

TWENTY TO REPORT AT OFFICERS' CAMP

Thirteen to Go from University Battalion, Seven Alumni Selected as Oregon Quota.

FEW FAIL PHYSICAL TEST

All Applicants Are Required to Enlist for Duration of War.

Thirteen men of the battalion and seven alumni will report at Camp Lewis Wednesday morning at 10 o'clock as Oregon's quota to the officers' training camp.

The final list as announced this morning is as follows:

- Ray Couch, Island City. Robert Cosgriff, Portland. Charles K. Crandall, Vale. Dean Hayes, Eugene. Oran Jenkins, Albany. John Stark Evans, Eugene. Nellis Hamlin, Roseburg. Claude Hill, Klamath Falls. Charles R. Mathews, Eugene. William Coleman, Portland. Cyrus A. Sweck, Springfield. Giles Hunter, Roseburg. Lewis J. Mannel, Portland.

The following were named from among the former students and graduates now in the service to make up the University's full quota:

Corporal Jay Gore, sergeants, Bule Bramhall, McLead Maurice, Oliver B. Huston, Leonard Ploom, of Camp Lewis, and Sergeant Henry Fowler, now stationed at Vancouver barracks. Sergeant Percy Boatman, stationed at Camp Lewis, has been selected as an alternative. All the men who are going from the University battalion have been active in athletics or student body affairs. Ray Couch is a senior, has been major of the battalion and was vice president of the student body this year. He was star half-back on the football team and is a member of Alpha Tau Omega, Alpha Kappa Psi and Friars.

Charles Crandall, better known as "Slim," was this year's yell leader and went out for class basketball. He has

TWO CUPS PRESENTED

Roberta Schuebel and Dwight Wilson Capture Trophies.

Gerlinger and Koyl Awards Given to Best All-Around Woman and Man.

Dwight Wilson and Roberta Schuebel were selected as the owners of the Koyl and Gerlinger cups, awarded to the best all-around Junior man and woman, at the Junior prom Saturday night. They will hold the cups for the next year.

Dwight Wilson has been prominent in student body affairs, having served this year on the student council. He has been circulation manager of the Oregonian, treasurer of the Junior class, member of the wrestling and baseball teams. Next year he will serve as president of the student body and the state oratorical association, and captain of the wrestling team.

As secretary of the Women's league, Roberta Schuebel has served on various committees. Last year she was a member of the co-ed debating team, and this year a member of the forensic council. She majors in law, and is a member of Zeta Kappa Psi and Kwama.

The Koyl cup was offered by Charles W. Koyl in 1914, when he was secretary of the campus Y. M. C. A. Mr. Koyl graduated from the University in 1911.

The first year Bert Lombard held the cup, and following him were Leslie Toozé, Nicholas Jaureguy, and Randall Scott.

This is the first year the Gerlinger cup has been offered. Mrs. George Gerlinger, regent of the University, believing that the women of the University should be recognized as much as the men for the work they do, offered the cup, vesting the right of award in the hands of a committee she selected.

The cups are both permanent possessions of the University, awarded to different Juniors from year to year, and are always to be left on the campus.

\$2000 TO BE BORROWED BY STUDENTS FOR CO-OP

Executive Committee Decides to Obtain Funds for Outstanding Bills of Campus Store.

The executive committee of the student body at a meeting yesterday in A. R. Tiffany's office decided to borrow \$2000 to pay outstanding bills of the Co-op store.

"The Co-op," Mr. Tiffany said, "started two years ago without any capital. A year ago it was forced to borrow \$2000 to buy necessary stock. The store has now merchandise on hand amounting to \$5600. If the Co-op now borrows \$2000, the value of the stock on hand will still much more than cover the \$4000 indebtedness."

A recent invoice of the store shows a profit of over \$1200 for the past two years. "Mr. McClain," said Mr. Tiffany, "deserves a great deal of credit for continuing the business of the store, as he has under such adverse conditions."

When President Campbell returns, the advisability of continuing the Co-op as a student body store next year will be discussed. "It is very doubtful," said Emma Wotton Hall, member of the committee, "that the student body will be able to finance the Co-op store next year."

BASEBALL SEASON NETS \$90 TO U. OF O. COFFERS

Unheard and Unthought-of Innovation Makes Graduate Manager Tiffany Smile.

With only two new balls and two new bats purchased this season, not a game postponed and only one interrupted on account of rain, and a record of six wins in an eight-game series with O. A. C., Oregon has ninety dollars in her coffers as the result of an unusually successful season, and Manager Tiffany wears a smile on his face.

The Junior Week-end games brought in \$71.75, which is the high water mark for baseball returns at that season for the past two or three years, according to Mr. Tiffany. Total expenses for the season were probably \$150 and about \$90 was taken during the entire time.

Baseball is never counted on to do anything but run the University into debt and has never been known to be a money making sport in spite of the fact that it is the great American game. It is on this account that Graduate Manager Tiffany smiles—90 dollars taken in is an innovation.

The finances of the O. A. C. games were simplified by the fact that each team paid its own expenses over and back.

