

## OREGON TEAM WINS AGAIN BY 14 MARGIN

### Coleman of O. A. C. Proves Easy Prey for Lemon-Yellow Sluggers This Afternoon.

## FOUR HOMERS FROM GAME

### Merley, Steers, Runquist and Berg Get Circuit Clouts.

Oregon made it four straight from the "Aggies" this afternoon winning the slugfest by the score of 21 to 7. "Ice" Berg twirling for the University, while he was not air tight, pitched a better game than did Coleman for the now-colleagues.

The feature of the game was the four home runs gathered by the Oregon batters during the contest. Circuit clouts were rung up by Medley, Steers, Runquist and Berg. "Dot" Medley continued his batting rampage getting four hits out of six trips to the plate. Bill Steers had the best record for the day gathering five blows out of five trips to the platter.

The game was called at the end of the eighth inning by mutual consent in order that the O. A. C. team might catch an early train.

### First Inning.

O. A. C.: Hubbard singled over second, but was caught off first, Dutton to Lind, Lodell out. Grebe to Lind, Gurley out, Morrison to Lind. No runs, one hit, no errors.

Oregon: Grebe out, Rickson to Gurley, Lind walked, Medley beat out a hit to Sieberts, Lind taking second, Dutton walked filling the bases, Sheehy flew out to Olsen, Lind scoring after the catch. Steers singled to right scoring Medley, Morrison safe on Siebert's error, Dutton scoring, Runquist singled past third, Steers scoring, Morrison caught between second and third, Lodell to Sieberts to Hubbard. Four runs, three hits, one error.

### Second Inning.

O. A. C.: Baldwin doubled to right, Sieberts singled, Baldwin out hit by bat.

## MISS EPPING WINNER

### Cup Goes to Victor in Hard Fought Tennis Games.

### Marjorie Campbell Defeated; Contestants Evenly Matched and Play Is Wary.

In a safe and sane game Friday night, Adrienne Epping won the women's tennis championship from Marjorie Campbell, with a score of 6-4, 11-9. The players were so evenly matched that until the last point was won, nobody could have predicted the outcome of the match.

The game began at 6:30 with Miss Campbell serving. From the start it was evident that the players were wary of each other, and afraid to try any smashing drives. The first set was 3-1 for Miss Campbell, but Miss Epping tightened up her defense, and slowly drew ahead. The games were easy and slow, and in some cases the ball was returned nine or ten times before one player or the other let it go into the net. Neither player showed any of the speed and sureness that had characterized her playing in practice games, and the fifty or more people lined up on all sides had no thrills to make them remember the game.

The next set began as the first one had, with 4-2 for Miss Campbell. The games were duce games, and usually Miss Campbell had a score of 40-15 against her before she won any game. There was no attempt at placement on either side, just a regular back-and-forth easy safe game.

The set ended 11-9 although it could not have been predicted one minute before. It was the longest drawn out game of the series.

The result of the doughnut tournament gives the cup to Miss Epping, but does not decide the varsity team, as hitherto. The team this year will be in the hands of the head of tennis, Miss Catharine Winslow, and entries for a doubles team are urged. The University requires a single player, and a double team to meet the various challenged teams. The choice will be made on the basis of form, speed, regularity and teamwork.

## O. A. C. WINS INDOOR MEET U. OF O. TAKES THIRD PLACE

### Multnomah Club Second, Soldiers from Vancouver and Camp Lewis Tie for Fourth.

Dow Wilson won the 60-yard low hurdles. Foster won the 60-yard dash and Montague placed third in the 880-yard dash in the Portland field meet last night, according to Coleman, O. A. C. varsity pitcher, who participated in the meet and who pitched for O. A. C. today. Coleman says that he remembers Foster fell early in the start of the 220-yard dash and that it is possible that other Oregon men placed but that he is not certain.

The Oregon Agricultural college took first place in the Pacific Northwest Indoor Track meet held at the Hippodrome in Portland Friday night, winning over a field of five entries. O. A. C. scored 38 points, giving her first place. The Multnomah Amateur Athletic club of Portland took second with 89 points while the University of Oregon was third with 13 points.

The United States Signal Corps from Vancouver and the soldiers from Camp Lewis tied for fourth place with 10 points each. Webster, of the M. A. C. set a new Northwest mark in the high jump clearing the bar at 6 feet 1 5/8 inches.

## GIRLS PRACTICE BALL FOR DOUGHNUT SERIES

### Bill Steers Kappa Coth—All Join League but Hendricks Hall and Chi Omega.

Every woman's fraternity on the campus with the exception of Chi Omega and Hendricks hall is busy working up material for a team to enter the girls' baseball doughnut series, to be staged on the campus this spring. The girls at Hendricks hall are already kept busy outside class hours working the soil around their war garden, and considering that this is their patriotic duty, they have decided to let it come first.

