

EXECUTIVE BOARD PLEDGES SUPPORT TO DEBATE POLICY

Intercollegiate Contests will Depend Upon Success on Campus.

LEAGUE TO ENFORCE PEACE MAY BE SUBJECT CHOSEN

Elimination or Two-Percentage Plan to Determine Winners.

The executive board of the student council gave its hearty support to the intra-mural program for men and women's debate when it met yesterday at 1 o'clock.

This policy regarding varsity debate was adopted because it was thought that the question of financing inter-collegiate debate could be better considered at a later date.

To Complete Plans Tonight Professor Prescott will meet Herman Lind, head of men's debate on the campus, and the representatives from the men's houses at 7:30 this evening at his room in Johnson hall to discuss the problem of a question and a schedule.

Both the executive board and Professor Prescott agree in favor of the tri-percentage plan, which has been used on the campus before in intra-mural debating.

Women's Work Similar It is thought that whatever decision is made tonight regarding the schedule for the men will also be adopted by the women.

NEW HEAD FOR FRESHMEN

Remy Cox of Portland Elected to Succeed Harold Baker.

At a meeting of the freshman class yesterday afternoon, Remy Cox, of Portland, a graduate of Washington high school, was elected president of the class to succeed Harold Baker, who did not return.

Plans for the freshman glee, which is scheduled for February 15, and an undecided mix were discussed.

CONCERT POSTPONED

Because of the illness of Harry Devreux, cellist, Prof. R. L. Barrow has postponed the orchestra concert next week.

Mix Plans Mixed; May Be Unscrambled In Time for Event

There is the possibility of an under-class mix, but plans are still up in the air and nothing definite has been decided.

In the freshman class meeting yesterday afternoon, Dean Straub spoke in favor of the mix, and suggested Saturday, January 25, as a good day for it.

The junior class is in favor of holding the mix, but it is not certain as to the best time for having it. There is considerable sentiment about the campus for having the mix postponed until spring.

Mention of the mix recalls some of the stunts of former years. Greeting the pole from which the freshmen were attempting to haul the flag, used to be a favorite stunt.

One of the best, however, took place a few years ago, when one of the classes hid several sandbags behind the grandstand.

The Oregon club and Delta Tau Delta fives returned victorious in the Doughnut League contests played Wednesday evening.

SHY TO PICK FROSH BASKETBALL FIVE

Team May be Formed by End of Week; Games with O. A. C. Feb. 14, March 1.

The frosh basket tossers are beginning to get into shape and a number of good men are out, according to Shy, who is putting them through stiff practices every night.

Some of these men are showing ability and they bid fair to make a name for the freshmen team of 1919. Roy Veatch, a candidate for the guard position, showed up very well the few nights he was out for practice.

Dean Walker has arranged games for the freshmen with the O. A. C. rooks February 14 and March 1, and expects to schedule a game with Chemawa very soon.

SONG FEST HELD BY Y. W.

Mrs. William Moll Case in Charge; Discusses Hymn Writing.

A songfest followed by a social hour was the order of the meeting held by the Y. W. C. A. on Wednesday at the Bungalow.

"God Is Working His Purpose Out" and "Hymn of Lights" were two of the songs learned during the meeting.

FIJIS, DELTA TAUS, OREGON CLUB AND KAPPA SIGS WIN

First Games Played in Series of Doughnut League are Hard and Clean.

Table with columns: League A, W, L, Pct., and League B, W, L, Pct. Lists teams like Phi Gamma Delta, Delta Tau Delta, Sigma Nu, etc.

The Oregon club and Delta Tau Delta fives returned victorious in the Doughnut League contests played Wednesday evening.

Under the direction of Bill Hayward the games were cleaner than in previous years.

The Delta Tau team appears to be made up of aces in the basketball world, and they played some foxy basketball last night.

The work of the Madden brothers in handling "Dinty" Moore and Mark Hanna, forwards for the Sigma Chi quintet, was a thing of beauty.

In the center of the ring both teams presented a species of elongated humanity that is hard to beat.

Kelly Branstetter and Mort Brown entertained Cres Maddock and "Fat" Blake rather informally and they had some time.

Askey scored 6 of the Deltas points and Mort Brown rang in the others with a field basket and three fouls.

DWIGHT PARR ON CAMPUS

Track and Soccer Man to Return After Discharge from Army.

Lieutenant Dwight Parr, a member of the class of 1920, returned to the campus Wednesday to renew old acquaintances.

Parr was a prominent track man. He was on the varsity team last year and the freshman team in his first year.

While here Parr is staying at the Delta Tau Delta house of which fraternity he is a member.

FACULTY TO STAGE PLAY; ELABORATE SETTINGS FEATURE

"Milestones" Chosen for Production in Guild Hall March 7, 8.

A faculty play will be presented in Guild Hall March 7 and 8, according to present plans of the committee in charge.

The settings of the three acts are in the three periods, 1880, 1885, and 1912. Elaborate costuming and sets will be necessary.

The members of the cast chosen have all had previous experience. They are: John Rhead, W. F. G. Thacher, Gertrude Rhead, Mrs. Eric Allen, Samuel Libbey, William F. Vance, Rose Libbey, Norma Dobie, Miss Rhead, Mabel L. Dorsey, Richard Libbey, Sam Bass Warner, Nancy Libbey, Charlotte Banfield, Ned Pym, Andrew Fish, Hon. Muriel Pym, Emma Wootton Hall, Emily Rhead, Mrs. Dean Walker, Arthur Precece, Robert Prescott, Lord Monkhurst, Clayton Baldwin.

