

## CO-EDS WIN IN TENNIS FROM WILLAMETTE

Miss Campbell Takes Singles 6-2, 6-2; Miss Kay and Miss Slotboom Take Doubles Match.

Salem Players to Meet Oregon on Home Courts May 26.

Although hampered by strange courts, the girls' varsity tennis team took two matches out of the three from Willamette University Saturday, May 18, at Salem, winning the tournament. The members of the Oregon team who made the trip were Madeline Slotboom, Marjorie Kay, Marjorie Campbell and Adrienne Epping. Since Caroline Alexander was not able to accompany the team because of illness, Madeline Slotboom held the position of manager pro-tem. Inasmuch as two courts were available and rain threatened at any minute, the two single matches were played off at the same time. Adrienne Epping drew Mary Findley as her opponent, and Marjorie Campbell played Hortense Harild.

### Miss Epping Loser.

The match between Miss Epping and Miss Findley was short and fast, the Willamette girl winning over Miss Epping by two straight sets—6-4, 7-5. Although Miss Findley beat Miss Epping last year, tennis enthusiasts thought that Miss Epping would come back with an easy victory this year but she failed to penetrate Miss Findley's steady playing. Miss Epping's game was fast and brilliant but Miss Findley played a beautiful game against her, using the "Lawford" stroke constantly with telling results. Miss Findley showed perfect form in her return shots and time after time she placed her steady drives just out of Miss Epping's reach. The final game was played in a gust of rain.

### Miss Campbell Winner.

The match between Miss Harild and Miss Campbell was played at the same time. Due to a strong wind Miss Harild was unable to get control of her serve until Miss Campbell had won three straight games. Then she rallied and won the next two games but she was unable to maintain her improvement and Miss Campbell took the next three games, winning the first set 6-2, 6-2. In the next set each player won her serve twice, making the score two all, but Miss Campbell took the lead and won the next four games straight, taking the second set by the same score, 6-2. Miss Harild showed excellent control of her return strokes, using the cut with considerable accuracy and Miss Campbell's strong point was her serve which she placed well, in one game winning three straight points with three balls.

### Girls Are Entertained.

The University girls were entertained at lunch by Miss Findley and Miss Harild. In the afternoon the doubles match was played off between the Will-

He has only recently recovered.

Serving for many months in the midst of terrific action, he comes to the University with an authentic story of the thrilling events that are taking place in France.

## GIRLS TO PLAY TENNIS AND BASEBALL SATURDAY

Annual Woman's Field Day to Be Featured by Tennis Match with Willamette Women.

Two more games in the girls' baseball doughnut series have been scheduled for the last part of this week, the final game to decide the winner of the Hayward cup, to be played on Saturday which is woman's field day.

The games scheduled are the following: Y. W. C. A. vs. Oregon Club, Thursday afternoon at 4; Kappa Kappa Gamma vs. Pi Beta Phi, Friday at 5. The winner of the Y. W. C. A. club game is to play Theta, and the winner of that game will play the winner of the Kappa-Pi Phi game on Saturday.

Two tennis tournaments will take place on the Oregon courts during the girls' field day program on Saturday. The team from Willamette University will play the University team Saturday afternoon, and the interclass tournament has not yet been set.

All preliminaries for the underclass tournament must be played off by Friday, according to Caroline Alexander, president of the tennis club. She has down the names of the representatives to play for each class, and the girls who find their names posted in the library and the woman's gymnasium must arrange for their games to be played on Wednesday or Thursday. The award to be played on field day is a first class tennis racket offered by the Woman's Athletic association.

The teams to play in the Willamette-Oregon meet are composed of the following players: Willamette—Mary Findley, Clara Perkins and Hortense Herald. Those playing for Oregon are Adrienne Epping, Marjorie Campbell, Marjorie Kay and Madeline Slotboom.

## WILSON AND TAYLOR GO

Student Body Loses President and Vice-President.

Special Election to Be Called First Wednesday of Next October.

With the thrill of a lively student-body election only two weeks in the background, the University awakes to the fact that it is without a president or vice-president for next year, since Dwight Wilson, president-elect for 1918-19, has been called in the draft to report at Camp McDowell, California, and George Taylor, vice-president elect, left with other members of the University battalion for Camp Lewis last week.

According to James Sheehy, president, no special election will be held this term to refill these offices, but instead an election will be called the first Wednesday of October by Ella Dews, secretary. This is believed to be the best arrangement, since there is no way of telling who will be taken in the draft between now and next fall.

Until that time, even after the installation of the remaining new officers in June, Sheehy offers his assistance in any way possible.

## CO-EDS MEET DEFEAT IN SWIMMING MEET

Marion Coffey Stars for Oregon, Followed Closely by Helen Nicolai Miss Reichart Scorer.