Kappa Kappa Gamma has organized for work, and the girls practice every evening with Bill Steers as coach. Gladys Smith has been chosen as captain of this group. Marion Coffey will coach Kappa Alpha Theta, which has already held several practices. Alpha Phi, Delta Gamma and Gamma Phi have begun handling the ball and are going to enter teams for the series.

Oregon club, Y. W. C. A., Triple A, and Triple B have not reported yet whether they will enter the race. Triple B is at present the holder of the cup, which was offered for the first time last year.

Frances Elizabeth Baker, manager of the doughnut series, has not been able to arrange dates for games yet, but urges that all organizations intending to be active in the series should begin practice at once.

## SPANISH CLUB ELECTS NEXT YEAR'S OFFICERS

### Perry Arant, President; Grace Knopp, Secretary; Plans Made to Present Play Soon.

The Spanish club which met in Dr. Schafer's room in the library last night elected the following officers for the ensuing year: Perry Arant, president; Ollie Stoltenberg, vice-president; Grace Knopp secretary and treasurer; Frances Wiles, chairman of membership committee and Florida Hill, chairman of the program committee. A constitution was also adopted.

Elizabeth Ginsey presided over the meeting until the officers were elected. The election was followed by a short program given by the members. Ollie Stoltenberg told a fable and joke in Spanish and Miss Ginsey gave a talk on the aims of the club.

The Spanish club was originated for the purpose of promoting the interest of the students in Spanish and to encourage the conversation in Spanish outside of class.

Plans are being made to give a short play in the near future in Guild hall and membership in the club is open to all those talking Spanish. The next meeting will be held two weeks from last night in Dr. Schafer's room.

## MRS. COTE THURSDAY HOSTESS

### Charming Afternoon Affair Takes Place in Yellow Decked Rooms.

Mrs. Arthur Faguy-Cote was hostess at a delightful informal affair at her home Thursday afternoon from four until five. The rooms were decked with Scotch broom and California poppies carrying out a color motif of yellow.

## OREGON MAN MAY BE SENT TO FRANCE BY U.

### Big Brother and Friend to Sons of Institution in War Official Capacity of Representative.

### Faculty Committee Investigating Probable Cost of Undertaking.

The University faculty, through a committee comprising Professors W. D. Smith, R. S. Hamilton, F. S. Dunn, and George Turnbull, is discussing the possibility of sending an Oregon man to France, with headquarters in the American University Union in Paris, who shall be "over there" for the duration of the war acting as big brother and friend to all Oregon men in the service.

The committee is at present investigating the cost of keeping such an Oregon representative in Paris and when it has all possible information, will start a state-wide campaign to raise the money.

The faculty feels that it is necessary to have in France such a man, who will look up all Oregon men in the service, will provide for bringing them together when they are out of the trenches, will arrange for entertainment or special medical service or whatever they need, and above all, who will take a personal interest in them.

### Washington Sends Representative

The University of Washington has sent as its representative Arthur R. Priest, dean of men and head of the department of public speaking, and other colleges feeling the need of some one to look after their men have sent representatives.

The faculty committee is also discussing.

## DRAMATIC CLASSES GIVE CHARMING PLAY

### "The Faithful Shepherdess," with Pastoral Setting and Quaint Costumes, Pleases.

### Leading Characters Carry Parts Adequately, Surmounting Many Difficulties.

A surpassing daintiness and charm of setting, and unique, quaint costumes were outstanding characteristics of John Fletcher's pastoral, "The Faithful Shepherdess," which was produced in Guild hall Thursday and Friday nights by the senior dramatic interpretation classes under the direction of Fergus Reddie, head of the public speaking department.

The theme of the piece was simple in the extreme, dealing with the kindly ministrations of Clorin, the faithful shepherdess, to troubled lovers who crossed her path, while she herself remained true to her dead love. In the end her fidelity and goodness prevailed and the final curtain fell on a group of reunited lovers, well satisfied.

Perhaps it was because an idyl of the 17th century has not its former appeal in these days when the world is living so rapidly; perhaps because of things nowadays. Whatever the cause may have been, the result was that box office sales were not so large as might have been expected, and the audience were not overly enthusiastic. They showed however a very real appreciation of the more than creditable work of the combined classes in the department, which under able supervision planned and executed the costumes and setting, provided the special music which accompanied the performances, and transformed Guild hall and its stage into an exquisite bit of the Spring out-of-doors.

