

BRITISH TO FIGHT ON UNTIL FINAL VICTORY

Desire for Vengeance Great, Says Dr. Bean, Back from French Front.

Cites Tales of Hun Treachery; Bombing of Hospital Recounted.

Intimate glimpses of the British army as a fighting organization and as a mass of men whose senses and feelings have been so outraged by German atrocities and cruelties that they will not make peace until they have been thoroughly avenged and the Hun adequately punished, were given by Dr. Harold Bean '12 who served as a lieutenant in the U. S. medical corps assigned to the British army, and who was honorably discharged because of serious injuries.

"The English soldier," said Dr. Bean, "is determined not to quit fighting until the right kind of peace is made. He will fight to a finish in the face of all obstacles. During all the time I was in France, I never heard a complaint from the British Tommies about the hardships they have to bear. They are determined to win."

Dr. Bean told how an orderly in the corps received a telegram from England saying that the orderly's mother had been killed and his two sisters severely wounded in the bombing of London.

Will Fight to Last Man.

"The orderly," said Dr. Bean, "turned to me and said, 'Now, you can understand why we will not talk peace with the Germans,' and I realized then that the English will fight to the last man."

The speaker told how the Germans bombed a field hospital, killing a nurse and four men besides wounding several.

"It is impossible," he said, "to believe that the Huns did not know that it was a hospital, for the bombs were thrown at 9:30 p. m. in bright moonlight and the hospital was identified by a Red Cross with arms 6 feet across, set on a grass plot and outlined by two rows of white boulders. It is estimated that the sign could be seen 5,000 feet in the air. Those who witnessed the bombing testify that the planes were so close that the Iron Cross painted on the machine could be distinguished."

German Treachery Cited.

How several Germans cried "Kamerad" and then threw hand grenades at the members of an Army camp was described by Dr. Bean. "I helped to dress the wounds of those Southern boys who will be disgraced for life," he said, "and I know that it was not an accident."

The treatment of German prisoners by the British was praised by the speaker. "I was in a prison camp for three weeks treating the wounded," he said. "The Germans are treated with the same consideration as an Englishman. They receive the same rations, and are not required to work if physically unfit. Heavy penalties are placed on anyone who mistreats prisoners.

"The prisoners," he continued, "are

MEDLEY MADE CAPTAIN

Will Pilot Baseball Men For 1918 Season.

Prospects Good if Old Men and This Year's Frosh Return.

Dorris Medley, commonly known as "Dot," will captain the lemon-yellow baseball men next year. The choosing of "Dot" was a tribute to the enviable reputation he has made on Oregon baseball teams.

The prospects for a winning aggregation next year are good. Captain Sheehy, Walter Grebe and Arthur Runquist will not be back, but with a nucleus of Medley, Lind, Dunton, Morrison, Berg and Campbell around which to build a team, a winner seems in line. Bill Steers' return next year is yet questionable as he is considering enlisting. And then there are a few freshmen who deserve looking over, among them Gamble, Finneran, Jacobberger, Houston, Durno, Moore and Young. With most of these certain of returning to school, the rough edges will be smoothed over.

This year's baseball season is considered successful. The team was a winner, and the finances turned out much better than expected.

SORORITY TO HELP STACK BELGIAN MILE OF DIMES

Delta Gamma Will Give Benefit Dance to Raise the Campus Allotment.

A benefit dance, to assist each member of the campus chapter of Delta Gamma to raise two feet of dimes as her part of the national Delta Gamma campaign for a mile of dimes for Belgian war relief, will be given tomorrow night in the women's open-air gymnasium.

The first three dances on the program will be free of charge; after these, five cents a dance will be the rule, or fifty cents for the evening.

Approximately each girl's quota is \$3.40 and the total to be contributed by all the chapters in the universities of the United States is \$10,000.

Dean Louise Ehrmann, Miss Mabel Cummings, Mrs. B. S. Bailey, Mrs. Anna Dunn, Mrs. Louise Bean and Miss Amy Dunn will act as patronesses.

Decorations will be in Japanese effect, with Japanese umbrellas, Scotch broom and locust blossoms figuring in the color scheme. The feature dance will also be Japanese.

Rena Adam, in charge of the affair, says that the members of the organization hope for a good attendance.

"The girls chose this way of earning their quota," she said, "because they feel that it will give every one a chance to contribute to the relief fund."

TO TALK UP FOOTBALL

Gridiron Enthusiasts to Size up Situation at Banquet.

May Repeal Freshman Ruling; Letter-Men to Elect Captain.

