**A NEW VARSITY STYLE BY
HART SCHAFFNER & MARX**

THERE have been a good many changes in young men's styles this spring. They have been designed to conserve wool fabric by eliminating any unnecessary use.

Here's one; a perfect example of the spirit of conservation; neat; form fitting; one of the most striking effects of the season.

You fellows who know a lot about styles will want to see this one. It's a Varsity model and you'll find your size in brand new color combinations at this store.

**GIRLS GYM EXHIBITION
WILL BE HELD FRIDAY**

Annual Demonstration of Work Done by Department of Physical Training to B Shown.

Admission to Twenty-five Cents Will Go to Aid Woman's Building Fund.

A physical education demonstration, with the 250 University women registered in the department of physical training taking part, will be held Friday evening, April 19, in the men's gymnasium under the direction of Miss Mabel Cummings, Miss Harriett Thomson, Miss Hazel Rader and Miss Catherine Winslow, instructors in the department. The demonstration will be open to the general public with an admission charge of 25 cents for the benefit of the Woman's Building.

Program Resume of Work

According to Miss Cummings the evening's program will be a resume of the work done this year by the freshmen, sophomores and major classes in physical training. It will open with a grand march in which the three classes will join and will be followed by folk dancing by the freshmen, a march drill by the sophomores, special exercise work by the majors and athletic dancing by members of the three classes.

The women will appear in regular gymnasium uniform, as special costumes were deemed an unnecessary expense.

Woman's Band May Play

It is probable that music for the exercises will be provided by the woman's band, and tentative plans are being made to hold an informal dance at the completion of the program, which will last approximately an hour and a half.

Although the instructors are now drilling the girls for the affair, only the students will appear on the floor at the demonstration as it is the wish of the department to have all numbers on the program directed by the women themselves.

To Show Work Accomplished.

"The purpose of the demonstration," said Miss Cummings, "is to show town and University people just what work is being accomplished in the department. The program will not be special in any way, but will consist of the regular exercises done in gymnasium work.

"The exhibition by the majors," she said, "will be especially interesting, as it will show a number of Swedish exercises, as well as several drills."

**VOTE ON UNIFORM O'S
TO BE TAKEN MAY 1**

Council Decides to Let Students Settle Question After Committee Investigates.

All-University Dance to Be Held in May—Memorial Plans Nearly Ready.

Final action on the matter of uniform O's for the major sports is to be taken at the student body meeting on May 1. This decision was reached by the student council at their meeting last night, when they appointed a committee to investigate the matter and make a final report.

The committee, which consists of Harry Crain, chairman, Bill Steers, Charles Comfort, Cora Hosford, Helene Delano and Walter Grebe, will present the result of their work to the council for their opinion, and it in turn will offer it to the students for settlement.

Dwight Wilson, chairman of the student body dance committee, announced plans for a dance for the week-end after Junior week-end, the first date available for this purpose.

OREGON CLUB TO HOLD DANCE

Non-Fraternity Men and Women to Meet at Gym Without Partners.

The Oregon Club is giving a combination dance and party at the men's gymnasium tomorrow night at 8, to which are invited all non-fraternity men and women and members of the ordinance class. Dates were voted out at the last meeting of the club, the women and the men both agreeing to meet at the gym without partners for an evening of stunts, dancing and cards, as well as eats which will be good, according to Henry English, the president of the club. President and Mrs. Campbell, Dean and Mrs. Straub, Professor Sweetser, and Mrs. Sweetser and Miss Watson are the patrons and patronesses.

U. LIBRARY LISTS BOOKS

Will Send Compilation to Teachers of That Art Throughout State.

A mimeographed list, twenty-two pages long, of books on music in the University library, has just been compiled, according to M. H. Douglass, librarian. Copies of this list will be sent to music teachers throughout the state, he said, and others desiring the list may get it upon application. Last year the library made a special effort to get a good collection of books on music and song books for the music section.

THE JOY OF IRONING THE HOTPOINT WAY.

Every housewife owes it to herself to do her Ironing the easiest possible way. She should experience the delight of Ironing with the HOTPOINT. It connects to any lamp-socket, on the porch or the coolest room in the house during the hot summer months. In a few moments after the current is on, it is hot enough for use. While the entire sole-plate is hot—greatest heat is delivered to the point where most is needed.

As the Iron glides over the damp goods, under tucks, and between plaits, leaving a smooth, clean path behind, you'll be filled with the joy of a task well done. Your wrist never tires, because placing thumb on the Thumb Rest takes all strain from the wrist. The handle remains cool always. If the Iron gets a bit too hot, remove the easily detached and cool switch plug—to be replaced when more heat is desired.

Should you want to rearrange the cloth or leave the Iron for a moment, tip it up on its attached stand—no danger of scorching. In a surprisingly short time your entire Ironing is finished and you are not left utterly fatigued as when ironing the old way. Try it and you'll never Iron again without a HOTPOINT.
