 Double Lens, R. R. \$9.00.
 7.7 Anastigmat Lens \$13.50.
 Don't Forget the sale on Khaki Goods.
LINN'S
 The Service Giving Drug Store.

NEW REASON GIVEN FOR O. A. C. DEFEAT
 Corvallis Courier Says Jinx Helped Oregon to Victory.

Throwing a new light on the Oregon-O. A. C. football game last fall which was won by Oregon, 13 to 6, a copy of the Corvallis Courier of November 19, has just this week found its way to the Oregon campus.
 Oregon rooters, perhaps too enthusiastic, declared upon their return that the final score would have been much larger had it not been for the breaks of the game favoring O. A. C. in the first half. It now appears that things were different.

Twelve jinxes assisted Oregon in O. A. C.'s defeat, according to the Courier sport writer, who believes that if it were not for this mystical dozen the final score would have been O. A. C. 7; Oregon 0.

Under the head, "Jinx Important in O. A. C. Defeat—University Eleven Quick to Make Gains on Beavers' Boggles. Two Accidents Responsible for Result." The Courier says:

"Once again the best team was defeated.

"The University of Oregon, with eleven men and a jinx won over O. A. C. Saturday at the O. A. C. grounds by a score of 13 to 6. The teams were so nearly even that without the jinx the count should have been 7-0 in O. A. C.'s favor. The first quarter opened with the jinx out of the game, detained en route or loafing on the job for the Aggies took all the steam out of the visitors and carried the ball for a touchdown within five minutes of play. It was a walkaway through the line or around the ends. Badley made a 20-yard delivery. Powell advanced 15 yards further and Badley completed another 20-yard excursion for a score. Right here while the fans were going insane the jinx walked out and balled up the kick and the ball flew wide of the goal. The quarter ended with the score 6 to 0.

"The second quarter was practically a repetition of the first except that a fumble near the end of the quarter lost another score for O. A. C. The playing had allowed Hodler two trips, one of 12 yards and one of 10, it had allowed Badley a 15-yard romp and one of 20 but near the visitors' line the little green man with a feather stepped into the scrimmage and fumbled the going so that Oregon kicked out of danger. The second quarter ended with the sheet clean for the visitors.

"In the third quarter everything went wrong. There could have been no less than a dozen jinx(es) on the field at the same time. Oregon kicked off and Hodley and Powell stampeded and lost the ball to Oregon on the 15-yard line. From then on Oregon had the best of the game. All breaks were in their favor and they crowded the ball over for the first score of six. They then failed to kick goal and the game was tied. Another fumble on the second kickoff and Oregon was on the way again and the third quarter ended with the ball away down in the O. A. C. territory. Hodler went out of the game with a bruised neck and head and Thompson went in.

"In the last quarter Oregon had but 15 yards to make and this was made in the first minute of play. They also kicked goal and the game closed, with the score 13 to 6. In the first half Oregon was out-classed and in the second half the Beavers played as good a game but an unlucky one."

Y. W. CABINET TO BE HOST
 Breakfast at Bungalow Complimentary to Miss Holgate.

An opportunity for the members of the Y. W. C. A. cabinet to meet Miss Eleanor Holgate, National Y. W. C. A. secretary for secondary schools in Oregon, Washington, Idaho and Montana, is to be given at breakfast Sunday morning. Miss Holgate is coming to Eugene to visit the high school, but is expected to spend a little of her time on the campus. The breakfast will be given in the Bungalow and will be served by the cabinet members.

A Christmas morning breakfast for all University girls staying in Eugene over Christmas is to be given by Mrs. Donald Young, a member of the association advisory board, at her home. A similar affair was given last year by Mrs. Young and proved a great success in cheering the girls, some of whom had never been away from home over the holidays. Mabel Weller and Bernice Spencer are on a committee in charge of attendance at this affair and it is hoped that every University girl who is to spend the holidays in Eugene will hand her name to one of the committee or to Miss Tirza Dinsdale, campus secretary of the association.

VARSITY WRESTLING TO BEGIN NEXT TERM
 Few Experienced Men Available; Grey of Last Year's Team May Return.

When the S. A. T. C. is demobilized and the University returns to its normal life, varsity wrestling will start. There will, in all probability, be a freshmen team. The experienced material in school for a varsity wrestling team is not very plentiful. Harold Grey, who was a varsity man last year who is now at Camp Taylor, is expected to be back in a few days as the men there were discharged several days ago. Grey is a valuable wrestling man and his presence will greatly help the team this year. Dwight Wilson, who was last year's 145-pound wrestler, will not return to school this year. Wilson would be a great asset to the team this year and his absence will be felt in wrestling circles.

Rollin Woodruff is a wrestler of considerable experience but has never had varsity training. He threw Dwight Wilson at the Kappa Sigma smoker last year and expects to go out for the varsity team this year. There are practically no other men in school who have had any wrestling experience but some of the new men look very promising. The heads of varsity sports expect a large number out, and the men are going to be put through stiff training in order to develop a team. The first call for wrestling and boxing men will be issued after Christmas vacation.

2-DAY INSTITUTE PLANNED
 Miss Dorsey and J. C. Almack to Help on Program at Estacada.

A two-day community institute, under the auspices of the University extension division and the Estacada high school, will be held at Estacada Thursday evening and Friday at the auditorium of the high school building. The program is almost entirely furnished by University people and is as follows:

Thursday evening at 7:30—Dramatic readings, Miss Mabel Dorsey, instructor of dramatics. Lecture, John C. Almack, director of extension division.

Friday, 10:30 a. m.—Lecture, John G. Almack.

Friday, 2:30 p. m.—Lecture, John C. Almack; Meeting of Parent-Teachers' association. 8:00 p. m., Violin recital, Robert L. Barron.

Y. TO GET JOBS FOR MEN
 Secretary Will Establish Employment Bureau For Students.

William F. Vance, secretary of the campus Y. M. C. A., announces that the "Y" is opening an employment bureau to get positions for men seeking work to help them through the college year.

The question of employment is now being taken up by the Eugene Chamber of Commerce which will co-operate with Mr. Vance. The Guard and the Register also offered their aid in finding work for applicants.

"Considerable difficulty will be found," says Mr. Vance, "in getting jobs for so many. Heretofore there have been more places than could be filled." As long as the S. A. T. C. is in organization the men will have their expenses paid, but when it is demobilized, many men will find it necessary to get positions or discontinue college. Contrast of conditions is shown in the statement made by Mr. Vance, that during the last term he received only four calls from students who wanted work.

All men interested should see Mr. Vance as soon as possible, as he says he already has a list of 125 names and expects it to reach 200 before long. Of this 125 a considerable number already have their positions secured.

Indexes will be kept of the names of the students and also of available work.

CROCKATT TO CAMP LEWIS

To give the men at Camp Lewis some instruction in civics, economics and business law, instructors have been asked by the Y. M. C. A. to give a week from their college work to go there and lecture to the large group of soldiers before they are discharged. Professor Peter C. Crockatt of the economics department of the University left this morning for Camp Lewis to give a series of six lectures on economics to the men. Each lecture he will repeat three or four times daily in order to reach the large group of men there.

The Y. M. C. A. at Camp Lewis which is promoting the instruction of the soldiers asked for more professors from the University if they could be spared.
