

SATURDAY'S GAME TO BE WITH CRACK CAMP LEWIS SQUAD

Shy's Men to Leave Friday; Elmer Leader Coaching Opponents.

PROSPECTS ARE BRIGHT FOR CALIFORNIA GAME

Contest May Also Be Arranged With Washington in December.

The University service eleven will journey to Camp Lewis this week-end where they will clash with the Depot Brigade of the division now in training there. The Depot Brigade is under the direction of Elmer Leader, former University of Washington tackle, and are reputed as being a first class eleven.

The Oregon squad will leave sometime tomorrow and will be back on the campus in time for reveille Monday morning. One of the lieutenants of the S. A. T. C. will probably accompany the men north. "Shy" has not stated how many of the squad will make the trip but it is expected that about 15 players, "Bill," one lieutenant, and "Shy" will be among those present Saturday afternoon.

Line Changes Will Be Made.

Martin Howard will, in all probability be given a chance to show at left end in place of Hauser and "Scotty" Strachan's tackle may be taken by Pat O'Rourke, if "Scotty" is not able to get into the scrap by Saturday. Callison will be at center with probably Mautz and Harding at the guard positions. Tackle will be Trowbridge and either O'Rourke or Strachan. Ends: Wilson and Howard.

In the backfield "Shy" has the two Jacobbergers, "eat 'em alive" Blake, Watson and Brandenberg may get back in the fun this week-end. "Nish" Chapman still is a little unsteady on his pedal extremities and it is doubtful whether or not he can get into the fray. Several subs will go with the team, as vallets if for nothing else. Brock Dresser and a few of the others are watchfully waiting the decision of the coach and have their suit cases all packed.

Team Not in Tip-Top Shape.

In Saturday's game Oregon will have a new end in Howard and he will have to show some speed if he expects to fill the number nine that Hauser left vacant when he entered the artillery school. O'Rourke needs no introduction to the Oregon fans for he was seen in action in the contest with Foundation last Saturday. He sure can fill a big hole on the line and the way he walked over the ship builders was one of the nicest things that happened during the contest.

The rest of the team are in pretty good shape but nothing to brag about. Some of the fellows who thought that they were over the "Flu" have found that they are not as strong as they thought they were. The steaks that they get every night at the training table are making the fellows look better, even if they don't feel any better.

So far the game with O. A. C. has not been called off for a week from Saturday and if the health officials don't put the crimp in it a special train will probably be secured to cart the gang over to the scene of action. The band will be among those present and is practicing every night in their new quarters, Dea Tau Delta house, much to the enjoyment of the house next door.

Trip South Almost Sure.

The trip south is the big thing at present and "Shy" almost drops dead every time he telephone rings for fear that it is a call from Western Union announcing that the California game has been called. "Shy" has a hunch that he will be able to stage this game and he also is thinking of playing football as long as the team hangs around. The University of Washington has announced that they are forming a team and will play during December. "Shy" may get a whack at this bunch and would just as soon beat

Phi Delta Theta's Barracks Inspectors Move for 6th Time

Today was moving day for Company B. Beginning at 8 o'clock in the morning, there was one general upheaval, and when the clouds of dust finally settled about 5:30, every private, corporal and sergeant had a new home.

The burden of the moving fell upon the old luckless Phi Delta Theta men, now with some additions, known as the third platoon. The third platoon moved back into the Phi Delta house, leaving only one squad in Friendly hall to keep up the old traditions. This makes the sixth moving for the platoon, some of the places having been visited by them in their wanderings being the Phi Delta house, the men's gym, the women's gym, the Sigma Chi house, and Friendly hall. They are thinking of taking the title "barracks inspectors."

Wooden cots, "double deckers," and all cots not regulation were thrown into the discard yesterday. All non-regulation mattresses were treated likewise. The regulation black, iron army cots were substituted as were the regulation mattresses. Throughout the entire day, top-heavy beds careened down the stairs, or were lowered out of windows, greatly to the disgust of all visitors.

On the second and third floors, the men were re-arranged according to squads for the sixteenth time. The cause of most of the moving on these two floors, was the exodus of the band, and the departure of the artillery men for Camp Taylor.

By five-thirty, matters were fairly well settled through, and those who had no place to sleep, had a fair notion of where they were going anyhow.

WOMEN TO HAVE HOLIDAY FRIDAY

Dean Ehrmann Decides on Vacation; S. A. T. C. Men to Have Thursday.

The Friday following Thanksgiving day will be a holiday for all the women of the University, according to the decision made at the faculty meeting yesterday afternoon.

