

GRIDIRON GAME SET FOR NEXT SATURDAY

Contest With Spruce Division
May Be Accompanied By
Underclass Men.

Kincaid field wore a bleak and dejected look this afternoon for it was deserted for the first time during the season of the year for many moons. The Spanish Influenza has ripped such a hole in the team that Coach "Shy" Huntington and Dean Walker, retiring graduate manager, thought it best not to arrange for any contest this week-end.

Next Saturday, however, "Tick" Malarkey and his crew of Spruce Division will be in our midst and Ned Fowler, chairman of the Junior committee on the underclass mix, says that there may also be a real mix. Of course the "flu" may put a damper on the plans for the scrimmage between the Frosh and Sophs but it is expected that conditions will be near enough normal to permit the staging of the festivity.

Everyone Out By Next Week.

The tea mis slowly getting assembled again after the ravages of the disease from Spain and by the first of next week all of the first string squad should be out. Nish Chapman, Brandenburg and Blake all expect to be back into harness next week while "Stuffin" Dresser will probably be relieved of hospital duty and so will be able to stay awake during the practice hour. Dresser, who has been serving at the Fiji house from midnight until eight a. m., slept through practice Friday failing to wake until almost six o'clock.

Roger Plummer, the terrible plunging half back from the Jefferson High, is sick with the "flu" in Portland. Plummer was given leave by the military authorities to go to his home the first part of the week and while in Portland he contracted the popular ailment.

Layton, who played center during most of the game with Multnomah Club, is still laid up with a bum leg. It is hardly probable that he will be able to get into a uniform within a week. Callison, the Eugene high school star, who is taking his place at center, has been showing to advantage in practice and will fill in nicely if Layton is not able to play in the next contest.

Good Schedule Expected.

Graduate manager Dean H. Walker, who leaves next week for Camp Taylor, hopes to have all of the schedule arranged before he leaves. So far he has cinched the game for a week from Saturday with "Tick" Malarkey and the two contests with O. A. C. The Marines and

service teams of Camp Lewis are yet to be heard from. The Marines are still in quarantine and will remain so until the influenza has blown over.

The idea of two games with O. A. C. is a new one and is causing a great deal of comment upon the campus. Local football "bugs" are wondering if the military authorities will give a day leave so that the supporters of the team can make the jaunt to Corvallis. What action the authorities of O. A. C. will take has not become known. If a leave is granted, O. A. C. should be able to bring about three thousand loyal sons with her for the contest.

The first game with the Aggies will be played here on November 9 and the second contest will take place in Corvallis on the 16th. These are the two big games of the year and Oregon has a good chance to trim the Aggies if there is no further spread of the "flu."

Y. W. TO ORGANIZE NEW BIBLE CLASSES

Sections Will Be Planned In
Sorority Houses and Hendricks Hall.

A series of Bible classes are to be started by the Y. W. C. A. as soon as the danger from Spanish influenza is past.

Classes will be organized in each sorority desiring one, as has been the custom in former years. These will be under the leadership of faculty members, ministers of the town, or others chosen by the various groups. In Hendricks hall, the women's hall of residence, where the largest group of college women live, a number of classes are planned. Those for underclassmen in the hall are to be under the leadership of senior women from the Y. W. C. A., trained in the normal class conducted by Miss Mary E. Perkins, professor of English.

In several of the classes no other text book than the Bible will be used, although some of the classes will make use of the various association publications devoted to Bible study.

No definite dates can yet be set for the initial meetings as student gatherings of all sorts are prohibited by the University Health Committee.

TRYOUTS FOR PLAY POSTPONED BY GRIP

"Fortune Hunter" Rehearsals
to Start Soon; More S. A.
T. C. Men Needed.

"Watch the bulletin board for further announcement of the date of the tryouts for 'The Fortune Hunter,'" says Miss Dews, chairman of the student body play committee.

