

STEPHANIE TO STEP OUT IN GUILD PLAY

All-Student Play Will Be Presented to Theatre-Goers.

Every Member of Cast Has Had Experience in Former University Productions.

Unique features will be introduced in Guild Hall this evening when the Mask and Buskin chapter of the Associated University Players appear in Bess Colman's "Stephanie Steps Out," the first long play written by an undergraduate to be produced in Eugene.

"Stephanie Steps Out" is literally an all-student production, having been written, directed and produced entirely by students. Bess Colman, the author, an

Alpha Phi from Portland, is responsible for the drawing room set for the first act. Earl Fleischmann, who plays the part of Tom Morgan, the lead is coaching the play. The University orchestra under the direction of Miss Forbes will furnish the music between acts.

Every member of the cast has previously appeared in University productions. Helen Bracht, who is to appear as Stephanie, the venturesome lady's maid, is already well known to campus theatre-goers. She played in several of the summer bills of Mask and Buskin last summer and took the part of Pippa in "Pippa Passes" last semester.

Warren Edwards, who is playing Laurence Bundy, the nonchalant son of match-making Mrs. Bundy, (Eyla Walker) played in "Strongheart" and "The Faraway Princess" last semester.

Cleome Carroll (Evelyn Bundy) is well-known for her humorous interpretation of Eureka the cat in "The Magic of Oz." Eyla Walker is perhaps best known as the Queen of Hearts in "Alice in Wonderland" and as Mrs. Ford in "The Live Corpse."

The sentimental hotel proprietor who

furnishes a French duke upon request will be played by Jay Gore who aroused the humor of the campus by his clever work as the "Tick-Tock Man of Oz." Dale Melrose, the valet who obligingly impersonates a French count in order to satisfy the title-hunting guests at the hotel appeared last year as Lucentio in "The Taming of the Shrew."

Lillian Bancroft, the Swedish maid who helps Stephanie out of her difficulties, was first seen in "The Admiral Crichton" as Tweeny.

Tickets may be obtained for "Stephanie Steps Out" at the Co-op Store or from any member of Mask and Buskin.

TO PLAY WILLAMETTE

Co-ed Tennis Team Will Enter Tournament at Salem.

Meet to Be Feature of Annual Play Day Festival Saturday.

The women's Varsity tennis team will play Willamette University in a tournament at Salem next Saturday. The tourney will be one of the features of Willamette's annual May Day Festival.

This is the first time the girls of the two universities have ever met in athletics of any form. It is reported that Willamette has one of the strongest teams in Oregon, their girls all being veteran players.

Three women will represent Oregon in the meet. The team and doubles and singles players will be decided by the outcome of the tennis tournament now in session. Four players are still in the running. They are Adrienne Epping, Marjorie Kay, Caroline Alexander and Dorothy Wheeler. The semi-finals will be played off Monday and the finals Tuesday. The winner of the championship will represent Oregon in the singles matches and the two runners up will play off the doubles.

The Luckey cup, which has been placed on exhibition in the Library, and the

racquet given by Hauser Brothers will be awarded to the champion at the end of the tournament.

It is possible that a return game with Willamette can be arranged for a feature of Junior week-end here. Last year at this time a tournament with O. A. C. was staged.

"We hope to make a tennis match here a regular feature of Junior week-end after this," said Adrienne Epping, tennis manager. "We wanted to have O. A. C. over again this semester, but the way our schedule is arranged we will have to play them at Corvallis first and as this would necessitate the match being a return game we could not arrange it in time to play the second meet by May 14."

physical defects which develop and which are great handicaps. He explained the different types of individuals and the occupations particularly suited to each. "I believe men are in sight of mental and physical control and I think that it will not be long until one of the important things in our educational regime will not be the teaching of arithmetic and grammar, but the development of mental control."

The Saturday meetings started at 9:30 this morning. Miss Emily Lovelidge, superintendent of the Good Samaritan hospital in Portland, spoke at the morning meeting on "Opportunities in the Medical World, Including Nursing and Institutional Management"; Miss Ethel Sawyer of the Portland public library on "Opportunities in the Library Movement"; Mrs. A. H. Schreff, substituting for Miss Anna Crocker of the Portland Art Institute, who was unable to be present, talked on "Openings in Art Institutes." Mrs. George T. Gerlinger, a member of the board of regents of the University presided at this meeting.

DEBATE FINALS MAY 11

Silverton and Joseph in Final Fight for State Title.

To Be Junior Week-End Feature; University of Oregon Cup Is Trophy.

A feature of Junior Week-End will be the Silverton-Joseph debate to settle the high school debate championship of the state. It will be held Friday evening, May 11, at 8 o'clock in Guild hall.

The debaters on the Silverton team are Edwin Durno and Rhoim Cooley. The question is, "Resolved, That Oregon should adopt a health insurance law embodying the essential features of the 'Standard Bill' of the American Association for Labor Legislation."

The University of Oregon championship cup will be awarded to the winners from the ten districts which originally included 72 high school teams. When the cup has been won three times by the same school it will go into the permanent ownership of that institution. In the five years that the cup has been up for competition no high school has won two debates. The University pays all of the expenses of the visiting teams. The contest this year began March 10 under the auspices of the Oregon Debate League.

Wear Diamonds

The most cherished treasures a man can give his wife, sweetheart or mother are diamonds. The lustrous glitter of these precious stones, more than anything else, delight the beholder and the wearer.

Diamonds are the best investment for yourself; they can be quickly turned back into money.

When a man wears diamonds he wears the sign of success. It pays.

Our diamonds are of the first water—Pure—Flawless, and our prices as low as the best can be sold for.

We make "Quality" right; then the price right.