JUNIORS WILL CLEAR ABOUT \$40 FROM PROM

Figures Not Complete, but Committees Hand in Reports—Expenses Total \$116.30.

The Juniors will have nearly \$40 to add to their treasury as a result of the Junior prom, reports Dwight Wilson, treasurer of the Junior class.

Figures are not complete as yet, but the approximate expenses are \$116.30, while the receipts, minus the war tax, were \$150.30.

The committees have submitted these approximate estimates of expenses:

Table with 2 columns: Expense Category and Amount. Music \$87.50, Punch \$25.00, Army \$25.00, Programs \$26.00, Taxes \$2.00, Invitations \$0.80. Total \$116.30.

Claire Warner won the vice-presidency with 25 votes to Margaret Whitton's 20 and Adelaide Lake's 13. Eunice Zimmerman was elected secretary with 30 votes to Ethel Murray's 27. OREGON WINS 5 TO 4 IN LAST O. A. C. GAME

Thrilling Ninth Inning Gives Victory to U. of O.—Aggie Team Speeds up Since First Contest.

Grebe, Lind, and Steers Shine for University; Ten to Receive Letters.

Oregon made it six out of eight from O. A. C. when she grabbed a fast, hotly contested game Saturday by a thrilling ninth inning rally and a story book finish. The final count was 5 to 4 in favor of the lew-on-yellow after the count had seen-sawed back and forth throughout the contest.

When the ninth inning opened Oregon was one run behind and the Aggies were going strong. "Rabbit" Grebe opened the frame by getting a single and was followed by Lind, who got his second hit of the day, a safe bunt along the third base line. Medley advanced the runners to second and third and then with one down Bill Steers strode to the plate with a mighty stride and placed one of Mr. Krueger's carefully delivered balls into the outer garden, between Preston and Baldwin. The hit would have been good for a homer, if a homer were needed, but since Bill had just drawn up at second when Lind crossed the platter with the winning run he only gets credit for a two-base wallop. Nevertheless, it was some blow.

Aggie Team Improves.

The Corvallis team showed an improvement of about a million per cent since they first thrust their spikes into Cemetery Ridge, and in both of the last two games they appeared to have the earmarks of real ball players. The improvement of Rickson, the Aggie second sacker, was most pronounced. Two weeks ago he was good for about four boots in each contest and was hitting about nil. On Saturday he gathered two hits out of five trips to the plate and while he made one error he handled

GIRLS' BASEBALL SERIES MUST START THIS WEEK

Rain no Excuse, Says Frances Baker; no Player Eligible on More than One Team.

Preliminaries of the girls' doughnut baseball series must be played off this week, according to the announcement made by Frances Elizabeth Baker, manager, yesterday. The final game will be played on woman's field day, which is set for May 25.

If the weather is rainy, it is no excuse, declares Miss Baker, because the games may be played in either of the gymnasiums. The official ball grounds for women are between Deady and the education building.

Dates for games must be made at the women's gymnasium, where Miss Baker or Miss Harriet Thomson will be almost every hour during the day.

A new ruling has been made this year to eliminate the trouble of girls playing on more than one team. Any girl who is playing on a house team is not eligible to play on the Y. W. C. A. team.

The line-up for games is as follows: Kappa Kappa Gamma vs. Alpha Phi; Pi Beta Phi vs. Delta Delta Delta; Kappa Alpha Theta vs. Gamma Phi Beta; Delta Gamma Y. W. C. A. The winner of the last game to play Oregon club. The Y. W. C. A. Delta Gamma game has been arranged to take place Friday afternoon at 4.

1918 OREGANA TO COME OFF PRESS NEXT WEEK

Engraving Still Behind—Several Sections Completed, Book All Paged.

The 1918 Oregoniana is due to come off the press the end of next week if the printers are to be believed. The promised date of delivery has faded into the distance several times already so the time when the campus will get its hands on the book is still shrouded in mystery. The book is all paged and several sections are complete. The engraving company is still behind on a number of cuts which tie up the completion of the printing.

MRS. PAUL H. DOUGLAS TO SPEAK AT ASSEMBLY

Portland Woman Will Address Students Under Auspices of Oregon Consumers' League.

Mrs. Paul H. Douglas, of Portland, speaking under the auspices of Oregon Consumers' league, will address the student body at Wednesday's assembly in Villard. Her subject will be "War Work for Women."

Mrs. Douglas, according to Dean Louise Ehrmann, is especially fitted to speak with real authority because of her interest in the work and her training in this subject.

Mrs. Douglas will hold conferences for women in Miss Ehrmann's office tomorrow morning from 11 to 12 and in the afternoon from 2 to 4. She may speak at Y. W. C. A. in the afternoon. Special music for assembly will be furnished by the woman's band. Emma Wootton Hall will speak on the raising of the war fund at the University.

STORY AWARDS ANNOUNCED

Extension Class Holds Contest Under Direction of Mrs. Parsons.