Football enthusiasts of the University will hold a banquet at the Osborn Hotel on next Tuesday evening if plans worked out by Coach Dean Walker and the Order of the "O" materialize. The object of the meeting will be to determine how many of last year's varsity and frosh teams will answer the call in October.

The first thing that will be done will be the election of captain for next year by the letter men of last year. The man elected will take charge of the meeting and determine upon whom he can depend in the fall.

Advisability of repealing the freshman ruling will be discussed. This matter has been talked of ever since the war began, and it will undoubtedly come to a vote sometime during the summer.

The feed of the evening will not be in the form of a banquet meal. Each man present will be charged 50 cents for which he will receive the regular dinner meal. The main idea of the affair is to get the candidates for next season's gridiron aggregation together for a conference.

Six o'clock is set as the time for the meeting and all men who are interested are asked to be present. Coach Walker as well as a number of football letter men will address the assemblage.

CAPT. KANZLER DUE FRIDAY

Detained Wednesday—Mrs. Kanzler May Accompany Husband Here.

Captain Jacob Kanzler will arrive on the campus probably some time Friday. Major Eric Allen received a long distance telephone message from Mrs. Kanzler yesterday, saying that Captain Kanzler had been detained and could not come Wednesday as at first announced. Mrs. Kanzler may accompany her husband. A review is being planned for Friday afternoon and inspection for Monday. The University battalion will parade Thursday, Memorial day, it was announced yesterday.

B COMPANY TAKES CONTEST

Company B won an easy game from company C this afternoon by the one-sided score of 12 to 1. The game was featured by the heavy hitting of Moore and Lind of company C. Jiggs Leslie hit a homer but failed to touch first on his way around so went back to the initial sack after having completed the circuit.

Batteries: Company B: Dagleish and Leslie. Company C: Laird and Finneran. Umpire: Walker.

PLANS FOR WOMEN'S FIELD DAY COMPLETE

Canoeing, Tennis, Golf, Swimming, Archery and Baseball Features for Annual Meet.

All Girls Are Urged to Take Part, Whether Association Member or Not.

Plans for the fifth annual field day, to be held Saturday morning, by University women under the auspices of the Women's Athletic association, are just about complete, according to Margaret Crosby, president of the association. The program for the day is as follows:

Canoeing on the mill race, 8:00 a. m. Award, a pair of paddles.

Tennis, on cement court, 8:30 a. m. Award, tennis racket.

Golf, Country Club links, 8:30 a. m. Award, drivers.

Archery, U. Archery field, 8:30 a. m. Award, yew wood bows.

Swimming meet, Men's gym., 9:30 a. m. Award, bathing suit to individual having highest number of points.

Baseball, Girls' Baseball field, 11:00 a. m. Award, Hayward cup.

Awarding of Women's Athletic association letters and trophies on cement tennis court after baseball game.

Preliminary tournaments and races are being played off during the week in order that only the final games will be left for field day. Only four of a large number of interclass tennis matches played have resulted as follows: Dorothea Boynton over Vera Temple, 6-3, 6-4; Margaret Whitton over Helen Anderson, 6-3, 6-2; Maude Lombard over Helen Hair, 6-1, 6-0; Mabel Rankin over Claire Gazley, 6-0, 6-0. Members of the tennis team are not eligible to play in this tournament. All other matches will be played off before Saturday. The score card is posted in the women's gymnasium.

The preliminaries in golf are being played off this week. The schedule for matches is as follows: Louise Manning vs. Ruby Bogue, Mable Rankin vs. Margaret Bailey, Zonweiss Rogers vs. Gladys Smith, Mary Irving vs. Adah Murphy, Charlotte Banfield vs. Gladys Wilkins. The contest finals will be played on Saturday. A driver will be awarded the winner.

Archery shoots are progressing, the final chance being set for tomorrow. Those having the highest scores are as follows, in order of their scoring: Myrtle Anderson, Ethel Wakefield, Sadie Hunter and Rosemary Skipworth.

Two of the preliminary baseball games will be played off tonight and tomorrow night. Girls who wish to enter the interclass swimming meet, the trophy to go to the girl winning the highest number of points, are asked by Jeannette Moss, head of swimming, to sign their names to the poster placed in the women's gymnasium.

All girls, whether they belong to the Women's Athletic association or not, are urged to take part in field day. The ruling is made, however that if a girl who is not a member of the association should be winner of an event, the trophy will be awarded to the highest runner-up who is a member.

OLD DEBATE CLUB REVIVED

Philologists Meet for First Time in Eight Years; to Convene June 5.

For the first time since 1909 the Philologist debating society met last evening at eight o'clock in Johnson hall. The purpose of reviving the society is to promote the men's interest in debate work and to develop a larger amount of material for varsity oratorical and debate teams.

