PRESIDENT IS CALLED EAST

P. L. Campbell Goes to Washington on Business for Emergency Council.

President P. L. Campbell left at midnight Tuesday for Washington, D. C. where he has been called on business in connection with the War Emergency Council and the proposed creation of a Department of Education.

Enroute, President Campbell will stop at Tacoma to speak before the Association of Colleges and Normal Schools of the Northwest, of which he is the president. He will also remain over in Portland for a day on business and plans to spend one day at Camp Lewis. From there he will go direct to Washington. President Campbell expects to be away about three weeks or a month.

MEN OFF FOR PORTLAND

Seven Men to Represent Oregon in Meet at Portland Friday.

With the idea in view of getting experience will prove invaluable in the opening intercollegiate meets, seven track men of varsity calibre will leave tomorrow morning for Portland to represent Oregon in the indoor military and open field meet which will be held at the Ice Palace there tomorrow night. Assistant Coach "Moose" Muirhead will accompany the team but will wear the colors of Multnomah club in the meet.

The men who will leave are: Dow Wilson, "Hank" Foster, Jack Montague, Albert Runquist, Lloyd Still, Bill Lyle and Dwight Parr.

Play tennis. The Co-op has the rackets and balls.

EPPING VS. CAMPBELL IN FINALS OF TENNIS

Defeat of Theodora Stoppenbach in Hard, Swift Game Comes as Surprise to Fannettes.

Last Match Set for Monday Night; Winner to Receive Trophy.

The defeat of Theodora Stoppenbach in the woman's doughnut tennis tournament, leaves only the finals, between Adrienne Epping and Marjorie Campbell, to be played before the championship of the University is decided, and the Laraway tennis cup awarded to the winner of the series.

The game was played Wednesday evening on the library court, and the sides were lined with spectators. It was a surprise to many to see Miss Campbell play, for she is a new student in the University, and many of the tennis enthusiasts had not considered her in making their forecasts. Her steady game and occasional brilliant play, however, made a foundation here for the reputation she has won in the Portland tournaments, and in Reed College.

First Set 6-2.

The first set was 6-2 for Miss Campbell. The games were not long, for Miss Stoppenbach plays a hard, swift game, and either makes a brilliant return or loses the point. Her strong place was her net playing, while Miss Campbell played more of a deep court game. The shortness of the tennis season made its mark on the playing of the two, for some of the wild plays would have been avoided with more practice.

In the second set, with a love game won by Miss Stoppenbach, and the following alternate winnings, the end was very much in doubt. Each player lost the game she served for four games each, but finally Miss Campbell won the game that gave her 5-4. Then the end was in sight, and the next game ended with one point for Miss Stoppenbach and a score of 6-2, 6-4 for the end of the match. Even with the last point, the watchers could hardly believe that the match was ended, for the unspectacular playing, and the easy nonchalance of the two players, removed the usual tense atmosphere of a tournament semi-finals game.

Finals Monday Night.

The finals will be played off Monday night, between Miss Campbell and Adrienne Epping, the former champion. The game promises to be a close one, for Miss Epping's brilliancy will be pitted against the force and steadiness of Miss Campbell.

The game will be officially refereed, with all care possible. The clause concerning the player's right to challenge the winner of the tournament was removed by a meeting of the tennis club, and the final game of the tournament will decide conclusively the championship of the University.

JAPANESE WOMEN AND GIRLS IN AMERICA, TOPIC

Mrs. Madden Says Nipponese Mothers Weard Rear Children in Occidental Way.

Americanizing the Japanese women and girls was the topic of Mrs. M. B. Madden's talk at the Y. W. C. A. Bungalow at four o'clock Wednesday afternoon. Mrs. Madden understands the Japanese people very well having lived in Japan for twenty years.

Mrs. Madden spoke of how the Japanese women in America are anxious to become Americanized, and how they want to learn the language and customs of this country. "They covet the friendship of an American woman," she said, "they want to bring up their children in the American way."

"An American woman in Japan," said Mrs. Madden, "makes a little bit of America there. She takes all her Americanisms with her, but a Japanese woman in America immediately adopts American clothes. With the laying aside of her kimono she has laid aside as much of old Japan as possible." The speaker urged that the American girls become more friendly with the Japanese women.

