OREGON OVER THE TOP

Oregon students have again demonstrated that fine old Oregon Spirit which always presages success in any undertaking of the institution, in their response to the United War Work appeal. The student body has reached nearly its full quota for which it is to be highly commended.

Last year in response to the Students' Friendship War Fund Campaign Oregon pledged nearly \$3,000 which exceeded her quota \$500. This is an example of the way students all over America showed their loyalty and patriotism by large and unselfish giving.

Probably when Hero Tales of the Great War appear no mention will be made of the sacrifices represented by the sums raised by American students to help their brothers Carry On Over There. And while no one thinks that such stories deserve to be mentioned with those of personal hazard in face of danger, it will be recognized in the years to come that the success of the Great War and its triumph Justice and Right was influenced in no small way by the self-denying generosity of American students. When the history of the Great War is written the importance and the effectiveness of the organizations supported by public funds in carrying out their ministry of help to our men in uniform can not be over estimated.

President Wilson recognized the importance of these movements and desired their full support when he advised all organizations authorized by the government to perform this war work, to make a united appeal to the public for one fund.

He believed that the agencies comprehended in this United War Work campaign had fully demonstrated their right to administer the funds entrusted to them. After careful investigation of their achievements and present purposes, the government not only approved but requested the continuance of their work. The president suggested the plan of the campaign and his suggestion is equivalent to a command in the opinion of patriotic Americans.

Now that the war is over and students all over the world are rejoicing in the realization of what this means, thoughts turn more than ever toward the boys who left the universities to sacrifice their lives if necessary that the principles taught in the colleges of the land might live.

These men, now that the trench warfare is over, will need more than ever the comforts and means of recreation provided by the organizations supported by the War Work Drive.

Oregon has registered a fine example

of generosity in the way she has put this Drive Over the Top.

MISS MILDRED BROWN LEAVING.

Miss Mildred Brown, who has been assisting in the library during the influenza epidemic will return tomorrow to Astoria, where she will resume her work as librarian of the Astoria high school. Miss Brown was graduated from the University in 1916. During her four years here she was a student assistant in the library and last year she was employed on full time.

NO DATE SET FOR GODOWSKY.

No date has been set for the recital of Leopold Godowsky, pianist, which was postponed because of the influenza epidemic. Dr. John Landsbury will try to arrange for the recital some time in the near future.

ONTHANK OVERSEES RED CROSS WORK

Returns From Seattle With Plans for Handling S. A. T. C. Needs.

Supervision of Red Cross work among the men of the S. A. T. C. unit at the University of Oregon has been undertaken by Karl Onthank, secretary to President Campbell, who attended last week in Seattle a meeting of the general managers and department directors of the northwest division of the Red Cross. Mr. Onthank returned to the campus Friday morning.

Mr. Onthank's work will be to see that the men of the S. A. T. C. receive necessary attention from the Red Cross, whose work differs from that of the Y. M. C. A. in that the "Y" supplies entertainment, while the Red Cross supplies physical needs. Work to be done by the Red Cross embraces a large field. If any man is ill and cannot write to his relatives, this will be done by the Red Cross, and if he is in need of money, this will be loaned or even given to him if necessity demands.

If any man in the S. A. T. C. is unable to get news from home, this will be undertaken by Mr. Onthank, who will write or telegraph to the nearest Red Cross auxiliary, which in turn will send a representative to get the desired information. When cotton suits are issued sweaters may be needed by the men, and if this is the case the garments will be supplied by the Red Cross.

Earl Kilpatrick, formerly director of the extension division at the University, who accepted the position of director of development for the Northwest division of the Red Cross about a year ago, has just been promoted to be assistant manager of that division.

Materials for the beginning of the work have not arrived on the campus yet. A bulletin entitled "Before You Go," issued by the Red Cross, is to be distributed among the men of the S. A. T. C. It contains advice regarding voluntary allotments to dependents, government insurance, legal advice, making a will, legal proceedings, and such other information as will be of help to men leaving home.

HAYWARD TO HANDLE BOXING, WRESTLING

Rudiments to Be Taught Men Before Gloves Are Used, Says Coach.

Classes in boxing and wrestling, under the direction of "Coach" Bill Hayward, will start as soon as the equipment in the gymnasium is straightened around and things are more organized.

Boxing and wrestling work was to be under the direction of Eddie O'Connell this year, but as O'Connell's contract was only for the duration of the war, he has gone back to the Multnomah Amateur Athletic club in Portland and "Bill" Hayward will instruct in these sports.

The work will be slow at first for the new men, as systematic boxing will be taught this year, Hayward announced.