The S. A. T. C. men will be required to report on every day except Thursday as a matter of military regulation. On Friday, however, subject to the approval of each department, the S. A. T. C. students will not be held for their usual class work, but will only have to report for military duty.

Another matter of importance decided upon in faculty meeting was that of making exception to section two of the absence rules, which state that "any student not present at at least 80 per cent of the recitations in any subject shall be debarred from examination in that subject." Due to the influenza epidemic so many excusable absences were made that it was thought best to give the absentees every possible chance regardless of previous regulations reducing the absences to a maximum of 20 per cent of the class hours.

NIGHTLY SONG FESTS HELD

Hendricks Hall Girls Sing Between Dinner Courses.

At the dinner hour between courses at Hendricks Hall, a nightly song fest is held. Such songs as "The Long, Long Trail, Laddie in Khaki, besides all the Oregon songs, which, the seniors say, is sad to relate, the freshmen know surprisingly little of, are practised.

Leona Marsters, a school of music student, leads in the singing, and has given the girls printed slips with words of the songs written out. She says that with the words in front of them there is no excuse for any girl not singing.

Up to the present time the singing at table has been very disorganized, and with so many new girls in the house only a few have participated. With 124 girls to work with there are possibilities of some very good song fests, according to Miss Marsters.

SONG BOOK FOR EVERY MAN

Every man in the University soon will be presented with a small pocket-sized song book containing all the standard hymns arranged for men's voices only. Dr. John Landsbury said today. This book is the only one of its kind ever published as always before the hymns were for mixed voices.

\$472.50 PLEDGED VOLUNTARILY FOR WAR DRIVE FUND

Military Staff Averages \$16.46; General Committee \$12.52 for Work.

MISS DINSDALE MAKES FIRST GIFT FOR OREGON

Volunteer Day Signers Get Special Record for Team Standing.

Eighteen people, at a general committee meeting of the United War Work Drive Tuesday night, pledged \$225, an average of \$12.52 each, toward the \$6,000 expected from the campus. Fifteen other pledges mailed in, fourteen of them from the military staff amounted to \$247, an average of \$16.46.

Miss Tirza Dinsdale, local secretary of the Y. W. C. A., made the first subscription toward the amount. Miss Dinsdale is now in Portland helping direct the campaign and expressed her confidence that the Oregon Spirit would once more put the University over the top.

Pledges on Friday Count More.

All subscriptions made Friday, Volunteer Day, will be put on special record and will be given extra points in the system of comparing the records of the various student teams. Two teams have been arranged among the women to be captained by Adelaide Luke and Ella Dews.

Canvassers for the smaller groups of women to work under the captains have been appointed as follows: Team One under Miss Lake; Gamma Phi Beta, Dorothy Wootton; Alpha Phi, Lucile McCormick; Kappa Kappa Gamma, Gladys Smith; Kappa Alpha Theta, Marian Coffey; Second Unit Hendricks hall, Betty Kessi; Third Unit, Lotta Hollopeter; town girls whose names fall between "A" and "L", Francis Blurock, Maud Lombard, Ruby Bogue, Lucile Caswell, Nancy Fields and Frances Elizabeth Baker.

FORTY MEN TO GO TO CAMP

Students to Leave for Taylor Tomorrow Unless Ordered Held.

Forty men of the S. A. T. C. will leave for Camp Zachary Taylor, Louisville, Kentucky, tomorrow morning at 10:15 to enter the officers' training school in field artillery, unless Colonel Bowen receives orders to the contrary today. They will travel from Portland direct to Louisville in a private car, it was announced this morning. Alternates selected this morning by Colonel W. H. C. Bowen, commanding officer of the S. A. T. C. are: Richard H. Martin, Eugene; Donald Portwood, Monmouth; William Stenson, Snohomish, Wash.; and George Dewey Knox, Eugene. A group picture of the 40 men was taken this afternoon.

H. SEXTON DIES IN ACTION

Student in University During '14 and '15, Enlisted in 1917.

Harold Sexton, former student in the University, was killed in action in France last week. Sexton, or "Pete," as he was known on the campus, enlisted in the artillery a year ago last summer and was sent to Camp Lewis.

Sexton was a graduate of the Eugene high school and attended the University in '14 and '15. He was 24 years old at the time of his death.

He was the son of Mr. and Mrs. O. F. Sexton, now of Stockton, California, but formerly of Eugene. He leaves a sister, Mrs. Mrs. Lloyd Barzee, of Oakland, California.

DR. R. C. CLARK EDITS BOOK

A book entitled, "War Readings," edited by Professor R. C. Clark will be in Washington last spring and summer, was published in October by Scribner and Sons. This book is a reader for the grammar grades, including selections dealing with the war which would interest pupils in the seventh and eighth grades.

