sociation nine yesterday were the heavy hitting of the whole team and their ability to steal bases.  
The teams seemed evenly matched until the last inning when the heavy hitting brought in ten runs for the association.  
The pitching was good for both teams, Maude Lombard for the Y. W. allowing only three batters to face her in the third inning.

## CHILDREN'S PAGEANT FRIDAY ON KINCAID

**Playground Classes Will Have  
Charge of Patriotic Numbers  
and Maypole Dances.**

**1200 School Pupils Practice  
Daily on Campus; Are Trans-  
ported in Automobiles.**

Twelve hundred children, grammar school pupils of Eugene, are practicing daily on the University for a pageant which will be presented next Friday afternoon on Kincaid field. Miss Mabel Cummings, head of the department of physical training, has charge of the pageant. She is supplemented in this work by the members of the University playground classes.

The children in the first, second, third and fourth grades will begin the pageant with a series of games as follows: "Teacher and Class," "Shoemaker Dance," "Mulberry Bush," "Muffin Man," "Hickory-dickory-dock," "Broom Man," and "Carrousel." Mary Johns, Margaret Crim, Helene Delano, Gladys Conklin, Edith Hales, Mabel Rankin, Ruth Trowbridge and Edna Gray have charge of this division.

A Maypole dance will be given by the girls of the fifth, sixth, seventh and eighth grades. There will be nine Maypoles, with twenty girls dancing at each one. A color scheme of green, and pink will be carried out in this number.

The boys of the fifth, sixth, seventh and eighth grades, under the direction of Warren Edwards, Henry Foster, William Colman, Edward Bartholomew and William Mulkey, will take part in a track meet. The events scheduled are running jumps, sprints and relay races.

The concluding feature of the pageant is a mass drill adapted by the physical training students for the entire number of children. Patriotic selections will be sung in this drill, while all nations of the world will be represented. Original costumes have been designed by the department.

Miss Cummings says she considers that the pageant will be a practical test for the ability of the playground classes. "In training the children," said Miss Cummings, "the regular work of the classes is put into execution. We expect the affair to be a decided success, as the children are very enthusiastic. The University band will provide music."

### MILLIONAIRE ON CAMPUS

### SKELETON VISITS VILLARD

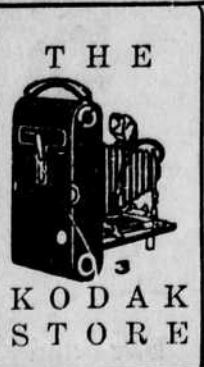

### PART OF INITIATION ANTICS

Two national honorary fraternities enlivened the campus atmosphere yesterday morning with pre-initiation ceremonies. Three commerce men, Alpha Kappa Phi pledges, Jake Risley, Oscar Goreczky, and Ray Kinney, held a patriotic discussion in front of Deady hall before assembly. Goreczky wore a silk hat and attempted to appear as a wealthy representative of the manufacturing class. Jake Risley came out in blue overalls and red bandana handkerchief as a representative farmer. Ray Kinney wore a uniform and carried one of the popular Oregon-made rifles. They decided that all of them were working for the good of the country, and left the laughing students with the words, "We'll talk it over."

