HIGH SCHOOL FIVES TO PLAY ON CAMPUS

State Basketball Title will be Decided March 15; Program Arranged.

The University will hold a basketball tournament on March 14 and 15 for the high schools of the state, to decide the interscholastic championship. In the past there has not been any definite champion among the high school teams and the University has taken this means of deciding the championship. The state is divided into eight districts and the winning team of each district is to come to the tournament to try for the championship. The districts are as follows: Eastern Oregon, Central Oregon, Portland, Lower Columbia, Willamette Valley, Coos Bay, Southern Oregon. It is thought that probably LaGrande will represent the Eastern Oregon division, while probably Bend or Hood River will play for Central Oregon. Lincoln has a good chance to win the championship of Portland high schools, which means they will have a place in the tournament. There are several teams who claim the Willamette valley championship, so it may be necessary to have more than one team from this division. According to the results of recent games, Silverton and Eugene will place in the tournament. Marshfield will probably play for the Coos bay section. In Southern Oregon the championship seems to lie between Ashland and Roseburg.

To Entertain Teams All the high schools are enthusiastic about the tournament. The University

will furnish entertainment for the visiting teams and will also handle the finances of the tournament. All the money above expenses that is made from the games will be divide among the teams.

Dean Walker has charge of the plans for the tournament, and student body committees are busy working out the plans. It is a big job, but the committees are determined to do everything possible to make the tournament a huge success. The advertising committee composed of Pierce Cummings, George Black, Johnny Houston, Sprague Carter, Roscoe Roberts, Harry Jamieson, Bill Bolger, "Pink" Boylen, Arnold Koepke and Carl Newberry, have divided the city into districts and plan to advertise each district thoroughly. Alexander Brown, Leith Abbott, Estle Hansen, Dorothy Duniway and Paul Farrington have been appointed as the publicity committee. A large cup is to be given to the champions of the state and an individual prize to each member of the team.

Prizes for Team Members

Individual prizes will also be given to the members of the all-star team, which will be selected after the tournament. Joe Trowbridge, "Dick" Avison, and "Hank" Foster will have charge of the trophies. Jack Dandore, Cres Maddock, and Bill Hollenbeck, who are on the entertainment committee, have planned a good time for the visitors. They will be given an automobile trip, a theater party, and will be taken to the girls' glee club concert. A committee composed of Carl Weigel, Lay Carlisle, "Pat" O'Rourke, Nick Carter, Merle Morganson, Les Schwering, George Beggs and Forest Watson will sell tickets. The town is to be carefully canvassed. Each game will cost 50 cents, but a ticket which includes all the games may be purchased for one dollar. All University and Eugene high school students will be sold this ticket for 50 cents. Marion Coffee, Virginia Smith, Howard Kelley and Henry English will sell these tickets on the campus. "Chuck Comfort, "Billy" Morrison and "Skeet" Manerud have been appointed to get the co-operation of Eugene high school in making this tournament a success.

First Two Games March 14.

The first two games of the tournament will be played Friday afternoon, March 14, at 4 o'clock and the next games at 7 o'clock Friday evening. Two teams will play Saturday morning, March 15, at ten. This leaves the two last teams to play

the championship game Saturday night at 7 o'clock.

All of the committees are hard at work and it is the duty of every student of the University to give his whole hearted cooperation to an enterprise which means so much to the University.

HIGH SCHOOL TO HOLD SPECIAL ASSEMBLY

A special assembly to which all men who were members of any branch of the army or navy who have returned, will be held at the Eugene high school Wednesday afternoon at 3:30 o'clock, C. A. Howard, principal, announced this afternoon. Special music by the boys' and girls' glee clubs will be offered, and Dr. Carl G. Doney, president of Willamette university will make an address. Dr. Doney has recently returned from France and is said to be a notable speaker.

"We are anxious to have all students and former students of the school present," Mr. Howard explained, "as the assembly is especially for them. Townspeople are also invited to attend."

INCOME SCALE FOR FUND

Armenian-Syrian Relief Campaign to Start Monday.

A gift scale based upon the income has been suggested for the campaign for the Armenian-Syrian relief fund which starts next Monday, March 10, and this system will probably be carried out among the University people as well as the townspeople. This plan is thought better than the assessment basis.

An agreement has been made between the University people and the Lane county chairman and the downtown committees to solicit all the people on the same basis. If the scale is strictly adhered to the amount subscribed should exceed the minimum quota by about 8 per cent. An appeal is being made to give as generously as possible since the need is very great.

The scale will work out to about \$2 on a \$1000 income, \$4 on a 1500 income, \$6 on \$2000, \$10 on \$3000 and others in proportion.

The faculty members are the only ones who are to be asked to contribute for

this fund, but it has been decided to place a box in the bungalow, the hut, and at the assembly hall Wednesday where volunteer student contributions will be received. According to Dr. A. E. Caswell, chairman of the committee in charge of this work, the faculty hope to raise at least \$500.

Students desiring to work an hour or more a day can make wages of more than \$1 per hour selling America's War for Humanity and Life of Roosevelt. Send at once for free outfit. F. B. Dickerson Co., Detroit, Mich., enclosing 20c in stamps for mailing outfits.