JUNIORS ELECT OFFICER

Margaret Mansfield is Vice-president; Class Plans Party.

Margaret Mansfield, of Portland, was elected vice president of the junior class yesterday afternoon to succeed Gladys Smith, who did not return to the University this term.

The class decided to have the usual snap shots for the individual pictures of juniors in the Oregon this year.

After repeated calls from a small group of men in the back of the room, who chanted "we want a party," the class decided to give a party of some kind, probably a lottery dance, arrangements to be made by the following committee: Beulah Smith, chairman; Mortimer Brown, Herman Lind and Douglas Mullarky.

Plans are being made for the under-class mix by the committee appointed at the first of last term—Ned Folwer, chairman; Lyle McCroskey, Jack Dundore and Herman Lind.

FIRST GYM WORK TUESDAY

Cuts to be Given All Men Not Reporting then, Says Walker.

All men must sign for gymnasium work between now and next Tuesday. Dean Walker announced this morning. Cuts will be given all men not reporting Tuesday, when actual work for the term will begin.

"There seems to have been some misunderstanding of this rule," Dean Walker said this morning, "but every man must sign up for class work by Tuesday."

Classes will be conducted this year in a new way, getting away from the old cut and dried fashion of floor work. After roll call the boys will be put through setting-up exercises and will then start on competitive games, which, Dean Walker says, give a chance for both mental and physical activity.

All underclassmen, except those physically disqualified, must take the required two hours of gymnasium work a week.

OLD TRACK STAR RETURNS

Verne Windnagle Back in Portland After Flying in Italy.

Lieutenant Verne Windnagle, well known University of Oregon track man of several years ago, returned to Portland yesterday from Italy.

After having disturbed several local records in the mile event, Windnagle went to Cornell, where he developed into one of the best men they had on the cinder path.

Doughnut League's Training Rules Have Some Queer Angles

Doughnut League basketball has developed some queer methods of training. Almost every house practically has a different system, while taken together, they are nothing if not unique.

In one of the fraternities, there is a rule that no player is to smoke for eight hours before a game. Just what good this sudden cessation of the manly art will do, is not made clear.

Still another house has a list of things which are taboo the day of a game. This list includes short-thicks, banana specials, sundae, dopes, etc.

Although it seems strange, there is no record of any rule compelling the athletes to retire early.

TEGART AND SNYDER RETURN TO EUGENE

Old Football Stars Eager to Don Moleskins Again for Lemon-Yellow.

Lloyd Tegart, ensign in the United States navy, and Lieutenant Bill Snyder returned to Eugene early this week, having received their discharge papers from the service.

During the two years that he served in the navy, Tegart was on the Atlantic seaboard most of the time and made five trips across the ocean on the United States steamer Von Stuben, which has been used as a convoy for transports.

During one of the trips across one of the transports in the convoy caught fire and the men were rescued by the Von Stuben. Among those who came over the rail of the ill-fated ship was Paul Sprague, an old University student.

Tegart ran across Johnny Barker and Elmer Hall, former football stars, now officers in the marines, during his time in the service.

Bill Snyder does not intend to enter school this term, as he has a position as clerk in the legislature at Salem. Snyder will be back next fall to finish his course and hopes to be able to play football.

Both Snyder and Tegart were members of the Oregon football team of 1916, and are anxious to again don the mole-skin for the lemon-yellow.

All underclassmen, except those physically disqualified, must take the required two hours of gymnasium work a week.

WOMAN'S BAND CREDITED

Faithful Work to be Rewarded Equally With Men's.

Credit for playing in the Woman's Band will be given if good work is done, J. J. Landsbury, head of the school of music announced.

There are still a few places to fill, according to Albert Perfect, director, and anyone interested may report to him.

HEROES WHO DIED SET PACE FOR US, DECLARES LOCKLEY

Journal Writer Pays Tribute to Oregon Men and Says We Must be Worthy.

SEES SPECTACULAR RAID OF 60 PLANES ON PARIS

Many Humorous Stories of War, Related; American Women Fine Workers.

"We have got to be bigger citizens and better citizens or the boys in France have died in vain and we are falling down. They have died for us and we must live for them."

"It is up to us to make the city of Eugene and the state of Oregon a better place to live—a place of more equalized opportunities or the great loss of life suffered by the United States will be without reward.

The old aristocracy of service. The new aristocracy of service now living in an aristocracy of service not of wealth.

Mr. Lockley told many of his experiences at the front and in different parts of France. The most spectacular thing he saw while overseas was a night air raid on Paris.

One man who was spoken of as a "queer guy" but who was "all there" when it came to delivering the goods" was found to be the professor of Oriental Languages at one of our eastern universities.

Sky Raid Spectacular.

Mr. Lockley told many of his experiences at the front and in different parts of France. The most spectacular thing he saw while overseas was a night air raid on Paris.

Another time that he witnessed an air battle was on the edge of the Argonne forest. The English patrols were gone and a German air craft attacked four American planes.

One time the Y. M. C. A. secretary was in a little military city and was honored by being given a room in the largest house in the place.

Mr. Lockley paid a tribute to the valor and services of the men of the University in France.