Mrs. Madden is of the opinion that after the war the problem of granting the Japanese citizenship in the United States will come up. In Canada they already have that right. She thinks that the American women can do a great deal toward Americanizing the Japanese here, so that they will be safe citizens for the United States, and that is an opportunity for "every American woman to be a missionary."

FROSH GET NUMERALS

Green Caps, with "21's," Presented at Meeting.

Coch Walker Praises Work of Men; Dean Straub Gives Talk.

Green caps, bearing the University numerals, were presented by James Sheehy, president of the student body, to twenty-one freshmen athletes who were recommended for the honor by Coach Dean Walker, at a meeting of the freshman class Wednesday morning in Villard hall. The men who received the numerals for football are Ed Ward, Warren Gilbert, John Masterson, Franz Jacobberger, Nish Chapman, Joe Trowbridge, Bob Cosgriff, Merle Blake, Carl Mantz, Everett Brandenburg, John Kennedy, Thomas Strachan, Paul Robinson, John Bracht and Ralph Dresser.

Those who received their numerals for basketball are Carter Brandon, Franz Jacobberger, Nish Chapman, Ed Durno and Silas Starr. Names of the men who have worked faithfully in the basketball team but who did not earn numerals were read. The roll of honor included Clyde Heminger, Carl Mantz, Merle Blake, Joe Trowbridge, John Houston, Wayne Laird and Clarence Moffatt.

"You freshman," said Dean Walker, "have every reason to be proud of your teams. I have never coached a set of better, more willing men. They are typical Oregon teams."

Committees for Junior Week-end were appointed by Marion Spoeri, vice president of the class, who presided. They are: Burning of freshman caps, Joe Trowbridge, Nish Chapman and Wayne Laird; Tug of war between freshmen and sophomores, Franz Jacobberger, chairman; Interclass swimming meet, Ed Durno, chairman; Decoration of the freshman canoe, John Bracht, chairman.

Dean Louise Ehrmann, who was present, said a few words to the class in which she urged the men to back the girls in their campaign for war economy and simplicity on the campus.

Dean Straub told the class that since they were to be the big compelling influence in the University next fall they should see that this influence is used for the best. "You are the largest class," said Dean Straub, "that the University has ever had. We are expecting big things from the class of '21.'"

Plans for a class picnic, to be held some time in June were discussed. John Kennedy was appointed chairman of a committee in charge of the affair.

REPRESENTATIVE MAY BE SENT TO FRANCE

Man to Look After Interests of University and State in University Union Needed; Committee to Meet.

The possibility of sending to France a representative of the University or of the state of Oregon, to look out for the interests of Oregon boys in service in that country, will be discussed Friday afternoon at a meeting of the newly-appointed American University union committee.

President Campbell has named Prof. W. D. Smith, Prof. R. S. Hamilton, Prof. F. S. Dunn and Prof. George Turnbull, as members of this committee. This committee will have charge of raising the money for the University's membership in the American University Union in Europe. The purpose of the American University Union is to look after the interests of former American University and college students and graduates, who are now in Europe in war work of any sort.

"CENTENNIALS" OUR OWN MAKE.

BISHOP SUMNER TO VISIT OREGON CAMPUS MAY 5

Will Be Vesper Speaker on that Day; Annual Spring Call to Be Four Days in Length.

Bishop Walter Taylor Sumner will come to the University campus for his annual spring visit on May 5, and will speak at Vesper services in Villard hall Sunday afternoon of that week-end.

Bishop Sumner's visit is to be longer than any he has made to the campus for some time, since he will spend all of Monday, Tuesday and Wednesday as the guest of the University. It is probable that assembly period Wednesday May 7 will be given over to him also, in order to allow a greater number of students to hear him speak. This will depend however on the success of the assembly committee in rearranging the schedule which has already been planned and which provides for another speaker.

Karl Onthank, secretary to the President, is arranging all social engagements for Bishop Sumner, and in this

way any possible conflict will be avoided. The date of this visit to the campus will make Bishop Sumner's usual presence at the Junior Week-end festivities impossible, unless he finds it convenient to remain for the rest of the week.
