

## HOMECOMING PLANS STARTED AT STUDENT COUNCIL MEETING

Herald White to Head General Committee for Big Week End November 11.

## O. A. C. GAME TO BE HERE

Advertising Ideas Presented by Charlie Fenton—McClain to Seek Railroad Rates.

Extensive plans to make Homecoming week-end, November 15, this year the largest event of its kind ever held at Oregon were set in motion by the student council in the first business meeting of the year held last night. A general committee with Herald White, last year's student body president as chairman, was appointed by Stanford Anderson, student president, as the opening shot of the campaign for publicity and enlarged plans.

The main committee is made up of representatives from every organization on the campus and is composed of the following members, besides Chairman White: William Hollenbeck, Edwin Durno, Lindsay McArthur, George Shirley, Morris Morgan, Guy Armantrout, Elmo Madden, V. Lyle McCroskey, Abraham Rosenberg, Lee Hulbert, Jack Dundore, and Ero Godfrey, Dorothy Duniway, Adelaide Lake, Ella Rowlings, Louise Davis, Theodora Stoppenbach, Doris Churchill, Marjorie Kay, Grace Rugg, Adah McMurphey, Nell Warwick, Beatrice Crewdson and Alice Hamm.

Publicity Manager Chosen  
Dewitt Gilbert was appointed publicity manager of the committee, and Harris Ellsworth was selected to act as an assistant to Lyle McCroskey, who will take care of different features in connection with advertising. The committee will hold its first meeting Thursday evening. Other committees will be appointed in the near future, after more definite plans have been put under way.

Miss Charlie Fenton, alumni secretary, appeared before the council last night and urged the body to put every effort behind the coming event. She brought out the facts that Homecoming week-end this year would bring hundreds of alumni and former students to Oregon who could not attend the festivities last year because of war conditions. Furthermore the main event of the week-end, the Oregon-O. A. C. football game, would make the Homecoming especially significant as it will be the first year for many seasons that Oregon and O. A. C. have mixed on Oregon's gridiron. Also the game will be the first to be played on the new athletic field.

Advertising Will Cover State  
Miss Fenton outlined possible advertising methods. She suggested that stickers bearing announcement of the week-end be printed and distributed broadcast among the students, who could paste them on the backs of the envelopes of their letters. Posters and placards will be sent to every city and town in the state, she said. It is also probable that arrangements will be made so that reserved seats for the football game can be secured by mail. Marion McClain, graduate manager, is seeking to obtain special railroad rates for the week-end.

## DAVID PHILBIN IS DEAD

Well Known Athlete Was Member of Oregon Football Team of 1913.

David Philbin, a member of the Oregon football team of 1913, died at his home in Portland Monday morning after an illness of only a short time. Philbin received his scholastic training in Portland. He played football and baseball for the Columbia university and also was a member of the track squad of the Portland school.

Philbin left Oregon for Notre Dame, from which institution he was graduated in 1917. Since his graduation from the law department of Notre Dame, he had been studying law in the office of C. J. Schnabel in Portland.

## SATURDAY DATE SET FOR STUDENT DANCE

Difficulty Encountered in Finding Floor Large Enough for Party.

The first student body dance of the year will take place next Saturday evening. The exact location of the occasion is shrouded in mystic uncertainty to date as it is a hard matter to find an auditorium on the campus or in Eugene where a crowd the size of the University student body can be accommodated. Harry Jamieson, chairman of the dance committee of the student council, is caring for the matter and will have a place arranged for within the next few days. Effort will be made to secure the armory but if it cannot be had it is possible that both the men's gymnasium and the new annex will be ushered into service. House-mothers of various sorority houses will act as chaperones to the affair as President and Mrs. P. L. Campbell are entertaining the faculty at the Osburn hotel Saturday night.

## DEBATERS TO GET CREDIT

University Hours Given Speakers by Professor Prescott.

A new step has been taken in intramural debate at the University in that credit will be given where the work is carried on under authorized coaches.

It is the plan of Professor R. W. Prescott, who is in charge of debate, to select competent coaches from the members of the University faculty, from the varsity debaters, and also from outside sources. A member from each of the fraternity and sorority houses and from Friendly and Hendricks Hall will be chosen to meet some time during the first of the week to decide on subjects and to work out a schedule for the series. Only where strict adherence has been paid to the rules governing the debate will credit be given, says Professor Prescott.

## BROWN RESIGNS AS PREXY

Wounded Veteran of 65th Field Artillery Chosen Treasurer.

Rutherford Brown of Baker, who was elected president of the freshman class at the first meeting of the year Friday, has resigned his position. A meeting of the freshman class has been called for this evening to elect a man in his stead.