"The men must first learn the rudiments of the game before they will be permitted to put on a glove," Hayward said. "They will be drilled for perhaps two weeks so the men will be prepared to do it right when they do put on the gloves."

In order to speed up the work in wrestling and boxing for the Varsity teams to be organized later, it is possible early classes will be held in the drill shed until the equipment in the gymnasium is put in shape. A call for S. A. T. C. men interested in these sports to come out has been sent to the company barracks.

Wayne Laird will lead Company B boxing and wrestling team while Johnny Houston is to supervise the navy team. No leader has been appointed for the Company A teams yet.

GIRLS SWARM OUT FOR BASKETBALL

Miss Gorman Coach of Teams; More Women Wanted for Folk Dancing.

Basketball is proving popular with University women this year, and hours for practice on Tuesday and Thursday afternoons finds the women's gymnasium crowded with players. Enough freshmen for five teams turned out at the last practice, and it is hoped that this record will be maintained. More sophomores as well as upper classmen could easily be accommodated, say those in charge.

Hours for practice are on Tuesday and Thursday afternoons at 4 o'clock for sophomores, juniors and seniors, and at 5 o'clock for freshmen. Miss Gladys G. Gorman, new instructor in the department of physical education for women, is coach of the teams. Miss Gorman was coach for one year of the basketball teams at Wellesly college, and is herself an able player. Those who have seen her play say she can stand anywhere on the floor and shoot a basket.

More girls are wanted for work in folk dancing given on Tuesdays and Thursdays at 11 a. m. This work may be taken as an elective by any University woman, or may be taken for credit by those who have passed their posture work. If folk dancing is taken for credit, it must be combined with other gymnasium work, in order that the required three hours may be obtained. About 26 girls are already in the class. The work being done at present consists of national folk dances from several nations, including the Swedish doll dance, the Scotch sword dance and the American country dance.

EVELYN SMITH HEADS BAND

Other Officers Chosen; Rehearsals Set for Wednesday Nights.

The woman's band elected officers in Villard Hall Wednesday evening. The following girls were chosen: President, Evelyn Smith; Vice President, Marian Bowen; Secretary, Frances E. Baker; Treasurer, Frances Wiles; Reporter, Marie Holden; Manager, Florence Riddle. The band will hold rehearsals every Wednesday evening at 7:30 in Villard Hall from now on. The members of the band are going to petition to receive two hours credit in school work. Many of the girls are still without instruments but Professor Perfect will try to secure enough as soon as he finds out how many of the girls intend to stay with the work.

SOCIETY

With the war over and the ban on college gatherings lifted, University activities have taken on new life. Plans for everything are being discussed around the campus, and enthusiasm rivaled alone by "the old days" is aroused by each new project. The O. A. C.-Oregon game this afternoon has been the center of interest during the week and a good representative of Oregon students went to Corvallis this noon in the special car to root for the team. The entire college turned out Friday night for the pajama parade and later for the rally in Kincaid field. Fireworks of every description were a feature of the parade. A large student body dance will be given in the Eugene armory next Friday. This will be the second student body dance of the year, the first being given before the influenza epidemic struck the campus.

Mr. and Mrs. Dean Goodman are entertaining this evening with an informal dance in the palm room of the Osburn hotel for the members of Beta Theta Pi fraternity. Hendershott's orchestra will furnish the music. The guest list includes: Gladys Hollingsworth, Josephine Connors, Marjorie Kay, Bula Smith, Helen Houghton, Theodora Stoppenbach, Margaret Phelps, Louise Shenhan, Miriam Holcomb, Velma Ross, Margaret Studer, Madeline Slotboom, Bernice Craig, Margaret Jones, Helen Buckley, Lillian Mannerud, Dorothy Parsons, and Marvel Skeels.

Mrs. Minnie Washburne entertained a small dinner party at the Osburn hotel Friday night. Included in the party were Eva Hutchinson, Charlotte Patterson, Lieutenant C. W. Willis and Carl Washburne.

Mrs. P. L. Campbell, Dean Louise Ehrmann, Mrs. W. T. Fell and Mrs. W. F. Jewett will be Sunday dinner guests of Pi Beta Phi.

Mrs. Thomas Campbell and Myrtle Ross are spending the week-end at Newport.

Myrtle Tobey, 16, of Portland, is a house guest of Alpha Phi for the week-end.

Gladys Ferrell returned to the campus Friday after a week's visit at her home in Portland.

Marian Gilstrap was a dinner guest of Marita Howard Friday night at Hendershott's hall.

Elna Thompson was a Friday night

dinner guest of Kappa Alpha Theta.

Mildred Garland is spending the week-end at her home in Lebanon.

