"DOMBEY & SON" IS SUCCESS OF SEASON

(Continued from page one)

Nipper was well done by Gladys Diment; Claire Dalgleish did good work as Brogley and John Houston played the different parts of the detestable Mr. Carver very well, indeed. Ruth Young as that mischievous and likable urchin, Rob, did some of the cleverest impersonation ever seen in University dramatic annals. Morris Bocoock as Jack Bunsby, did clever work.

Ethel Newland Shows Personality.

Hallie Hart made an excellent Paul, Junior, and Ethel Newland was very good as Mrs. Granger. Her interpretation was spirited and full of charm of personality.

"Dombey and Son" was one of the successes of the year. It was lively and bright, with a variety of characterization and incident which made the story such a favorite with the reading public. With a cast that was really "all-star" it could not fail of a hearty reception.

Mrs. Eric Allen entertained the undergraduates and the alumnae of Kappa Kappa Gamma at her home, Wednesday evening, in honor of Dean Elizabeth Fox. The alumnae present were Dean Fox, Mrs. R. H. Hamilton, Mrs. Conklin, and Miss Frances Young.

DELTA GAMMA HOLDS ITS ANNUAL REUNION

Old-Fashioned Scheme in Table
Decorations at Sorority's
Banquet in Tea Room
of Osburn.

GLENN STANTON HONORED

Hendricks Hall Residents Present
Radio Watch to
Miss Fox.

Tonight in the Japanese team room of the Hotel Osburn the local chapter of Delta Gamma is holding its annual reunion banquet. An old-fashioned scheme has been carried out in the appointments of the long table, the colors of blue and gold predominating. In the center of the table a tall, old-fashioned basket, filled with blue hyacinths, carries out the blue note, and at the ends of the table are black baskets of yellow daffodils. Quaint little corsage bouquets of sweet peas and forget-me-not mark the places, and the same colors are carried out in the menus, which are printed in blue, with old-fashioned flower baskets on the covers, and smilax and yellow tulle intertwined, are scattered over the table.

The guests of the active members of Delta Gamma who are attending the banquet are Mrs. Helen Wiegand Jayne, '17; Mrs. Cecil Sawyer King, '14; Mrs. Margaret Belat Roberts, ex '16; Mrs. Clara Heissler Keller, ex '16; Mrs. Marian Neil Giger, ex '18; Miss Nettie Drew, '13; Miss Elizabeth Busch, '13; Miss Helen Brown, ex '19; Miss Margaret Welch, ex '19; Miss Lucille Yoran, '13; Miss Olive Zimmerman, '13; Miss Maude Beals, '12; Miss Lillian Hockinson and Miss Anna Mummy, of Whitman College; Miss Melinda Enke, of Stanford University; Miss Amy Dunn, Mrs. Florence Rogers, and Mrs. F. S. Dunn.

PHI DELT GRAND OFFICERS HERE

EDITORIAL

100 Per Cent American.

The nation has called upon the people to plant gardens for the purpose of increasing food production. Food is to be a determining factor in the outcome of the great world-war. Our ability to increase the supply will determine whether we shall live in the future as free Americans, or become vassals, under the heel of Prussian militarism.

Patriotic business men of the city of Eugene have agreed to close their stores at 5 o'clock, instead of 6 o'clock, for the purpose of encouraging war garden projects. The man or woman who gets an extra hour and does not devote it to the work of assisting in some food-producing or some war activity is guilty of treason. To take time off for patriotic purposes and to devote it to some personal pleasure is to help the German hordes in their efforts to crush the allies and America.

Early closing not only means more war gardens. It means more thorough preparation for home defense. It will give the man in the store a chance to take part in the activities of the Home Guards. It will provide a way for service in connection with Liberty Loan drives and other patriotic affairs. It will result in giving more time and thought to country.

This store is in business to accommodate the public and to make money for ourselves. We are eager to serve the convenience of our customers, but believe that both our customers and ourselves have a duty to perform and just now that is to do everything possible to help our boys who are on the firing line in France.

When America calls we want to be rated as 100 per cent American. We do not propose to keep our store open when others close for the purpose of making a few extra dollars at the expense of America, and democracy. We do not propose to take any chance in helping the enemy in time of national peril. We have a duty to our customers, so far as convenience is concerned, but our duty to America comes first.

We believe that the patriotic people of Eugene will approve the early closing order—that they are 100 per cent Americans, who are willing to do their trading a little earlier, if they can help, be it ever so little, in increasing their country's power.

It is up to the people of Eugene to approve the war-garden, early-closing movement. Where do you stand? Your cooperation with those back of the war-garden, or your indifference, will tell.