ELLA DEWS IS NEW VICE PRESIDENT OF STUDENT BODY

Council Appoints Helen McDonald Secretary and Carter Yell Leader.

FROSH TO WEAR GREEN BOWS ON BLOUSE POCKET

Ellsworth Tells of Emerald Success and Suggests Annual Tag Day.

Ella Dews was elected vice-president of the Associated Student body at a joint meeting of the student council and the executive board last night. She then resigned as secretary of that body and Helen McDonald was elected to fill the place.

At a meeting of the student council earlier in the evening Ned Fowler was elected junior representative to fill the vacancy left by Elmo Madden, and Donald Dalgleish was elected to fill the place of Herald Grey, seniorman on the council. Nick Carter was elected yell leader.

It was decided that the freshmen from now on will wear small bows of green ribbon, one-half inch in width and three inches long, on the upper left hand blouse pocket.

A report by the Home Coming committee stated that a series of athletic events is being prepared for Saturday afternoon, under the direction of Eddie O'Connell.

Describes Success.

Harris Ellsworth gave a detailed description of the success of the recent Emerald drive in which the students oversubscribed, and suggested that a tag day be an annual feature for the benefit of The Emerald.

The poor appearance of the campus, due to trash strewn about, was discussed and Henry English was appointed to see H. M. Fisher, superintendent of grounds, about having it cleaned up. A committee from the Woman's League will have charge of the bulletin boards and see that they are kept up.

Helen McDonald gave a report for the committee of resolutions of condolence. This committee which has been a standing one is composed of Helen McDonald, Dorothy Flegel and Tracy Byers.

Tradition to Be Enforced.

No smoking on the campus being an Oregon tradition, a plea for its observance both on the campus and in the men's gymnasium will be made by the student council through The Emerald.

JUNIOR LEAVES COLLEGE

Inga Winter Goes Home; Alice Meyers Now Only Infirmary Patient.

Miss Inga Winter left the Woman's infirmary yesterday for her home in Portland, where she expects to remain until the close of the term.

Miss Winter, who was a junior residing at Hendricks Hall, has just recovered from an attack of pneumonia, following the influenza, and has been very ill. She expects to take up school work again next term.

Her going leaves the infirmary with just one patient, Alice Meyers, a freshman, also of Portland. Miss Meyers has been sick for over a month, having had pleurisy as a result of the influenza. She will not be able to return home before the early part of next week.

MIX DELAYED ONCE MORE

Postponement Again Results From Ban on Meetings.

Another score to settle with old man Flu. The last hope of a long suffering student body is relegated to the future. The Freshman-Sophomore mix, planned for Saturday is called off, so Dean John Straub stated last evening, after a meeting of the faculty.

However, as soon as the ban on public meetings, crowds, etc., is lifted, the mix will be pulled off with all kinds of "high jinks."

Col. Leader Sports Civilian Suit; Odor of Moth Balls in Wake

A most debonair English gentleman with perfume tinged on the odor of moth balls appeared on the campus yesterday morning. Although he tried to hobnob with some of the more sedate and dignified faculty members, he was ignored, and it was not till he laughed that his old friends recognized in the fascinatingly dressed person, their old time friend, Colonel John Leader.

It is the first time in four years that Colonel Leader has appeared in civilian clothes and he created quite a sensation around the campus yesterday morning.

From head to toe, his outfit was unique. On one side of his head a green hat perched cockily. One side of it went up in a freakish angle and the other, down in a droopy line. In a bright blue suit of the eighties, a white woolen vestee with white pearl buttons, a white stiff collar (we really cannot remember his tie), and brown army shoes to finish the costume, Colonel Leader was complete for his trip to Portland. His hat had done service for the moths and was well eaten full of holes. Just what the suit and vestee had done service for we do not know.

Swinging the cane, the gift of Company E of the last O. T. C. encampment, and accompanied by his dog Bill, the Colonel left for Portland yesterday noon.

His object in going in civilian clothes was that he is always asked so many questions while traveling and as Colonel Leader puts it, "It is sometimes embarrassing when one forgets just what sort of a story he has told his questioner."

BAND IS ORGANIZED WITH 38 MEMBERS

Much Interest Shown by Frosh; Series of Concerts to Be Given.

The men's band of the University is now organized with a membership of 38. Much credit is due the freshman members because of the interest shown and their regular attendance. The band will practice every Monday, Wednesday and Friday evenings at 7:30 p. m. Professor Albert Perfect, director of the band, stated that if every man in the University who has played an instrument would turn out, he would be willing to challenge any band in the state of Oregon.