Mae Ballack and Agnes Brooks are visiting in Albany over the week-end.

Miss Tirza Dinsdale, campus Y. W. C. A. secretary, will return to the campus Thursday after an absence of several weeks in Portland. Miss Dinsdale has been conducting work in connection with the United War Work campaign there.

Plans are being made by the members of the campus Y. W. C. A. for a number of social gatherings to be given soon.

Mellie Parker, chairman of the social committee, will be in charge of the affairs which will be given in the Bungalow.

Josephine Osterhout and Patricia Ball are spending the week-end in Portland.

HOURS ARE FIXED FOR SWIMMING POOL

Much Good Material in Freshman Class, Says Miss Winslow.

Definite hours have been arranged for the use of the swimming pool in the men's gymnasium by the women, according to an announcement made today by Miss Catharine Winslow, swimming instructor. The pool is open on Tuesday and Thursday afternoons from 1:40 to 5:10. Classes for beginners begin at 2:10 and 3:40; classes for intermediates at 2:40 and 4:10; classes for advanced swimmers at 1:40 and 3:10. Girls who are unable to arrange their schedules to fit in with these hours may swim from 4:40 to 5:10.

Suits and towels are furnished at the pool 15 minutes before the opening of classes and will not be issued later than five minutes before classes, Miss Winslow says. All suits must be checked in again after the swimmer is dressed. Caps are required of all who enter the pool, but these must be furnished by each girl for herself.

Swimming may be taken electively by any girl in the University if she is physically able and has paid her locker fee of 75 cents. Girls who have fulfilled certain requirements made by the department of physical education may take swimming for credit in place of a part of their regular gymnasium work.

The pool will accommodate more swimmers than have been in, on the first few days since the pool was opened, according to Miss Winslow, who wants to see as much interest displayed in this sport this year as was shown last year. There is much good material in the freshman class, Miss Winslow says, and a number of last year's swimmers have appeared at the pool this year. Some of the freshman material is the following group of girls: Margaret Biddle, Helen Nelson, Helen Clarke, Margaret Russell, Dorris Pitenger. Some of last year's swimmers who are out are: Marion Coffey, Theodora Stoppenbach, Ella Dews, Jeannette Moss, Anna Mae Bronaugh, Florence Riddle, Edith Pirie, Nancy Fields, Ruth Sussman and Naomi Robbins.

BOARD TO MEET TUESDAY

Executive Committee of Women's League to Plan for Future.

A meeting of the executive board of the Woman's League has been announced by Dorothy Flegel, president of the organization, for Tuesday evening at 7 o'clock at the Kappa Kappa Gamma, house. Matters in preparation for a meeting of the entire membership of the league will be taken up and a time for meeting decided. Miss Flegel hopes to call a meeting either next week or the week following.

A social event for sponsors and sponsors will be planned, and this may take the form of a dance, which has been the custom in former years. "Red Cross work on the campus will probably be given up for this term at least," said Miss Flegel, "and the matter will be decided again at the first of the second term." It is probable that Dean Louise Ehrmann will be present to speak to the University women at the meeting.

JAZZ Poured OUT

(Continued from page one)

your team," he said. "Tomorrow they will have to fight to win the game for Oregon. Are you going to fight too?" A wild enthusiastic yell of assent followed. "The team is in good condition," he continued. "It is one of the best we have ever had, and it's up to you to go and support it, and yell as you have never yelled before. I know that the team is going to do its best, but are you?"

"Yes," came the thunderous voluntary reply from the large crowd in the grandstand.

Johmie Houston put in a word at the last. "You've got the jazz tonight. Take it to bed with you and go to Corvallis with it tomorrow, and keep it up—keep it up."

STUDENTS TO DANCE NEXT FRIDAY NIGHT

Armory Obtained; Good Music Promised; Big Crowd Expected.

At last there is to be a hop!

Friday night has been set by the social committee for the first student body dance of the year. The armory is the place. This dance will take the place of the one which was to have been in the men's gymnasium tonight, but which was postponed by the student committee since the gym was considered too small for the whole student body to dance in.

The student committee in charge, composed of Ella Dews and Nish Chapman, has let slip a few of the plans for the affair—and they are really going to satisfy that yearning feeling for a good lively dance which we have felt for so long.

"Good music will be the essential of the evening," said Ella Dews today. Besides that programs will be provided. A small charge to cover the expenses incurred in giving the dance will be charged—not more than 50 cents, according to the committee.

The dance will be informal and the entire student body is urged to be there. "I hope this will be a truly campus dance and that everyone will make an effort to go," said Dean Ehrmann.

A great many more plans are to be made next week. In the meantime, remember Friday night.
