of the Oakland team, Anthony Jaureguy, was closely allied with student activities while in the University. In his senior year he was the manager of the Emerald. He graduated in the spring of 1915, and is a brother of Nicholas Jaureguy, student body president.

Miss Bailey is physical director of the young women at Pendleton and coached the quintet of girls that victoriously swept the eastern part of the state this winter, while at the same time the team coached by Jaureguy was clinching the western pennant. Miss Bailey and Jaureguy were friends in their undergraduate days and in their correspondence there came the first suggestion of a championship game between their pet teams.

A letter has been received by Graduate-Manager Tiffany from the superintendent of the Pendleton schools asking if the plan of staging the match would find favor here. The match would probably be staged either the week-end of February 23 or March 3.

DR. PENCE IS COMING

Is Successor to Dr. Henry Marcott of Portland.

Will Lecture to Oregon Women On February 19, 20 and 21.

Dr. Edward H. Pence, successor to Dr. Henry Marcotte of the Westminster Presbyterian church in Portland, is to be on the campus February 19, 20, and 21 to give special lectures to the women at the same time that Dr. J. D. Adams is lecturing to the men.

Dr. Pence has had wide experience in student work, having organized two student churches at Ann Arbor during the twelve years of his pastorate in Detroit. He has studied student problems many years.

He is said to be a man of pleasing personality and a good speaker.

The talks are to be short. They will occupy only one hour, from 7 to 8 o'clock.

All meetings will be held on the campus and an opportunity will be given for personal conferences.

The women of the University are urged to keep the dates of these talks free as far as possible, as it is considered a big opportunity to have a man of Dr. Pence's experience on the campus to talk to the women.

EUTAXIANS WILL INSTALL

Installation of new members will take place at Eutaxian meeting to be held in the library this evening. Martha Beard and Marion Neal have been appointed as the committee in charge of the society's page in the Oregonian and their report will be brought up this evening.

The officers to be installed are Marian Tuttle, president; Miriam Page, vice-president; Dorothy Dunbar, secretary; Esther Jacobson, treasurer; Helen Johns, critic; and Mildred Steinmetz, sergeant at arms.

GLEE CLUB TRYOUT

Tryouts for two places in the second soprano section of the Women's Glee Club will be held Thursday afternoon in the Music hall between the hours of three and four.

Dickens' Characters Re-immortalized

SCENE FROM "OLIVER TWIST," A PARAMOUNT PICTURE PRODUCED BY LASKY.

Herewith appear Marie Doro as Oliver Twist, Tully Marshall as Fagin, Hobart Bosworth as Bill Sikes and Raymond Hatton as the Artful Dodger in the Lasky adaptation of "Oliver Twist" for the Paramount Program. In deference to the fact that Dickens is recognized as the peer of all character delineators, the motion picture producers studied every type in the picturization most carefully before engaging a single person. That the work was well done is amply shown by these four characters who seem to have stepped directly from the great novelist's pages.

Blossom Time in the Golden State

A friend just back from Southern California says: "The weather was fine, in fact too warm for heavy clothes. Many were bathing at the beaches. Oranges were ripe in the valleys, while the mountains nearby were covered with snow."

With warm sunny weather it will not be long before the blossoms on the trees will be everywhere announcing that spring time is here.

Take a vacation trip now where life is different; where climate surroundings and amusements are out of the ordinary. Spend a different February.
