

PRESIDENT REVIEWS STUDENT BATTALION

Mr. Campbell Well Pleased With Showing Made and With Physical Fitness of Men.

PROMOTION FOR OFFICERS

Several Advanced and All Commissioned; to Have Uniforms.

President P. L. Campbell's first official review of the Oregon battalion took place yesterday, when 300 men, under the direction of Colonel John Leader, commandant, marched from the men's gymnasium to the field in squad formation and completed maneuvers by forming a hollow square.

In his address on the field, which followed the review, President Campbell said that he was well pleased with the progress made by the companies. "I notice especially," he said, "the splendid physical fitness of the members of the battalion. To me it is an indication that our battalion is well qualified to carry out all military plans, as well as being fortified for preparations for a five years' war, if need be."

"I want you men to realize," he continued, "that you, with other University students, represent the defense of the fundamental principles set forth by President Wilson in his address to congress, which I was fortunate enough to hear. I know that we shall all be proud of our University as standing for these principles."

The following were made commissioned officers by President Campbell, upon recommendation by Colonel Leader: To be captain: Acting Captain E. W. Allen.

To be first lieutenant: Acting First Lieutenant Dean H. Walker.

Acting Second Lieutenants Ray Couch, Robert Cosgriff, Charles Comfort, and Henry Eickhoff.

To be second lieutenants: Acting Second Lieutenant John F. Bovard, acting sergeants James Sheehy, Charles Crandall, Arnold Koepke and Herman Lind.

To be second lieutenant in charge of works: E. H. McAlister.

To be second lieutenant in charge of topography: Warren D. Smith.

To be second lieutenant acting as battalion intelligence officer: Acting Corporal Karl W. Onthack.

To be second lieutenant acting as chaplain: Rev. George H. Parkinson.

The officers were ordered to procure regulation uniforms and insignia of rank, and wear them on all University occasions.

PASS FOR AIR SERVICE

Sheehy and Dundore Succeed in Physical Exams.

Student President to Finish College Year; Senior Head May Leave Early.

Two proxies returned to the campus from Portland this week, having successfully passed their physical examinations preliminary to enlisting in the aviation corps. James Sheehy, president of the student body, and Charles Dundore, president of the senior class, were the two successful men.

Charles Dundore was the first to take the examination, and he was enrolled as a first-class private, to be called to the training school at Berkeley probably by May.

Orders from Washington, D. C., not to enlist any more men for aviation until further requirements came, arrived just after Jimmy Sheehy had passed his physical examination.

It will be two weeks, probably, before he will hear from Portland about the matter, but the examining officer assured him that there was no reason why he would not hear then that the call to the training camp would come in May or June.

"I will be able to finish out the college year," said Sheehy last night.

FRESHMAN GLEE PLANS NEARING COMPLETION

1921's Working for Success of Dance; Hope to Make It Big Event of Month.

Plans for the freshman informal, to be held in the armory February 16, are nearing completion, and all members of the class of 1921 are enthusiastic as to the success of the event.

"Of course everybody is coming," said Clarence Moffatt, general chairman of the affair. "The freshman class will be host, and has sent out a cordial invitation to all the other classes to come. The armory floor will be in good condition, a ten-piece orchestra will provide music, there will be nifty Oregon 'O' programs, and a feature dance, so it's up to the guests to do the rest toward having a good time."

The hall is to be decorated according to the artistic tastes of Rollin Woodruff and staff, and in accordance with the spirit of the times, will present a very military aspect. Use will be made of flags, bunting, red and white streamers everywhere.

Those who have been asked to act as patrons and patronesses for the dance are Governor and Mrs. Withycombe, President and Mrs. Campbell, Dean and Mrs. Straub, Dean Fox, Colonel and Mrs. Leader, Professor and Mrs. Thacher, Professor and Mrs. Peter Crockatt, Dean and Mrs. Eric Allen, Mrs. George Gerlinger, Mr. and Mrs. David Graham, Mr. and Mrs. A. C. Dixon, Dean and Mrs. Walker, and Bill Hayward.

All those serving on any committee for the freshman glee are to meet tonight in the armory at 8 o'clock, for a general meeting.

ROSENBERG KEPT BUSY IN KITCHEN CAMOUFLAGE

Former U. of O. Professor at Washington, D. C., Trains at American University.