The program of the evening consisted of a talk by Professor Robert W. Prescott and a speech given by Walter Myers on "The Adaptability of Public Speakers and Varieties of Speaking," which was lively and filled with interest.

The Philologists will continue their meetings until the end of the term and will convene again June fifth.

The University of Illinois is planning the establishment of a University club for women, similar to the present men's University club, which will have a clubhouse with library and rooms for social gatherings.

PHI DELT NINE WINS CHAMPIONSHIP CUP

Delta Tau Delta Defeated in Finals by Score of 11 to 3; Durno Is Star.

Ed Ward Gets Three Hits; Brown and McCoy Injured by Collision.

The Phi Delta Theta baseball team won the championship of the doughnut league Tuesday afternoon when they beat the Delta Tau Delta representatives 11 to 3. Ed Durno, pitching for the Phi Deltas, was the star of the afternoon, getting a three base hit besides fanning 13 of the Delt batters in the seven innings. In the second and sixth innings, Durno struck out the three men who faced him in order.

The defeat of the Delta Tau Delta team by such an overwhelming score was a surprise to the followers of doughnut baseball as they were considered about the best balanced team on the campus. In practice games they had defeated the Betas with Hank Foster in the box, and had beaten the Eugene High school.

Medley's Pitching Wild.

Houston Medley, the Delt twirler, was wild and made the mistake of passing the weak hitters of the Phi Deltas and then allowing one of the heavy hitters to crack out a hit. Ed Ward led the Phi Delt sluggers, getting three safe ones out of the four trips to the plate and scoring two runs. Kennedy was a close second to Ward for out of four times up he was hit twice, fanned once and got a home run.

Errors behind Medley contributed, to a great extent, to his downfall. The first three innings went along like a regular game and it looked as if the count would be close. At this point the score stood 2 to 1 in the Deltas' favor. In the fourth frame, however, after Ward had singled, Margason was safe on a fielder's choice, which Woodruff gummed, and Phipps had been given free transportation, Kennedy cracked out his home run, resulting in four runs and

HIGH SCHOOL STUDENTS URGED TO ATTEND U. OF O.

Greater Oregon Committee to Send 500 Personal Letters to Graduating Classes.

To bring more students to the University next fall is the purpose of a personal letter which K. W. Onthank, secretary to the president, has recently advised that the Greater Oregon committee send out to the young men and women who are graduating from the high schools throughout the state.

"These letters," says James Sheehy, president of the student body, "are to be direct and straight-forward appeals to the high school students telling them just why it is every man's patriotic duty to continue his education." The committee hopes that this will emphasize in a very personal way how necessary it is that every young man and woman in the country should come to college.

About 500 of these letters will be sent out next Wednesday.

At the same time, Mr. Onthank will send out from the office mimeographed copies of the new regulations, recently issued by the secretary of state, concerning the organization of cadet corps in the universities and colleges of this country.

TENTATIVE TENNIS TEAM DETERMINED IN TRYOUTS

Brown, Hershner, Watson and Haseltine Will Play for Varsity Unless Challengers Win.

Winners in the tryouts for the Varsity tennis team yesterday were Mortimer Brown, Lawrence Hershner, Forest Watson and Bill Haseltine. This does not mean that these men have made the team as they can be challenged by the losers in some other match than their own. The team will probably not be definitely known until Friday.

Brown had little trouble in beating Kerby Miller, taking two straight sets 6-2, 6-0. Hershner and Arant played a long-drawn out affair, most of the games going to deuce. Hershner won 6-2, 6-3. Watson upset the dope when he beat Graham Smith, Watson played a steady, consistent game and save in the first set always had the contest well in hand. The scores were 4-6, 6-2, 6-2. Haseltine defeated Laraway 8-6, 6-1.

Arant challenged Haseltine for a match this afternoon, and Laraway challenged Watson.

U. OF W. COACH HERE

C. J. Hunt Visting Oregon Sigma Nu Chapter.

Northern Football Mentor Favors Abolition of Freshman Rule During War.

C. J. Hunt, coach of the University of Washington football and basketball teams, is a visitor on the Oregon campus, having arrived from Seattle last evening. Mr. Hunt is division inspector of the Sigma Nu fraternity and here on fraternity business.

Coach Hunt expects to be able to put a football team into the field this fall although it will be, for the most part, made up of green material. The draft has played havoc with athletics in the northern institution. The track squad was almost completely wiped out by the last draft and left no men to send to Oregon for the meet, although Coach Hunt declares he would have sent a team if it had to be made up of cripples if Manager Tiffany had thought it best.

