

# MILITARY TRAINING BILL PASSES SENATE

### Measure Provides for High Schools and Colleges; Col. Leader in Charge.

Universal military training in the high schools and colleges of Oregon is made compulsory under the terms of a bill by Senator Hurley of Malheur county, which passed the senate yesterday afternoon by a vote of 16 to 14.

Colonel John Leader, who for the past year has been in charge of the officers' training camps at the University, will continue in that capacity and will also systematize the military training in the high schools if the bill becomes a law.

Senator Pierce attacked the bill, mainly because Colonel Leader is to have charge of the military work. He also demanded that the officers' training camp, which the bill provides shall be located at Eugene, be changed to Corvallis. The camps were located at Eugene by the national military training camp association under the direction of the United States war department.

Senator Pierce is a member of the board of regents of the Agricultural college.

## CLASS MEETINGS FIXED

### Will Take Place of Assembly; Mrs. Thompson Not Coming.

Assembly hour Wednesday will be devoted to class meetings, it was announced today by Karl Onthank, secretary to President Campbell. Classes will meet in the following rooms: Seniors, Deady; juniors, Professor Howe's room in Villard; sophomores, Guild hall; freshmen, Villard hall.

Mrs. Alexander Thompson, of Hood River, a member of the lower house and the only woman in the state legislature, had been invited to address the assembly next Wednesday. Owing to the extension of the legislative session into next week, Mrs. Thompson will be unable to come at that time; but, according to her telegram to the president's office received today, she expects to be able to visit the University at some future date.

## MEN URGED TO JOIN Y. M.

### Election of Association Officers to be Held Next Week.

Y. M. C. A. membership cards are being circulated on the campus this week. The men are being urged to sign up and get into the Y. M. work. There are no dues connected with the Y. this year, as the work of the local hut is being conducted by the war work council.

Election of officers will probably be held next week and it is necessary that a student be a member of the Y. M. before he is allowed to vote. Representatives of the Y. M. cabinet are in every house and there is a special group handling the members of the Oregon Club.

Anyone who is not reached by some member of the cabinet should not feel offended, but come to the hut and get one of the cards so that he may vote at the election.

## WOMEN TO SWIM TUESDAY

### Interclass Teams Chosen According to Preliminary Points Won.

The women's inter-class swimming meet will be held in the pool of the men's gymnasium, next Tuesday evening at 7:30. The seniors and freshmen have chosen the following girls to act as their captains and managers respectively: Marion Coffey for the seniors and Helen Nelson and Dorothy Reed, freshmen. The sophomore and junior girls will choose their managers and captains at an early date.

The teams to participate have not been picked, Miss Catharine Winslow, instructor, announced today. There will be four girls on each team, however, who will be chosen according to the number of points they won in the preliminary meets.

There will be two entries from each class in the following events: plunge for distance, swimming free style one length of tank, free style two lengths, breast stroke one length, back stroke one length, strokes for form—Breast, back, side and crawl—dives. In the relay race four girls will participate, one girl from each team.

John C. Almack, director of the University extension division, spoke at Harrisburg Friday evening on "Consolidation," at a meeting for the discussion of consolidation of school districts neighboring Harrisburg.

# CAMPUS ACTIVITIES

Guests from all over the state are on the campus to attend the Colonial Assembly tonight. About fifty of the guests come at the invitation of the University and many of the houses are entertaining for mothers and friends. The Colonial Assembly is the most important of all University functions which has occurred this year. Washington's Birthday is to be fittingly celebrated.

Daffodils and laurestine were very effective decorations about the rooms. Mrs. F. C. Hendricks, Mrs. W. H. C. Bowen, Mrs. F. M. Wilkins and Mrs. P. E. Snodgrass presided at the tea table during the afternoon. Several University girls assisted the hostesses.

## SUN NEVER SETS ON EXTENSION WORK

### Activities of Division Reach From Philippines to France.

The sun never sets on the activities of the University of Oregon extension division. While Miss Mary Trowbridge, formerly of Medford, now in the Philippines, was finishing up her correspondence course in short story, Carl Nygren, an artilleryman with the American forces in France, was perfecting himself in trigonometry, also by the mailed-lesson method. After Mr. Nygren's transfer from the 54th artillery to the 65th, the division headquarters here did not hear from him; but Miss Trowbridge sent a letter which arrived only a few days ago from Batanzas, in the Philippine archipelago. She has been in the island since last summer.

"We are kept busy here," she writes, "which is a good thing, as it keeps us from getting lonely. We have had to establish a mess, buy furniture, hire cooks and boys, of whom we have had about one a month."

Another far distant member of the Oregon student body is Sergeant J. E. Petite, of the army, who is doing correspondence work in English while at Fort Lisicum, Alaska. Letters come in almost daily from students in widely separated parts of the earth who are sending in the results of their work and asking for more.