One day of camouflage instruction and nearly two months of kitchen duty, has been the lot of Louis C. Rosenberg, recent instructor in design in the school of architecture in the University since he left for the American University, Washington, D. C., two months ago. He is a member of company F, 25th engineers, camouflage. According to a letter received Monday by the architecture students he has seen but one day of camouflage instruction in the two months he has been in Washington.

"Week-ends afford our company very interesting times," said Mr. Rosenberg. "All the large art clubs in Washington open their galleries and club rooms for our entertainment, and we thus have the opportunity of meeting some of the most distinguished artists in the country." Lieutenant J. Andre Smith, famous American etcher, is one of the instructors in the American University. "We are all anxious to start in regular work in camouflage," Mr. Rosenberg said.

NEW SLIDES ARE SECURED

Ten Sets of Varied Types to Supply Demand of High Schools.

The extension division of the University has ordered 10 sets of colored slides from the Weister studio, in Portland, to supply the demand of the high schools of the state. The titles of the slides are: The Mountains of Oregon, Egypt, Women of the Bible, Lasses of Other Lands, How the World Travels, How the World Worships, Children of Many Countries, The Homes and Haunts of Human Kind, Sports and Pastimes of the Nations, Peculiar Ways of Making a Living.

OREGONAS TO DESIGNERS

Frederick Fritsch Will Do Frontispiece; Other Plates From Art Students.

An Oregana will be given to every student who has contributed design plates to it, according to Helen Brenton, editor of the Oregana. Several of the cuts are now in the hands of the Portland printer.

Frederick Fritsch, instructor in design and pen and pencil in the school of architecture, is to do the frontispiece. Other designs were given out to students of art and architecture by Glenn Stanton, president of the architecture club. All designs must be completed on or before February 20.

Nellie Reidt, Wanda Nelson, Mrs. George Kelly, and John Kelly, of Marshfield, were Sunday dinner guests of Beta Theta Pi.

SIGMA CHIS WALLOP KAPPA SIGMAS 21-13

Wild and Woolly Fight Is Staged Between Leaders of Doughnut League Sections.

Grandall and Jenkins Score for Victors; Last Game of Series Next Week.

The Sigma Chis, champions of section 2 in the doughnut league, took the second game of the championship series from the Kappa Sigs, winners in section 1, by the score of 21 to 13, last night. This makes the series a tie, each team having taken one game.

The exhibition staged last night was wild and weird, the first half ended with the score of 6 to 3 in favor of the Kappa Sigs, but by the time the second half was finished, the Sigma Chis had scored enough points to choke a mule. This game showed some of the best team work seen this year and while basketball was the last thought of the players, they nevertheless got off some neat pieces of passing and combination shots.

Game Begins Very Quietly

The game started quiet and peaceful, as any ordinary basketball game should start, but the finish looked like a street in Berlin will after the American troops have been through.

The Sigma Chis opened the second half with a rush through center, and before the surprised Kappa Sigs could come back to life, their opponents had taken the lead away from them. Time after time, Slim Crandall or any other Sigma Chi who happened to be handy, tossed another basket and the score grew. To say that the game was rough does not come anywhere near a description of the affair. It had the wrestling tryout of the afternoon looking like an encampment of Civil War veterans.

Breed, Sigma Chi guard, landed on his face after having been pulled and hauled about half the length of the floor and was sent in for repairs. Ed Padden took his post and was the only member of the Sigma Chi quintet who did not toss at least one basket. The Kappa Sigs took a mental vacation during the first part of the last period and as a result long passes, Crandall to Moore to Crandall, netted at least eight points.

Many Rooters Turn Out

There were a large number of rooters out for the contest, among them being a large delegation from the Kappa Sigs aided by Ed Shockley. At the end of the first half they were having the time of their lives, but when the final whistle blew they looked like a delegation of

NOMINATE NEW MEMBERS

Four Vacancies in Y. W. C. A. Board to Be Filled at Election.

A committee from the members of the advisory board was appointed at their meeting Monday afternoon, to meet with the girls of the Y. W. C. A. for the purpose of nominating four new members of the board to take the place of the outgoing members. The nominations will be presented at the Y. W. C. A. meeting, March 6, when the annual election takes place.

Those appointed on the committee were Mrs. Donald Young, Mrs. W. P. Fell, and Miss Mary Watson.

Music Shipped to Soldiers; More to go Soon as Possible

Fourteen pounds of music, including about 150 songs, were sent to the soldiers in France today. This is the second shipment that has been made by the Emerald since it started its campaign, about two weeks ago.