### Leading Parts Well Played.

Of the Senior dramatic students who played the various roles it is difficult to pick any bright and shining lights. Hester Hurd who played Clorin, took almost the first straight part which she has ever handled and did it well. Her pure white costume set her apart from the band of mortal shepherds, making

## DELTS BEAT BETAS IN THIRD OF SERIES

### Solve Callison's Slants After He Sends Them Back to Bench on Strikes in First.

### Final Score Is 8 to 5—Schade and Spangler, Rival Fielders, Shine.

The Delta Tau Delta baseball team took the third game of the doughnut series from the Beta Theta Pi representatives Thursday afternoon by the score of 8 to 5. The game was by far the best yet played in the doughnut league and was more evenly contested than the score indicates.

The Betas opened the festivity by scoring two runs in the initial inning on two hits and a couple of boots by the Delta infield. Callison, twirling for the Betas, struck out the three Delt batters thataced him in the first inning but was unable to keep up the pace. In the third the Deltas found him for five runs on three hits and several misplays.

Weigel, first man up in the third, was beamed but recovered quickly and after stealing second and going to third on Madden's sacrifice scored on an error that allowed Schade to reach first. From that time on the Deltas had little trouble in solving Callison's delivery.

Medly pitched a good game for the Deltas allowing only five hits. Paul Spangler spoiled a good chance for the Betas to tie the score in the fourth inning when he struck on third after Schade had missed Beggs' fly to right. Spangler and Schade playing right field for the two teams vied with each other

## Mu Phi to Buy Phonograph Music for Soldiers. Silver Tea and Musical Program to Furnish Necessary Funds.

There is a saying and a theory that music will do more to keep troops on the cheerful path than any other thing except food, and men returning from the front are emphatic on this point. In accordance with this, Mu Phi Epsilon, national women's musical fraternity, has taken upon its own shoulders part of the burden of supplying the Allied troops, particularly our own, with music in its most popular form.

The Mu Phi national is purchasing phonographs to send to the front and has allotted to each of its chapters the task of furnishing money with which to buy the necessary records for the machines. For this cause, members of the campus chapter will on Saturday May 4, be hostesses for a silver tea and musical which will be held at Hendricks hall.

A program has been arranged by the members in such a way that the entertainment will be almost continuous during the calling hours from three to five, the numbers being planned to come in groups of three or four. Only members of the fraternity will contribute to this program and the best talent which the talented group contains has been included in the scheme.

Several of the girls in Hendricks hall will assist in serving and on the reception committee, and special decorations have been planned for the occasion.

## RED CROSS CLASS TO BEGIN

### Home Service Course Scheduled for Eugene Chapter and U. of O.

A chapter home service course in Red Cross will be held jointly by the Eugene chapter and the University of Oregon, beginning Monday evening, April 29, at 8 o'clock, at the Methodist church, when Mr. F. P. Feisie, northwestern director of civilian relief of the Red Cross, will give a lecture on the meaning of home service.

Something like a dozen University girls a few weeks ago expressed a desire to take such a course. Mr. Feisie is an able and forceful speaker and an authority on Red Cross home service work, so that a large number of University women will undoubtedly wish to attend his lecture Monday evening.

## OREGANA TO APPEAR TWO WEEKS LATER THIS YEAR

### Due to Tie-up of Cuts in Portland, U. of O. Annual Will Not Be Out at Junior Week-end.

The Oregana will appear this year a couple of weeks after Junior Week-end, according to Helen Brenton, editor.

"The reason for the delay is that the engraving company in Portland has tied up the cuts," said Miss Brenton.

The printers in Eugene have set up about 60 pages of the 400. In the rear of the print shop can be seen a four foot stack of sheets containing eight pages each printed in lemon yellow. The pile consists of 30,000 sheets of the year book.

Jack Dundore, business manager of the book, went to Portland Thursday to investigate the cause of the engravers' delay, and secured the promise for immediate service.

## SWIMMING BEST LIKED OF OUTDOOR SPORTS

### Tank Crowded by 112 Girls Necessitates Each Woman Staying in Only One-half Hour.

Swimming is ahead of all other sports in the number of women choosing it as their outdoor sport. One hundred and twelve girls are swimming three times a week in the tank in the men's gymnasium. This number is so great and keeps the dressing rooms and tank so crowded that it has become necessary to divide swimming hours into half hour periods, each girl entering and leaving the tank exactly on the hour.

The tank is open for women on Tuesday and Thursday afternoons and on Friday mornings from 10 to 12. An attempt is being made to secure the tank for women as early as nine o'clock on Friday mornings.

Ninety girls are taking tennis as an outdoor sport, and this has kept the courts so full that another hour has been arranged on Monday, Tuesday and Friday. It will be decided whether the hour shall be 8 or 9 after a consultation of the schedules of those who have been unable to find room on the courts.

