

### \$4613 TOTAL SUM PLEDGED IN DRIVE

Adelaide Lake's Team Leads; Men Credited With \$1,940; Women, \$1,359

From the reports of the members of the general campus committee for the united war work drive at a meeting held last night, the University is coming to the front in fine shape and has almost reached its quota. The grand total of pledges now amounts to \$4613.75. Team one, under Captain Adelaide Lake, is ahead in pledges, having \$797.50 to their credit and 209 persons pledged. Team two, under Captain Ella Dews, received 180 pledges to the amount of \$561.50.

The six groups of team one reported as follows: Town girls from A to L, 48 pledges, \$151.50; Hendricks hall, units two and three, 60 pledges, \$210.50; Kappa Alpha Theta, 34 pledges, \$115; Kappa Kappa Gamma, 26 pledges, \$107; Gamma Phi Beta, 21 pledges, \$96.50; Alpha Phi, 20 pledges, \$117.

In team two the town girls from M to Z have 44 pledges and \$121; Hendricks hall, units one, four and five, 41 pledges and \$119; Delta Gamma, 21 pledges, \$67.50; Pi Beta Phi, 31 pledges, \$137; Delta Delta Delta, 14 pledges, \$57; Chi Omega, 16 pledges and \$30. The total of the women's pledges is \$1359.

Three hundred and forty-three men of the S. A. T. C. who were solicited by committees in charge of "Nick" Carter and Ed Durno, pledged \$1940. This also includes \$45 pledged by eleven men who are not in the military organization. In Company A, 147 men gave \$819.50; 130 in Company B, \$756.50; 55 in Company C, \$319.

The faculty have to their credit \$1314.75 with 106 signers of pledge cards. They had hoped to raise \$1600 and may reach that mark yet.

The \$6000 quota as first apportioned to the University was by a mistake figured on the 150 per cent basis instead of the 100 per cent. This brings the correct quota to be raised down to \$4750, which standard the University has almost reached.

According to Dr. A. E. Caswell, chairman of the campus war fund drive, not all of the students have been reached. He estimated that 80 per cent have been solicited and feels confident that the others will swell the fund to the top.

Blanchard, Mr. Blanchard, a member of the Oregon State Officers' Training Camp, says that the preparation he received at Eugene under Colonel Leader "was certainly a wonderful help."

Part of his letter follows: "I thought you might like to know that your four candidates to this post all took the entrance examinations today and all of us are admitted direct to the officers' school without the usual two to six weeks in the 'Reservoir' company. All of us are assigned to Company L, candidates' division."

### RED CROSS WORK TO BEGIN

Y. W. Bungalow Room to Be Used When Flu Ban is Lifted.

The University Red Cross will not organize for work until the present ban is lifted, Bernice Spencer, president of the University Red Cross, said yesterday. The girls have pledged themselves to devote at least three hours a week to Red Cross work but because of the ban on meetings they have not been able to assemble. The Y. W. C. A. Bungalow previously has been used for the work rooms and will in all probability be used in the same capacity again.

Despite the unfavorable conditions which have prevailed, the girls have managed to turn out a great deal of knitted goods for our boys over here as well as those "across."

### Y. M. C. A. HUT TO BE READY THANKSGIVING

War Secretary Plans Program for S. A. T. C. Men on Opening Day.

The Y. M. C. A. hut will be completed by Thanksgiving, William F. Vance, Y. M. C. A. war secretary announced yesterday. Plans are already being made for entertainments by the Y. M. C. A. board.

A program in the new hut will be given for men on the campus on Thanksgiving, said Mr. Vance yesterday. The men of the S. A. T. C. will furnish all the entertainment themselves.

Movies will run on a regular circuit, as frequently as the faculty will permit. Other stunts will be put on by the several companies, consisting of boxing matches, slight of hand performances and any other talent that may develop. "The plan is to utilize our own talent rather than import it," said Mr. Vance. The women, too, will be expected to entertain with a stunt show occasionally.

The hut will be furnished chiefly in Mission style, although the furniture in use at present at the Friendly hall headquarters will be utilized. Other furniture will be sent direct from the western division of the Y. M. C. A. with headquarters at San Francisco.
