

Campus Activities

While their friends were home enjoying vacation, several prominent college men and maids announced their engagements. All of the people are prominent on the campus.

Vacation festivities on the campus consisted of house dances for the "left-overs," picnics and hikes. Several people were left in each house, so there was always quite a party at all of the open house dances.

Now spring is here and picnics will soon begin again.

Thirty new pledges to fraternities were announced during the week.

Of interest to students on the campus were the several engagements which were announced either during vacation or the past week.

Myrtle Ross, '20, and Clifford Mitchell, '19, announced their engagement during the holidays. Miss Ross is a member of Delta Delta Delta and Mr. Mitchell, of Sigma Nu.

Miriam Holcomb, a member of Kappa Alpha Theta and Richard Martin, of Beta Theta Pi surprised their friends during the past week by announcing their engagement. Both are from Portland.

Elsie McMurphy and Garfield Madden, both of Eugene, were another couple who made known their engagement to their friends during vacation. Miss McMurphy is a member of Alpha Phi and Mr. Madden of Delta Tau Delta.

Ruth Graham, a senior, and a member of Alpha Phi, has announced her engagement to Richard Case, of Van-

couver, Washington. Mr. Case is a member of Phi Delta Theta from O. A. C.

Thelma Stanton, Mary Packwood and Myrtle Albright have returned to college for the third term.

Colonel and Mrs. Raymond C. Baird and children, and Mr. and Mrs. Peter Crockatt were dinner guests of Pi Beta Phi Thursday evening.

Mrs. J. B. Dezen-dorf, Doris Dezen-dorf and Dorothy Maaville were dinner guests at the Sigma Chi house Thursday evening.

W. C. Keyes, of Lewisburg, Oregon, is a week-end guest of Beta Theta Pi. Mr. Keyes is a Beta from Michigan in the class of '98.

Graham McConnell who has just returned from over seas is a guest of Sigma Chi over the week-end.

Helen Day, Margaret Carter, Gertrude Livermore and Marian Linn will be dinner guests of Pi Beta Phi tomorrow.

B. F. Shepherd, a Sigma Chi from Northwestern University, is a guest of his fraternity brothers on the campus.

Mrs. Dean Vincent, nee Gertrude Cowgill, ex-'20, spent the week at the Pi Beta Phi house.

CONTEST PLANS ARE PERFECTED

Orators of Eight Colleges to Arrive Friday; Banquet Will be Given in Evening

The state oratorical association with its annual contest will come to the University campus on Friday, an event which occurs here only once in every eight years. The contest between the representatives of the nine colleges in the association will be held in Villard hall on Friday evening.

Each of the colleges in the association, which includes O. A. C., Pacific University, Pacific College, Oregon State normal school, Albany college, Willamette university, McMinnville college, Eugene Bible university and the University of Oregon are entitled to two delegates from each class, a debate coach and an orator. At least 80 delegates are expected and many others will accompany them if precedent is followed. While guests of the University, the delegates will be entertained at the various houses on the campus. A banquet is also being planned for the guests.

Ralph Hoeber, a sophomore, will represent the University in the contest. Ruth Graham, a senior in the University, and the president of the state association, has the arrangements in charge. Those who wish to attend the banquet should see her. Herman Lind, as chairman of a committee assisting her, is preparing posters which will be displayed on the campus and around town. There will be no admission charged for the contest.

An executive committee meeting of the association was held in Salem early in February and due to the irregularity of college life this year and because of illnesses, the contest was postponed from its usual date of the second Friday in March, to April 11. A list of possible judges was also selected at that time.

According to the present arrangements the delegates will arrive in Eugene at noon Friday, April 11, and will be taken to the houses where they are to be entertained. In the afternoon the association will hold its business meeting, and in the evening will come the contest, to be followed by a banquet. The guests will leave Saturday.

The routine of officers and meeting places of the league follow the same itinerary, each year the contest being held at the school which holds the presidency, resulting in the office of president and the place of debate coming to the University only once in the years.

The Eugene Bible university being a recent addition to the league, making the ninth member, the contestants will now come to Eugene twice in the nine years, once as guests of the Bible University and once of the University of Oregon.

Men interested in tennis and cricket should see Colonel John Leader in his office in the gymnasium at once. Colonel Leader is arranging class hours for these sports.
