PLANS FOR HOP POINT TO ORIGINAL PARTY

Committee is Working Hard on Details; Much Pep Promised.

Since permission has been granted by the campus health committee to have the sophomore dance next Friday night in the Eugene Armory it is an assured event according to Eddie Durno, president of the class. The sophomores were promised the first date opened by the committee and as things are to be opened this week-end, the hop will only be two weeks later than was planned at first.

All term the committee has been working out the details of the affair and judging by the plans which they have let out, it will be by far the most original dance staged here in years.

"Plans Wonderful," Says Chapman
"The plans are little short of wonderful," said Nish Chapman, general chairman. "The main idea tends toward originality in decorations, programs, music and features." The programs will be worked out in blue, but the committee refused to let out any ideas as to the color scheme or achieved artistic effect, muttering stubbornly that it is a "surprise."

The music will be jazzed by a six piece University band especially built for the purpose of giving that rhythm and pep which only a jazz band can give, and its good. The committee says so.

Never did a committee work quite as hard as these sophomores are working on the details of their hop. The people who deserve all the credit for the success of the party are:

Nish Chapman, general chairman.
Patrons and patronesses: Nell Warwick, Madeline Slotboom and Harris Elsworth.
Music: Carl Weigel, Helen Manning and Wayne Laird.
Hill and decorations: Richard Martin, Rollin Woodruff, Sam Lehman, Dwight Phipps, Elsie McMurphy, Lucile Caswell and Marion Gilstrap.
Programs: Gladys Hollingsworth, Donald Feenaghty and Blanche Wilson.

Furniture and punch: Julian Leslie, Willard Hollenbeck, Francis Jacobberger, Theodora Stoppenbach, Evelyn Grebe and Margaret Jones.
Features: Leith Abbott, Beatrice Wetherbee.

Dance to Start at Eight
The den, just off of the main room, is to be decorated for the patrons and patronesses. They will be President and Mrs. P. L. Campbell, Colonel and Mrs. W. H. C. Bowen, Colonel and Mrs. John Leander, Dean and Mrs. John Straub, Dean Louise Ehrmann, Mr. and Mrs. Dean H. Walker, Professor and Mrs. W. F. G. Thacher, Dr. and Mrs. John F. Boyard and Mr. and Mrs. A. C. Dixon.
The dance will start promptly at 8 o'clock and will end at 11.

CITY MAY GET TROPHIES
Eugene will have a German cannon or field piece captured by the American forces in one of its parks if a bill which has been introduced by Representative Hawley providing that such a trophy be given Eugene, is passed. The bill provides the secretary of war be authorized to donate to the city one cannon or field piece. Hawley also introduced a bill providing that similar trophies be given various other towns in this district.

CAN'T PAINT OWN HOUSE

San Francisco, Jan. 23.—For six months one side of George Shadbourne's house has needed repainting. Shadbourne has wanted to give it two or three coats, but he hasn't dared.

California's assistant attorney general, E. B. Power, threatens to cause the arrest of Shadbourne the moment the latter sets foot on Power's lawn, and the Power property line runs so close to Shadbourne's house that he can't paint that side of it without trespassing.

The Power-Shadbourne feud has existed for nearly six years. Power declares it started when he refused to buy Shadbourne's property. Shadbourne, he says, then erected a "spite" porch in the rear, which shut out the light and view from Power's windows. One side of the "spite" porch never has been painted, and it seems Shadbourne will be unable to paint the shabby side of his dwelling.

BOCOCK STILL IN FRANCE

Former Student has no Hope of Getting Home for Months.

"Our regiment is scattered all along the seaport towns in France doing odd jobs," writes Morris Bocock, a student in the University last year and a member of A. T. O. in a letter to Karl W. Onthank. The letter is dated Dec. 26.

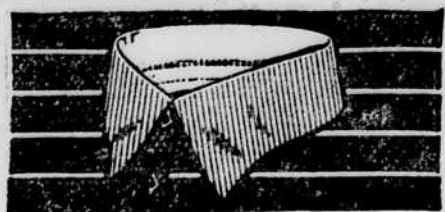

"I am back in St. Nazare after a month's stay in Savenay," he writes. "We have no hopes of getting home for several months. Bobby Burns was in Tours the last I heard and Johnny Beckett is spending his Christmas in Bordeaux, I believe."