Prize-winners in the short story contest conducted by Mrs. Mable Holmes Parsons' class in Portland were announced at the meeting of the class in Portland central library building last Saturday night. The first cash prize, put up by Mrs. R. G. E. Cornish, a professional short-story writer, was won by Miss Elsie Lee, and the second prize, offered by Mrs. Parsons, was awarded to Miss Lucy Juga. The judging was done by the entire class. Only those members of the class who had never sold any stories to magazines were eligible in the contest. Miss Lee's winning story was entitled "Martha Haight," and Miss Juga's, "In the Mists." Both winners are residents of Portland. Miss Lee is a graduate of the University of California.

1918 PLAY MAY CLEAR \$200

Gross Receipts of "Arrival of Kitty" Are \$428; Expenses Large.

More than \$200 probably will be cleared from the senior play, "The Arrival of Kitty," according to the report of Henry Eickhoff, chairman of the play committee. The money will go to the senior memorial fund.

"The receipts of the house were \$420," said Eickhoff. "That is three times as good as any production put on at the Eugene theatre this year. Our expenses will be, as nearly as we know now, \$75 for the theatre, \$100 for the coach, and \$90 for such things as advertising, royalties, cartage, etc.

This is the fourth University production that James Mott, of Salem, has coached. The play was put on with one week of rehearsal.

DAN D. W. MORTON SPEAKS

Head of School of Commerce Will Address Commencement Classes.

Dean D. W. Morton of the school of commerce, who has just returned to the campus after an absence of nearly a year, has already made engagements with five high schools to speak at commencement exercises. Friday night he is to deliver the commencement address at the Hubbard high school on "Education in the Reconstruction Period."

He will speak in Salem and Albany at the high schools there in the interests of the extension department on Friday and Saturday of this week. His subjects are to be on something of particular interest to students of the high school age and are to be selected with the view of increasing their interest in the University.

STARS TO BE ADDED TO FLAG

K. W. Ontnank Asks that Names Be Given Him at Business Office.

Due to the increasing number of men who are leaving the University to enter some branch of the service, additional stars will be added to the service flag soon. K. W. Ontnank requests anyone who knows of names that should be added to the service list to report them to him.

Mr. Ontnank says that if there is a doubt as to whether the name is already on the list, send it in anyway, because it is only through friends and outside information that a record can be kept of Oregon men in the service. Promotions are comparatively numerous and the Emerald wants to know about them and can get them only in this way.

WEEK-END IS SUCCESS FROM EVERY ANGLE

Every Event Staged on Schedule and Well Attended; Sophs Win Tug-of-War Contest.

Juniors Take Honors in Swimming Meet; 600 People at Prom.

The Junior Prom on Saturday evening officially closed one of the most successful Junior Week-ends that the University has ever witnessed.

From the first event of the program on Thursday evening through to the Home Sweet Home waltz on Saturday evening, the week-end was a busy and entertaining one, and few minutes were idle ones for either the week-end guests or their hosts and hostesses.

With two hundred guests on the campus being entertained by the fifteen sorority and fraternity houses and the women's and men's dormitories on the campus, every event was well attended.

Carnival is Best Ever.

Looking back on the carnival one could say that it was the best ever pulled off. The lightness of the evening made it necessary to put the fete off for an hour in order to show the lighting effects of the canoes. Promptly at 10 o'clock the call came for the floats to fall in order and drift past the boat-house.

The canoes were to cost no more than \$10 dollars, and prices for the evening's beautiful effects are said to have cost all the way from 55c to \$10. As far as beauty and originality were concerned, the canoes were as pretty or prettier than they have been for several years.

After the canoe fete many of the

TRACK MEET PUT OFF

O. A. C. and Oregon Freshmen Have Week More Training.

First-Year Ball Players Out to Assist in Defeat of Corvallis Rooks.

The Oregon-O. A. C. freshman track meet, which was scheduled for this coming Saturday afternoon, has been postponed for one week. This information was given out by Coach Bill Hayward last evening. The change was made in order that both aggregations might have a little longer time for preparation for the events.

Now that baseball season has been brought to a close, several of the frosh diamond men are out to aid in defeating the Rooks from Corvallis on the cinder path. A squad of about 20 men is turning out regularly and from present indications the babes should stand a fair show with the Aggie first year men.

Ed Durno, who has been catching on the baseball team, is out for the distance events. Endurance is his special, out nothing is known of his speed in the mile or two-mile. Johnny Gamble, who ty, but as yesterday was his first day has been holding down an outfield berth is out for the sprints. Gamble did some track work while in high school and is locked upon as a possible candidate in the 100 and 220 yard races.

Francis Jacobberger is now out for the javelin and the hurdles. The frosh pitcher also competed in several track meets while in prep school and is expected to make a good showing in these two events. "Cork" Young is out for the interests of the team and will compete in whatever Bill Hayward thinks best for him.

Bill Hayward has taken complete charge of the first-year team and is trying his best to avenge the defeat of the varsity runners by the O. A. C. team for the first time since his arrival at Oregon. Coach Hayward has asked for more recruits stating that he does not care whether or not they have ever seen a track meet before. The object is to win the meet, and if a number of one or two point men will come out and help the cause, chances will be very good.

The team is practicing every afternoon at 4 o'clock on Kincaid field and in the running shed.