Oregon Loses 53 1-2 to 33 1-2 in Second Annual Contest; Won Last Year.

The co-ed Varsity swimming team met defeat at the hands of O. A. C. at Corvallis last Saturday afternoon in the second annual intercollegiate swimming meet held between the co-eds of the two schools. The resulting score showed 53½ points for O. A. C., 32½ for Oregon. Oregon entertained the O. A. C. team last year and defeated them with even a bigger score than O. A. C. walked over Oregon this year.

Marion Coffey was high point winner and for speed, was the star of the meet, followed closely by Helen Nicolai, while Natalie Reichart was the star of the O. A. C. team.

Miss Coffey also showed up well in diving, as did most of the University girls. They attempted more and much more difficult dives than the O. A. C. team. As a whole the rival team was an older and more experienced team, they having several of their last year's team to Oregon's three old swimmers.

The results: Plunge—(Every one being able to swim the length of the tank, only the time taken counted): Natalie Reichart, O. A. C., 13 sec. for 35 ft.; Jean Kelly, O. A. C., 14 sec.; Jeannette Moss, U. of O., 15 4-5 seconds.

## AGGIE TRACK MEET IS DEFINITELY CANCELLED

Freshmen Will Not Meet O. A. C. on Cinder Path, Oregon to Have no Contest on Home Field.

The freshmen track meet with O. A. C. has been definitely cancelled, announced Graduate Manager A. R. Tiff, any yesterday and the freshmen will not be given an opportunity to show their class on the cinder path this year.

The meet, which was originally scheduled for May 11, has been postponed from time to time until Coach Pipal informed Tiffany that it would be impossible for him to get a team together for the meet here next Saturday. May 18 was the date set after the postponement from the 11, but owing to the fact that Kincaid had been given over to the school children of Eugene for that date, it was suggested by Mr. Tiffany that the meet be held next Saturday, but Pipal reported that his squad had been so diminished by students withdrawing to work on farms that he could not bring a team to Eugene at this late date.

It was also suggested to the O. A. C. coach that the meet be held sometime during this week, but as many of the Rook track stars had already left school, this plan was rejected.

This leaves the Freshmen track team without a meet after weeks of hard constant training and it also leaves Oregon without a track meet on her campus this year.

## DRIVE FOR ARMENIAN FUND OF \$100 STARTS

Huber Rambo, Sophomore, and Member of Campus Committee, Has Visited Stricken Land.

Was Over Country Several Years Ago for Which Money Is to Be Used.

The campus campaign to raise an Armenian relief fund quota was given a local touch recently when it was learned that Huber Rambo, a sophomore in the University, has parents now conducting a school in India and well acquainted with the Armenian relief work and the condition of the Armenian people.

Rambo, himself, has been over the country for which the money to be raised here is to be used. He visited Armenia several years ago with his father before returning to America to go to the University. He can talk Hindustan as well as he talks for Armenian relief. And this latter accomplishment has won for him a place on the Armenian relief fund committee which begins soliciting among the men of the University Wednesday morning to raise the \$100 quota of the University.

Other members of this committee have been appointed as follows: Edmond Padden, chairman, Richard Avison, Evan Anderson, Henry English, Kenneth Lancelotti, Newton Estes, Elmo Madden, Leith Abbott, Howard Kelly and Chester Adams.

The campaign will be opened Wednesday when Reverend A. M. Spangler will give a ten-minute talk in assembly on the Armenian relief work. The money raised here is to go direct to James Lyman, former secretary of the campus Y. M. C. A., who now is head of a mission in Asiatic Turkey that is caring for a large number of Armenian refugees.

## Varsity Tennis Team TO GO TO CORVALLIS

Tournament to Be Played with Aggies Saturday; Brown, Hershner and Smith May Be Picked.

The Varsity tennis team will journey to Corvallis Saturday morning to play O. A. C. a return match. Oregon won all three of the singles matches played on the local court Saturday but rain stopped the tournament just as the doubles were about to be started. Three singles matches and two doubles will be played at Corvallis.

A tournament is being played this week to determine who will compose the four-men team which will meet the Aggies. Mortimer Brown, Lawrence Hershner and Graham Smith are reasonably sure of places and the other will probably be chosen from Thurston Laraway, Perry Arant and Bill Haseltine.

Mortimer Brown showed the best form in the matches Friday and played really high-class tennis. His driving and placing were splendid and he had Hyde of O. A. C. at his mercy all the time.

## MISS CUMMINGS TO GO TO WAR CONFERENCE

National League of Women War Workers Meets in Portland Thursday; Mrs. Campbell State Head.

Miss Mabel Cummings, director of the University physical education department for women, will attend the Oregon conference of the National League of Women War Workers to be held in Portland Wednesday and Thursday. Mrs. P. L. Campbell is state president for Oregon.