Sixteen are taking archery, and 12 are canoeing.

## CORNER STONE TO BE LAID

### Medical School to Celebrate Building of New Edifice in Portland.

The University of Oregon Medical School will hold exercises for the laying of the corner stone of the new Medical building on the University campus in Portland Wednesday, May 1.

President P. L. Campbell will deliver one of the addresses of the afternoon. Other speakers are W. K. Newell, of the board of regents of the University, A. C. Spencer, general attorney for the O. W. R. & N. Company, and Dr. Ernest H. Lindley, president of the University of Idaho.

Governor Withcombe will dedicate the corner stone.

## COACHING WEARS HAYWARD

### Track Trainer, Improving Slowly, Goes Back to Ranch for Rest.

Bill Hayward's condition, according to Dean Walker, is improving slowly and at present it is as good as could be expected.

It is evident, Mr. Walker said, that he cannot yet stand the nervous strain of athletic work, because after being on the field with the track men for an hour or so he was completely worn out and returned to his farm where he will remain for some time, coming in once or twice a week to help the track men.

## SUMMER WORK IS SUBJECT

### Miss May Harbart to Tell of Work Done With Girls in the State.

"What can I do this summer?" will be the subject of the discussion at the meeting of Y. W. C. A. to be held next Wednesday afternoon at four o'clock in the Bungalow. Miss May Harbart, a graduate of the University, and who has been doing some active club work with Oregon girls will tell some of her experiences and successes. Miss Harbart spoke at the Y. M.-Y. W. conference held during the winter at McMinnville.

Lillian Hausler and Lorna Meissner went to Portland Thursday morning to attend the funeral of their grandmother.

Lillian Johnson was a dinner guest at Hendricks hall on Friday evening.

## POLITICAL CAULDRON IS SLOWLY BUBBLING

### Wilson and Comfort Only Likely Candidates for President of Student Body Next Year.

## TWO OUT FOR EMERALD

### Mullarkey and Duniway Enter Race for Newspaper Running; Others Lining Up.

With nominations for student body offices but four days away, the political cauldron which has been bubbling for the last two weeks has finally boiled over and several candidates have appeared for the 21 offices to be filled. The ranks of the students have been so depleted by the enlistments of many capable men that from present appearances many of the offices will go begging.

For student body president, the highest office within the power of the associated students to give, two men have appeared as possible candidates. Dwight Wilson and Charles Comfort. Wilson is a member of the student council, pitcher on the baseball team, captain of next year's wrestling team, treasurer of the junior class and circulation manager of the Oregana. Comfort entered the University last year from McMinnville college and while here has been prominent in campus activities. He is a member of the student council and a letterman in basketball.

Douglass Mullarkey and Dorothy Duniway are the two aspirants for the editorship of the Emerald. Both candidates have been on the staff for two years. Mullarkey was a feature writer for the first part of the year and last term acted in the capacity of assistant news editor. Both are majors in journalism.

Ella Dews and Marion Coffey are the only candidates who have been rumored for the secretaryship of the student body. Ella Dews has been prominent in class activities and is vice-president of the junior class. Marion Coffey has worked on many important committees and is a member of the women's swimming team.

George Taylor is the only man who has announced himself for vice-president of the student body. He was captain of the wrestling team last year and Northwest champion at his weight. He is chairman of the canoe fete for Junior Week-end.

Juniors for student council offices next year are as scarce as hens' teeth.

## MAY DAY PICNIC DATE

### Y. W. to Offer "Real Time" at Cobury Bridge for 25c.

### Proceeds Go to Fund to Help Girls Attend Seabeck Conference.

A five-mile motor ride, a bonfire, a marshmallow roast and all the joys of a real spring picnic will be offered by the Y. W. C. A. for 25 cents at the May Day picnic to be held next Wednesday at Cobury bridge for the benefit of the Seabeck Conference fund.

Florence Hemenway, Gladys Smith, Winona Lambert, Lorna Meisner, Lillian Auld, Dorothy Collier and Lillian Hausler, the committee in charge of the affair, have secured 20 automobiles and have 100 tickets on sale. The crowd will leave the Bungalow Wednesday at 6:30 p. m. and will return at 8:30 p. m. "Bring your ukuleles along," counsils Florence Hemenway. "We are planning a real time and expect the picnic to be every bit as successful as the one given last year."

The fund for which the proceeds are intended is used to aid girls to attend the annual conference of all Y. W. C. A. members in the northwest, held at Seabeck, Washington, May 21 to June 1.

"So many girls," said Miss Tirz Dinsdale, campus secretary, "would like to attend the conference but they cannot afford to do so. The fund enables them to borrow the money and return it at some future time."