Each piece of music is labeled conspicuously with an Oregon sticker. By this method any Oregon man who gets music will feel acquainted with it immediately, and any other soldiers who get it will realize that Oregon is on the map of the United States.

Late popular soldier songs figured prominently in contributions for the second shipment. Some of those received are "Over There," "America, Here's My Boy," "Where Do We Go from Here," "Uncle Sammy's Army," "Kid the Kaiser," and "We're Going Over." The rest of the stack ranged from "Hello, Hawaii," "Missouri Waltz,"

UNIFORMS FOR ALL BY SPRING--LEADER

Regulation Olive-Drab Suits to Be Required for All Members of "U" Battalion.

High-Top Boots Won't Do; Campaign Hats Must Be Obtained.

Prepare now to be in a position to have a regulation olive-drab United States uniform early next spring, is the advice given from the commandant's office. Recent advice from Colonel Leader is to the effect that the "coverall" uniforms will soon be used for fatigue duty only, and as the battalion becomes more of a truly, high-class military organization, the men will be required to have a regulation United States uniform.

Circulars are being sent to every high school in the state, informing the students who are planning to enter the University next term, or in October, not to stock up their wardrobes with civilian clothes, as they will be useless within a few months, when army uniforms will be required for military drill and must be worn at all times. It is possible that Colonel Leader will make a tour of the state, to appear at the high schools in the interests of getting students to the University for the military courses.

High-tops Won't Go

High-top shoes will not take the place of leggings as a part of the soldier's uniform, says Colonel Leader. He also requests that the students buy tan shoes as soon as possible, as that is the recognized color to go with uniform. He also advises that it would be a good plan for the men students to think about purchasing United States campaign hats, as they will also be required.

The companies of the University battalion will drill for the remainder of this week on battalion movements, and special ceremonies prior to the inspection of the battalion, which will be held on the afternoon of February 22, when the battalion is to be presented with the regimental and national standards. Colonel Leader is making plans to have these ceremonies be the most impressive occasion which the men of the battalion have yet gone through. The national standard is now at the president's office, and the regimental standard will be finished soon by the women of the University, who are at present working on it.

Ceremony to Be Elaborate

Prominent ladies of the University and the city of Eugene will present the standards to the commissioned officers of the battalion; the military band will play, the companies of the battalion will drill, and a few words from a visiting officer will probably climax the afternoon's ceremony.

STUDENTS AND FRIENDS INVITED

Residents of Hendricks Hall Ready to Receive Guests.

Residents of Hendricks Hall and the dean of women invite students and friends to visit them at any time, but they reserve the privilege of receiving them as guests, and the hall will not be open for inspection in any other way.

OFFICERS MAY DISCARD THEIR FRESHMAN CAPS

More Appropriate Head Covering for Students of Rank Advised by Colonel Leader.

Whether the freshmen officers will be allowed to give up their green caps, as Lieutenant Colonel John Leader has requested, will be settled at the student council meeting tomorrow.

Because the officers have to wear their uniforms all day, due to the three military classes at 1, 5, and 7 o'clock, Colonel Leader suggests that a head covering more appropriate and better appearing than the significant green cap could be found.

In a letter to James Sheehy, president of the student body, last week, Colonel Leader urged this change as a method of improving the general appearance of the officers during the hours between drills.

The council will decide whether the old tradition can be suspended for the officers. Junior week-end plans will be discussed at the meeting, and a report will be made by Ray Couch on the soldier memorial fund, of which he is chairman.

TENNIS CLUB ARRANGES DOUGHNUT TOURNAMENT

Members Will Play Doubles With Silk Hose as Prizes; Schedule of Games Decided.

The doughnut tennis tournament will begin as soon as the weather permits, is the announcement of the Tennis club, which held its first meeting of the college year Thursday. The tournament will be among members of the Tennis club and will be a doubles tournament. The hose.

The officers chosen for the new year are: Adrienne Epping, president; Marjorie Kay, vice-president; Gladys Smith, secretary; Helen B. Maurice, member-at-large and Caroline Alexander, manager. A general singles tournament will begin later in the spring for the racquet and the Laraway cup, and the championship, after which a game will probably be played with O. A. C. and possibly with Reed College.

The following girls were voted in as new members: Thelma Stanton, Ethel Newland, Madeline Stoboom, Marjorie Campbell, Edythe Bracht, Victoria Case, Theodora Stoppenbach, and Vivian Chandler. Another meeting of the club will be held shortly for the new members.