The purpose of the league is to coordinate and prevent overlapping of branches of women's war work, which is the cause of loss of energy.

Miss Cummings will attend the conference on Thursday, and on Friday will serve as one of the examiners for candidates for the B. A. degree in physical education in Reed college.

## SENIORS TO GIVE PROGRAM

## BATTALION BASEBALL ON ATHLETIC PROGRAM

Three Inter-company Games to Be Played Off This Week During Drill Hour.

Now that the doughnut baseball league is drawing to a close with the championship game this afternoon between Delta Tau Delta and the Phi Delta Theta teams the next thing on the athletic program is inter-company baseball, Thursday afternoon the representatives of company A and D will fight out the first round of the elimination series and on Friday company B will play company C. The winners of the first two games will meet next Tuesday to fight out the championship of the battalion. The games will be played during the drill hours and the contesting companies will be excused from drill on these days but a roll will be taken to see that every man in the company is on hand to root for his team.

Next Thursday the entire two hours of the drill period will be taken up by the games and the entire battalion will be on hand to watch the fray. "Hank" Foster will twirl for Company D in Thursday's game but the twirler for Company A has not been announced as yet.

## Y. M. TO HANDLE DRIVE

Campus Organization to Direct Red Cross Campaign.

Seven Men Sign up to Attend Annual Seabeck Meeting June 14-21.

A meeting of the Y. M. C. A. cabinet will be held tonight to discuss plans for the Red Cross drive which began yesterday. The Y. M. C. A. will take up the work of this drive on the campus in co-operation with Eugene Red Cross workers and will probably conduct most of the campaign among the men.

Outlines for religious education will also be discussed in connection with the annual Seabeck conference to be held June 14-21.

Men who have signed up to go to Seabeck this year are Richard Thompson, Herald White, David Stearns, Lindsay McArthur, Clinton Thienes, Frank Johnson and William Lyle. William Coleman, who was chairman of the Seabeck committee, left last week for the officers training camp at Camp Lewis, and Herald White has appointed William Lyle in his place. The purpose of the camp is to train men who are to be leaders in Y. M. C. A. work. This year there will be in addition a discussion of peace reconstruction after the war which opens up a large field for Y. M. C. A. workers.

In the forenoon there will be classes and in the afternoon there is fun, according to men who have been there in former years. They say also that the one week at Seabeck is worth as much as a whole term at college. Clinton Thienes stated that the entire cost of the week outside of railroad fare will be \$18.

Some of the leading men of the coast who have already signed up to be at Seabeck in June are Dr. John H. Boyd of Portland, John Rud, also of Portland, who is state secretary of county Y. M. C. A. work and Raymond Seabrooks of Berkeley, called the "apostle of social religion" on the coast, due to his being the chief exponent of social service work here.

## PRESIDENT STILL SEEKING KANZLER FOR R. O. T. C.

If Unavailable, Officer Returned from France Will Be Brought to Oregon.

Word received from President P. L. Campbell today said that he was pushing Captain Jacob Kanzler's appointment as head of the R. O. T. C. as fast as possible but that if it was impossible to obtain him he would get an officer who had recently returned from France. Further details were lacking.

The president also wanted a list of men who were drafted. He said that registration in scientific subjects was all that could be used to obtain exemption for them, as the R. O. T. C. does not help at all. Karl Onthank will wire the names of Bruce Flegal, Dwight Wilson and Arthur Runquist in today. Flegal and Wilson were both majors in science but Mr. Onthank was doubtful about obtaining any exemption for them.

The president said that he would return to the campus June 2.

Laughable Surprises and Intricate Plots to Entertain Audience.

The plays will be given Thursday and Friday nights of this week at Guild hall.

"The Prince of Liars" is a light, care-free farce, a type of the popular play that was chosen by members of the class for production. ## FOOTBALL MEN OUT

Dean Waiker Issues Call for Light Workouts.

Last Year Freshmen Already at Work in Passing, Kicking and Handling.

A new innovation will be introduced into the University tomorrow afternoon when candidates for next year's football team will turn out on Kincaid field for Spring practice. Coach Dean Waiker issued a call yesterday afternoon for men who have the time and desire to come out in any kind of uniform for light work-outs in passing, kicking and practice in handling the ball.

Several of last year's freshmen aggregation have been practicing some already since the close of the baseball and track seasons.

Quite a number have signified their intentions of coming out tomorrow afternoon. Practically the whole of last season's freshman team will be present, as well as a number of other experienced and inexperienced candidates. Brandenburg, Jacobberger, Strachan, Durno, Chapman, Trowbridge, Kennedy and Dresser of the freshman aggregation, and Steers, Still, Hunt and Dow Wilson on the varsity squad are all on hand and will probably take their turns at booting and passing.

The workout has been scheduled for 4 o'clock tomorrow afternoon on Kincaid field.
