**MANY PROMOTIONS  
DUE IN BATTALION**

**Early Departure of Officers for Presidio Will Give Several Chances for Advancement.**

**Interest Centers on Possible Successors to Couch and Cosgriff.**

Many promotions in the University battalion will be announced next week. It is expected, as a result of several of the present officers leaving for the Presidio the end of this week. Their departure means a move-up in the whole battalion, and it seems safe to judge will give chances for rapid promotion for men in the ranks.

The possibility of the acceptance of the applications of Major Ray Couch and Captain Robert Cosgriff is leading to speculation on who will fill their places. Captains James Sheehy, Charles Comfort, and Henry Eickhoff are in line for these positions. This will mean, then, a promotion to captain of the lieutenants of two of these companies, and also a promotion in Company A, if Captain Charles K. Crandall, who has made application, leaves for camp, too.

**Those Who May Succeed.**

In Crandall's company, the lieutenants in order of seniority, who stand next below the captain are Oran Jenkins and Curtiss Peterson. But Jenkins has also applied, which may leave the two lieutenancies vacant. Those who have a chance at the lieutenancy are, in rank of seniority, Nellis Hamlin, Douglas Mullarky, Mortimer Brown, Ned Fowler, and Harry Jamieson. The corporals in the order of their eligibility to promotion are I. E. Warner, George W. Taylor, Jack Montague, Herold White, and K. Weigel.

In Company B, Eickhoff's Company, are Lieutenants Herman Lind and Charles Waugh, sergeants Robert McNary, T. J. Chapman, S. H. Carter, J. J. Leslie, D. S. Dalgleish, and corporal Martin Sichel, Paul Spangler, Thurston Laraway, Dot Medley, Rolin Woodruff, and Ed Durno. None of this company have so far made application, with the exception of a private.

**In Sheehy's Company.**

In Captain James Sheehy's company, Company D, are lieutenants Dwight Wilson and Larue Blackaby and sergeants Lyle McCroskey, Clyde Mason, Richard Avison, and Bill Steers, and Corporals Harold Cake, William Haseltine, John Kennedy, Walter Schade, and Norman Phillips. Lieutenant Blackaby has made application and if this is granted, advances will follow in this company. It is expected that perhaps other officers from this company will also make application for the camp.

Captain Charles Comfort's company has as its lieutenants Arnold Koepke and Dow Wilson and as sergeants Harold Grey, James Burgess, Stanley Atkinson; corporals, Hugh Thompson, Bill Coleman, Morris Morgan, and Flint Johns. Bill Coleman is applying for entrance to the officer's camp.

of the men yesterday during drill hour, giving chances for privates for twenty minute periods to command the companies. "On the whole", said Mr. Allen yesterday, "they did very well."

**Few Errors in Orders.**

Occasionally the officers would order their men to climb up the side of the drill shed by saying squads right when they meant squads left, but the men under them took it very good-naturedly and merely grinned. The difficulties of drilling in the shed in the dust and in a much smaller space than the men are usually accustomed to, made their work really commendable thought Major Allen.

From all indications, formed promotions will be announced some time next week.

**ORDNANCE INSTRUCTORS GO**

**Corporal Moores and Privates Gunthers and Jones Depart for Texas.**

Corporal Ralph D. Moores and Privates Lester C. Gunthers and Earl F. Jones, instructors in the ordnance training school, left Eugene Tuesday in compliance with War Department orders, for Camp Bowie, Texas, for duty at the ordnance depot at that station. Ralph Moores and Earl Jones were members of the second ordnance course here at the University and Lester Gunthers attended the third course. Lieutenant C. C. Jeremiah and ordnance Sergeant Vernon B. Fairley will remain in Eugene for a few days, pending the completion of important reports and some special work for the War department at Washington, after which they will receive further instructions from that department.

**NEW COOKBOOK AT LIBRARY**

**Mrs. Mabel McClain Urges Public to Use War Pamphlets Freely.**

"What to Eat and How to Eat It" is the title that the official receipt book which has been issued by the Illinois State council of defense, and received at the library. Also a pamphlet appealing to the people of Oregon to use more potatoes and less wheat, issued by Cornelia Marvin, state librarian, has been received by the library. The war pamphlets, Mrs. Mabel McClain, circulation librarian, wants the people to understand, may be borrowed from the library just the same as the books. There seems to be some misunderstanding about it, she said, and the pamphlets haven't been used as much as their worth merits.
