

# SOPHS WOULD OUTDO PREVIOUS LOTTERIES

### Costumes of Senior Party, and Pajama Parade to Appear Again

The sophomore "Catch as Catch Can" is going to be pulled off Friday evening beginning at 8 p. m. in the men's gymnasium.

It is to be in the form of a lottery hardtimes dance. The lottery was staged a week ago today by the committee in charge which consists of Sam Lehman, chairman; George Beggs, Lucile McCorkle, and Annamay Bronaugh.

There were not quite as many sophomore men as women, so all of those girls who did not draw a man are asked to invite a man from another class to be their partner. The committee also asks that any man who can not go will please get another man to take his place and girl. The extra men are to be invited from other classes.

The party comes at a most opportune time as it is to be in the form of a hardtime dance. The committee says there are to be no flowers, but that Fords, wheelbarrows, baby carriages, and drays will be permissible as conveyances. From April Frolic, the senior lottery and the pajama parade it is thought that enough costumes can be raked up to outfit the party.

#### List of Committees

The committees which have been appointed to work the dance up are: Refreshments—Hope Mae Kenzie, chairman; Wanda Nelson, Bill Hollenbeck, and George Van Waters.

# SPRIT OF SEABECK TO BE AT BUNGALOW

### Girls Meet Thursday And Launch Their Plans For Coming Conference

Thursday evening, May 15, the annual Seabeck meeting of the campus Y. W. C. A. will be held and it will be in the form of a party in the orchard adjoining the bungalow lot. The Seabeck committee of the association plans to make this one of the rousing meetings of the year at which they will attempt to reproduce the real spirit of Seabeck, the meeting place of girls of all the northwestern colleges every year.

Seabeck, Washington, is the most beautiful of the many harbors on the Hood canal. For years past, it has been the meeting place of young women interested in Y. W. C. A. work. Not only does the trip there each year afford a girl an ideal vacation, but she comes in contact with some of the leaders in Y. W. C. A. work and prominent Christian workers from the Northwest.

This year the conference begins August 25 and closes September 5. Oregon has always been well represented, and this year a number of girls have signified their intentions of going. The conference resembles a school, in that classes in Bible study, world problems, mission study and Y. W. C. A. technique are held at certain hours every day. This year, Miss Bertha Conde, one of the secretaries on the headquarters staff in New York will be the executive of the conference. At present Miss Conde is in South America, where she was sent by the Y. W. C. A. to observe the present work of the organization and the needs for its expansion.

Miss Oloolah Burner, a college secretary on the headquarters staff, will be one of the prominent members of the educational staff of the conference. Besides these, there will be two more national secretaries attending. In the evenings of each day, there will be lectures by a number of the best ministers in the Northwest on "Christian Fundamentals."

# WEEK-END WILL BE BUSY IN ATHLETICS

### Varsity Track Meet and Frosh Ball Team Here; Frosh Runners at O. A. C.

Oregon will have another busy week-end along athletic lines this Friday and Saturday. On Friday the freshman track team will journey to Corvallis where they will clash with the O. A. C. rooks, and the Aggie freshman baseball team will meet the Oregon infants here. The varsity track team will entertain the University of Washington track squad here on Saturday for the second dual track meet held on the campus this spring.

The meet between the Oregon frosh and the Aggies at Corvallis promises to be close, and several good matches are expected. The Oregon freshman baseball team looks good, and the chances to score a win over the Aggies is most promising. Dick Shim, the little Chinese southpaw, is the freshmen's best bet and he will probably be worked in the game Friday afternoon.

The varsity baseball team will journey north this week-end and will clash with the University of Washington at Seattle and with some other team on the road. Coach "Shy" Huntington will probably take the entire squad on the trip. Those who are expected to go are Eddie Durno, Dwight Wilson, Herm Lind, Billy Morrison, Billy Reinhart, Johnny Houston, Dot Medley, Johnny Gamble, Lindsay Campbell, Jimmie Sheehy and Johnny Brack.

### R. O. T. C. Men May Apply for Summer Training at San Francisco

All R. O. T. C. cadets who desire to attend the summer training camp at the Presidio, San Francisco, California, from June 21 to August 2, are requested to fill out the application blank provided by the military department and return to Colonel Raymond C. Baird, commandant, not later than May 15, it was announced at the R. O. T. C. headquarters yesterday.

It is especially desired, according to Colonel Baird, that a large number of students attend this camp. The number is limited to 10,000, therefore in case of necessary curtailment of the number desiring to attend from any single institution, preference will be given to individuals in the order they register their intention to attend.

All members of the R. O. T. C. at the University are eligible, and all expenses will be paid. This will include railway fare, uniforms, equipment and subsistence while at the camp.

Friday 41,200 rounds of 30 caliber ammunition and 10,000 rounds of pistol ammunition were received at military headquarters. The Enfield rifles are expected any day according to Colonel R. C. Baird.