Because of the present health conditions it was deemed advisable to postpone the tryouts which were to take place last Wednesday evening. Thirty-five persons have already turned in their names for the contest. However, it is especially emphasized by the committee that there is room for plenty more on the list, especially S. A. T. C. men.

Don Orput, '15, member of the O. T. C., is expected to take the same part he had in the previous production of the play some years ago.

The names handed in are: Mary Evans, Hazel Young, Warren Kays, Slater Miller, R. A. Mersdorf, Francis Shrode, James Meyer, L. Spencer Dinsmore, Henry Koepke, William S. Bolder, Roscoe D. Hemenway, Homer O'Neal, John Musgrove, Tracy Byers, Teressa Cox, Francis Cardwell, Richard Nelson, Marion Gilstrap, Norma Medler, Hester Hurd, Ruth Graham, Emma Wootton Hall, Doris Pittenger, Florida Hill, Irma Smith, Gladys Diment, Clayton Baldwin, John Houston, Julien Leslie, George Doust, Charles Huggins, Adrian Yancey and Lucky Bonney.

OFFICERS TO BE CHOSEN

S. A. T. C. Non-commissioned Men
Will Be Replaced.

Sergeants and corporals now serving in the S. A. T. C. companies are temporary officers and may be displaced when permanent non-commissioned officers, who are to be chosen within a few weeks, are appointed. The announcement was made Thursday at the direction of Col. W. H. C. Bowen, commanding officer of the S. A. T. C.

Appointment of permanent officers will not be made until the end of the present unsettled condition on the campus because of sickness, so that all men will be given a chance for the appointments.

STUDY OF GERMAN URGED

Recommended for Student-Soldier in
Bulletin, Says Dr. Schmidt.

Recommendations of the study of German by the men in the S. A. T. C. are found in a bulletin received by Dr. F. G. G. Schmidt, professor of German in the University, from the committee on education and special training of the war department.

The bulletin advises the study of German "to prepare the student-soldier for service in all branches of the army and to enable him to read scientific German in order that he may be better fitted for further study and preparation for technical branches of the national service."

The two aims in view are to attain as great a facility as possible in the use of Spoken German, with a vocabulary of military value and a ready command of a technical vocabulary for reading.

CLASS HOUR DECIDED ON

Four - Minute Speakers Will Meet
Mondays. Credit to Be Given.

The class in Four Minute Speakers met last evening in Professor Prescott's room in the Administration Building. Few were present as several of those desiring the course are on the sick list.

The members will be listed as four minute speakers and will appear before an audience each week to explain some form of war work. If at the end of the year, the work has been of high quality, recommendation will be made for a Four Minute Speakers' badge.

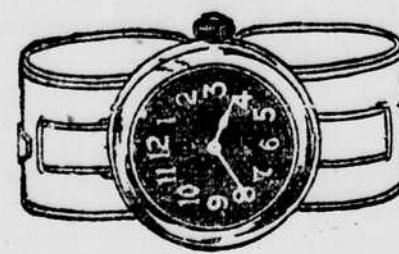

A regular class hour was decided upon to meet at 3 p. m. Mondays. All those desiring to take the course come at that time.

One or two hours' credit will be given, according to work done.

F. W. SNYDER SUCCEEDS CURREY.

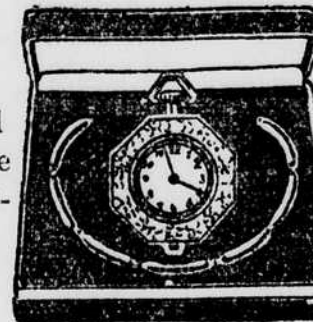

F. W. Snyder, of Mollalla, Oregon, was appointed this morning new sergeant major in the Oregon State Officers' Training Camp to replace George H. Currey, who has been called to Camp Pike, Arkansas. Mr. Snyder will arrive in Eugene Monday. He is a Methodist minister and is captain of the Home Guard at Mollalla. He was a member of the Second Officers' Training Camp at the University this summer.