Coach Hunt is heartily in favor of abolishing the freshmen rule for the duration of the war, as he believes that it would interest high school students in college, and would result in a greater number entering this fall. The establishment of a four year naval training course at Washington Coach Hunt hopes will serve to keep some of the men in school.

Washington has only two of her last year's football team to start with next fall. They are Dailey and Theison, around whom Hunt will try to build a winning combination. The University of Washington has games scheduled with Pullman, Idaho, O. A. C., Whitman and the University of California. At the present time Washington has no game scheduled with Oregon, but if a meeting of the Northwest conference is held this spring Coach Hunt hopes to be able to revise the schedule so that a game may be worked out. "Oregon is Washington's logical opponent and I would like to see the teams get together this fall," said Coach Hunt today.

SENIORS WILL BE HONORED

Mrs. S. R. Johnston to Entertain for 1918 Members of Kappa Alpha Theta.

University, town and faculty people will be guests at a formal reception and dance to be given tomorrow night at Kappa Alpha Theta house by Mrs. S. R. Johnston, in honor of the senior members of the sorority. In the receiving line will be Mrs. Johnston, Louise Manning, Erma Keithley, Cleome Carroll, Ruth Rothrock, Helene Delano, Melba Williams and Kate Schaefer.

Five More Men Will Be Sent To Camp Lewis By Saturday

Five more men will be sent to Camp Lewis by Saturday at the latest. Major Eric W. Allen received word from the war department this morning to send in the names of five additional men to Washington for recommendation to the Officers' Training Camp which has just started at Camp Lewis.

Major Allen hopes to have the names in by tonight and will wire them in as soon as possible to the capitol. Authorizations are expected immediately so

DOROTHY FLEGEL NEW WOMAN'S LEAGUE HEAD

Defeats Roberta Schuebel in Race for President; Ruby Bogue Given Vice-Presidency.

Eva Hansen Secretary, Reba Macklin Treasurer, Stella Sullivan, Editor.

Dorothy Flegel was elected president of the Women's league for next year by a majority of 111 over Roberta Schuebel at a mass meeting of 251 of the 500 University women yesterday afternoon in Villard hall. The final count was 181 to 70.

Eva Hansen won over Grace Hammarstrom for the secretaryship by 42 votes, the count being 146 to 104. Reba Macklin received 200 votes for treasurer as opposed to Ethel McGilchrist's 47. Stella Sullivan was chosen editor by a majority of 70 over Eve Hutchison, the vote being 153 to 83.

Two Nominees Unopposed.

Ruby Bogue for vice-president and Amy Lague for sergeant-at-arms were unopposed. No nominations were made from the floor and the nominating committee's report was accepted as given by Cora Hosford, chairman.

Before the election the girls decided to raise \$2500 for a nurses' hut in France, the money to be raised as soon as possible. The motion was carried after considerable discussion over the relative advantages establishing a canteen or a nurses' hut, the objection to the canteen being that it would be temporary. The measure was finally passed with the provision that the girls would give the money to the nurses' hut, but that if something better was suggested by next year, that the money might be used for another purpose. Pledge cards for the "University of Oregon Women's War Fund" were distributed and \$160 was subscribed. This makes a total of \$372 pledged to date by 88 girls.

To Make Special Drive.

The committee on raising the money, with Roberta Schuebel as chairman, is planning a drive to get the necessary funds. The committee desire to have as much of the pledge money as possible paid by June 6, or at least before the girls leave college, but since many of them are planning to earn the money this summer, the girls were requested to place on their pledge cards the date on which they could pay it.

BANQUET TO BE GIVEN BY STUDENT COUNCIL

Delta Tau House to Be Scene of Wind up of Year's Work and Welcome to New Members.

"If others banquet so must we," says the student council, and at their meeting in the library last night they decided upon June 4 as the day for the all-important event which will wind up the year's work.

The banquet will be held at the Delta Tau house, and this year's council and the council-elect will be present.

The newly elected members of the council were present at the meeting last night and were welcomed by James Sheehy. In speaking of the responsibilities of members, and the particular importance of the work next year, he urged them to uphold the old Oregon customs and traditions.

Cora Hosford was appointed chairman of the senior memorial fund to take the place of Ray Couch, who was among the men who went to Camp Lewis for training.

that the men may leave by Saturday in order that they may not miss any more of the training than they can help.

Eight names may be sent in with the qualifications of the men so that the war department may choose those whom it thinks are best fitted. It is possible some of the men sent may be alumni already in the service. As Colonel John Leader is out of town on a lecture tour Major Allen and the faculty captains will probably do the choosing.