A series of concerts will soon be given by the band for the students. The following are members of the band:

Wayne Akers, Raymond Adkinson, Ernest Amburne, Loris Bounney, Clayton Baldwin, Nihil Buddlong, Chas. Bellarts, Arthur Campbell, Ralph Classic, August Dindia, Jesse Dolyns, Merton Folts, Frank Fassett, Reginald Fifer, Stanley Fargher, Ermine Gentle, Hjelmer Gentle, George Hartness, Lyle Johns, Stanley Kahn, Henry Koepke, Bernhard Kropp, Richard Lyons, Robert Lees, John Musgrove, Reuel Moore, Elmore Nelson, Richard Nelson, Carl Newberry, Elton Olsen, Earl O'Neal, Howard Owen, Dan Patterson, Donald Portwood, Porter, Wilfred Rassier, Earl Voorhies, Stanley Wentz, James Whitaker and Bruce Yergen.

NEW COURSES IN EDUCATION

A new course in Educational Reconstruction is to be offered to Portland teachers by Dr. H. D. Sheldon, dean of the school of education, during the next quarter. Some of the topics are "Modern Aims of Education," "New Methods of Organizing and Supporting Schools," "School as a Social Institution," "Changes in Methods and Curricula."

NEW TRIG CLASS STARTS

A new division in Trigonometry started Monday, November 4 in room 1 of Johnson hall under Miss Connelia Heess. This class is for the benefit of those who have been sick and started late. Miss Heess graduated last June, majoring in mathematics. She is taking post-graduate work this year and living at Hendricks hall.

LIEUT. WALLER AT PENN

Lieutenant Orville Waller, formerly of the University, is attending the Jefferson medical school at the University of Pennsylvania. Lieut. Waller is accompanied by his wife, formerly Miss Sarah Barker. Mrs. Waller was also a University student, and a member of the Gamma Phi Beta sorority.

CAMPBELL THINKS S. A. T. C. TO STAY THROUGHOUT YEAR

Washington Must Decide But Continuation Probable, War or No War.

SLIGHT MODIFICATIONS MAY COME WITH PEACE

Noisy Celebration Planned But Called Off When Reports Conflict.

War or no war, the S. A. T. C. at the University will probably be continued throughout the year, with slight modifications, President P. L. Campbell announced this morning. Just what changes will be made in the work, the president cannot say at this time, for the Committee on Education and Special Training in Washington, D. C., has the final decision as to the S. A. T. C. organization. President Campbell, however, is secretary of the American Council on Education, and has kept in close touch with the work of the Students' Army Training Corps as planned by the committee.

The military training will probably be slightly relaxed, so that the men may give more time to academic subjects. The general organization of the corps will probably be maintained in its entirety throughout the year, the president said.

President Goes East

President Campbell leaves this afternoon for Chicago, where he will attend meetings of the American Council on Education and the National Association of Presidents of State Universities, of which organization he is the vice-president. The council and the association will also meet with the British party of educators now in the United States. Full plans will be worked out for the work of the S. A. T. C. for the year and many important educational problems will be discussed.

President Campbell expects to be gone for about two weeks.

With the arrival of the first reports of the signing of the armistice the spirit of celebration was in the air, and preparations were started for a big parade down town headed by the band. It was a disappointed lot of students generally who finally resigned themselves to a new report that the armistice had not yet been signed and that the German envoys would not reach Marshal Foch's headquarters until tonight. The celebration, however, is viewed as being only in abeyance for a few hours or a few days.

S. A. T. C. Men For War

When this report was read to S. A. T. C. men while at noon mess, it was greeted with instant applause. The men felt they might yet have a chance for training camps and active service.

The special formation of the companies at 12:45 which was to join in the demonstration was called off.

The announcement that regular formations would be called off for the day was recalled. Drill continued as usual this afternoon.

SOCCER TEAM PROMISING

Riley and Vance Confident Eleven Will Be Strong.

Despite the loss of several good players, the soccer team still has a nucleus of players that can be rounded out into a formidable aggregation.

Coach R. L. Riley and William F. Vance are working out with the boys and are confident they will whip into fine shape. Bill Vance, the "Y" man, is giving much of his time to helping with the team and is enthusiastic over the game.

The call for artillery men has taken Ralston, Matthieu and Herman Lind. Lind would have been one of the team's strongest players this year being the regular full back on last year's varsity.

The leaving of these men will give the new men a good chance to show what they can do.

The intercompany games will be played in the near future. Both Company A and Company B feel confident of victory.