The schedule for the first game follows:

Helen B. Maurice and Vivian Chandler vs. Caroline Alexander and Edythe Bracht; Maude Lombard and Gladys Smith vs. Grace Williams and Marjorie Kay; Victoria Case and Theodora Stoppenbach vs. Adrienne Epping and Marjorie Campbell; Thelma Stanton and Madeline Stoboom vs. Ethel Newland and Edna Gray; Helen Hair and Jessie Garner vs. Mary Murdock and Frances Elizabeth Baker.

TWO TRIPS FOR DEBATERS

Will Meet Pleasant Hill February 23; Springfield Date Not Set.

Two trips are planned for the Varsity debating team, one this week to Springfield and one next week to Pleasant Hill, according to Professor R. W. Prescott. No word has been received yet from Springfield, so it is not known which night this week the team will make the trip there. Friday night of next week, February 23, is the time that has been set for the trip to Pleasant Hill.

At the last debate, which was held with Santa Clara, the two alternates worked on the debate, making six in the debate. It is planned to work six again at the Springfield debate. Only four of the team, however, will be taken to Pleasant Hill.

The tryouts for the co-ed debating team will take place next Saturday, February 16.

MISS TINGLE GETS SHOCK

Hooverish Recipe Comes With Un-Hooverish Query; Expert Expostulates.

With the letter which she had just read still in her hand, Miss Lillian Tingle, head of the household arts department, hurried from her office to find some one with whom to expostulate.

"Just listen to this," she exclaimed; "Here is a woman who sent me a 'Hoover' recipe, and in the same paragraph wants to know if bread composed of one-half graham and half whole wheat meets the requirements for wheatless days."

EDUCATION WAR PLAN TOLD BY PRESIDENT

University Head Brings Word of Council to Co-ordinate Schools With U. S. Government.

14 ASSOCIATIONS INCLUDED

Faculty Members Would Give Classes for Soldiers in Cantonments.

Bringing back word of the probable formation of an emergency education war council, to assist the government in dealing with the problems of education among college students during the war, President P. L. Campbell returned to the campus Sunday after an absence of six weeks.

President Campbell attended a meeting of the executive committees of the various educational associations of the country at Washington and the war council was the plan adopted at this meeting as the most feasible means of co-ordinating the efforts of the universities, colleges and the war department. The plan was not definitely decided upon, as each representative wanted to have the consent of his association before going ahead with the scheme, and an executive committee ad interim was appointed, consisting of five members, of which President Campbell is secretary-treasurer, to await word from the different association before proceeding. The council would have 14 members, one from each national association.

Will Educate Soldiers.

This council, President Campbell says, would look after all such matters as the use of University facilities and equipment for war purposes, the education of soldiers in cantonments, training of college students for certain branches of the service, etc. President Campbell fostered a scheme whereby some members of the faculties of the universities might be detailed to cantonments to give regular classes for the men who would want to continue their college work. For this study, college credit would be given.

While in the east, President Campbell made diligent inquiries concerning the R. O. T. C., and says that if we want it, all we have to do is ask for it, but he is convinced that we may get something better. The university can contain all the equipment granted an R. O. T. C. by applying on general orders 48, which would mean tents, and all the other appurtenances of a camp. For the present, the University authorities will await the outcome of Senator George Chamberlain's bill on granting R. O. T. C.'s to colleges, as some of the provisions may be changed.

President Campbell saw many mili-

(Continued on page three)

GIRLS RULE NEW HALL

Self-Government Is Adopted; Miss Fox at Head.

One Representative From Each Unit Is Member of House Council.

A system of government which is practically student government, has been worked out at Hendricks Hall, and is to be altered from time to time in minor details, as the occasion arises.

The hall is under the direction of the dean of women, Miss Fox, as head resident, and a house director, Mrs. E. P. Datson, who has for some time had direction of Friendly Hall. Mrs. Datson will retain the direction of Friendly Hall.

The suites in the hall are grouped into three units and each unit elects a representative. Seniors were chosen from all units, Miss Lillian Miller from the first unit, Miss Helen Withycombe from second, and Miss Ruth Wilson from the third. These students act as representatives in a house council, including also Dean Fox, Mrs. Datson, and Miss Dinsdale. From these three unit representatives, one student is chosen to act as house representative in all student affairs.

Council meetings are held just before house meetings, which are held every Monday night after dinner.