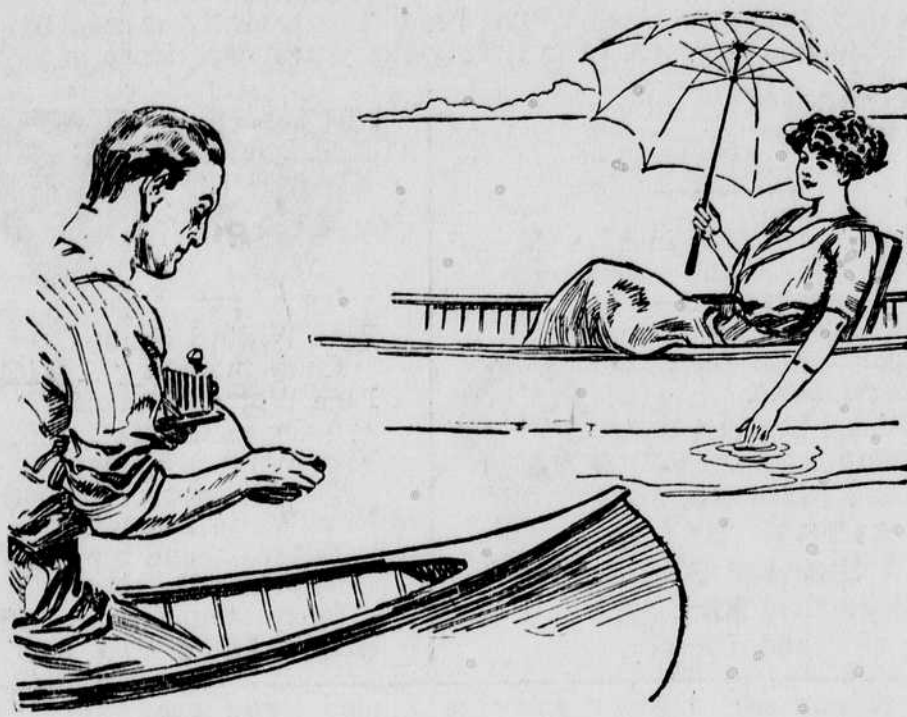

Sigma Alpha, the medical fraternity had seven pledges ramble through Villard hall. Two of the men, Leonard Floan and Fremont Hodson carried a skeleton. Ernest Boylen came next with a sign on his coat, "Sigma Alpha". Bert Woods labeled himself "Doc Yak", and Dow Wilson "Dr. I. Kurem." "Painless Parker" was there in the form of Earl Wilson and Ned Fowler advertised "Bain's Corn Cure."

### COMMENCEMENT

Commencement announcements may be secured at the Y. M. C. A. any day from 11:00 to 12:00 a. m. or from 2:00 to 3:00 p. m. All orders must be called for before Saturday evening at 5:00. In case they are not called for, they may be sold to those wishing extra announcements.

## Co-Eds Will Run Business of Meet Saturday; Bill Chief in Command

An untried and unprecedented thrill waits just around the corner for Bill Hayward's track class of women's gymnasium majors and the Greek letter track men entering the inter-fraternity meet Saturday afternoon.

Women are going to hold the watches, do the measuring, call the events, judge the fouls—they're to run the whole show.

Bill himself will run the women; he's chief mogul and clerk of the course, and isn't trusting anyone else with the responsibility of keeping a wholly untrained crew of 20 green and flighty co-eds with their feet on solid ground. It's to be suspected also that Bill knows the ways of 'em. with their inexplicable partiality and favoritism.

But he's going to try them out, and see what they can do as official starters when all the men are somewhere in France. Co-ed track meets will be the common herd. Bill's own will appear in white middies and skirts, and

will wear official badges of some description.

If a sufficiently stout pair of feminine lungs is discovered, the megaphone will be turned over to the owner.

It's highly probable that certain accompaniments of such events will be missing; no tobacco in any form is to be allowed the referees and scorekeepers, and free speech among the contestants will be curtailed.

## Y. W. TO MEET B. B. B.

Final Game for Hayward Cup Will Be Played Saturday.

Kappa's Defeated 18-5; Hitting and Base-Stealing Win for Association.

Y. W. C. A. will play Triple B for the Hayward baseball cup on Field day next Saturday as the result of winning from Kappa Kappa Gamma 18-5 yesterday.

As four of the Y. W. lineup yesterday have also played on the Triple B team, it will be necessary for the respective captains to arrange which team these players shall represent Saturday. It has been suggested that they draw straws to

determine their decisions in the matter.

There will probably be a rule next year to limit each girl to one team.

No girl will be allowed to play in the final game for the cup who does not hold membership in the Women's Athletic association.

Large factors in the success of the as-