Margaret Cundy, a graduate of Lincoln high school, Portland, was elected vice-president, defeating Arthur Tuck, noted athlete, by two votes. The office of secretary went to Mildred Weeks, a graduate of Washington high school, Portland. Fred Schuerman, of Ashland, was elected treasurer by a large majority. Schuerman was one of the few men of the 65th regiment of field artillery who was wounded in France. He was struck in the face by a piece of flying shrapnel which left a scar on his nose.

## SCHOLARSHIP FUND GIVEN

\$200 To Be Offered in Prizes for Best Work in College.

Two hundred dollars has been given to the University for a scholarship fund. The money was received by Dean Straub from a prominent woman of the state who wishes her name withheld. Present plans for the awarding are to give fifty dollars to the member of the men's fraternity and the same amount to the member of a sorority house having the best standing in scholarship at the end of the year; fifty dollars to the non-fraternity man having the highest grades, and a like amount to the non-sorority girl with the highest standing.

Dean Straub is chairman of the committee in charge and he will be assisted by Dean Fox, Miss Perkins and President Campbell. The committee will meet this week to decide finally upon the awarding, and announcement will be made at the next assembly.

## YELL KING TRYOUTS TO BE HELD AT MEETING OF STUDENTS THUR.

Oregon Short of Peppy Cheers; New "Ear Splitters" Needed by Saturday

All of you who can yell come out to assembly Thursday morning, for you are going to be given the best chance you ever had right at that time. If your talents run to yelling, then remember that there is to be a new yell king elected, and that you might just as well have that job as anyone else. Get your heads together and concoct some new yells, for the present "three" are worn to a frazzle by constant use, and old Oregon needs some new peppy ear-splitters, especially a new siren, to urge the wearers of the "O" on the gridiron to victory. The tryout will occupy the first place in the student body meeting as it is necessary that the leader be chosen before the pajama parade on Friday night preceding the Multnomah game on Saturday.

With Oregon's student body at its present size there should be six or more candidates for yell king and each man in the running should have at hand one new yell which will be a worthy vehicle for expression of Oregon spirit. Originality in yells submitted will be half the battle toward their acceptance. A new idea for wording or for the way they are to be given will add to their value as Oregon products. Yells may be submitted to Stanford Anderson, the Emerald, or may be presented to the student body by any man who tries out for yell king.

The second tryout will be on Thursday afternoon at 4 o'clock on the athletic field. Students will in this way have an opportunity of judging the man's ability when performing out of doors. The leader will be chosen by the student council Thursday night at 7 o'clock.

## FOUNDATION PARTLY LAID FOR \$200,000 WOMEN'S BUILDING

Structure to be 100 x 300 Feet, With Pool, Reception and Guest Rooms

Excavation for the Woman's building, which is to be erected in the field back of Hendricks Hall, was begun August 20 and already the foundation has been partly laid. As the plans are working out now the building will be completed within a year.

This summer by subscription and bonds the sum of nearly \$70,000 was raised, of which more than \$50,000 has already been paid in. This amount was necessary before the state would match with an additional \$50,000 and allow the building to be started. Contracts entailing an expenditure of \$90,000 have been awarded which will put the building completely under cover. When finished the building will have cost approximately \$200,000, \$100,000 of which is being raised by the University and the other \$100,000 appropriated by the state.

The building will be 100 x 300 feet and will contain a large swimming pool, club and committee rooms, a large reception room and several guest rooms.

Lawrence & Holford, of Portland, are the architects for the building. Ellis Fuller Lawrence is dean of the school of architecture at the University. The contracts for the outside work on the building have been awarded to W. O. Heckart, but as yet no contract has been made for the inside.

Now that actual construction has begun the committee expects less difficulty in raising the funds necessary to complete the work. There is still the sum of \$30,000 to be raised, some of which will be pledged by the students who have not as yet given a definite subscription.

## COMMITTEES NAMED BY STUDENT COUNCIL

Dances, Greater Oregon, Entertainment, Condolences Will Be Looked After.

Four committees composed of student council members to care for different departments of student body activities for the coming year were appointed by Stan Anderson, student body president, at the first regular business meeting of the cabinet held last night.

Harry Jamieson was appointed chairman of the dance committee, which will make arrangements for all student body dances. John Houston and Era Godfrey are the other committee members.

The Greater Oregon committee is composed of Leith Abbott, chairman, Dorothy Duniway and Carl Newberry. Lindsay McArthur, chairman, Elmo Madden and Adelaide Lake were appointed a committee on condolences. The committee on entertainment which will sponsor all entertainments of student body nature, such as those arranged for visiting athletic teams or debaters, is composed of Curtiss Peterson and Louise Davis.

The campus in general will be cared for by a campus committee composed of Eddie Durno, chairman, and Ella Rowlings.

## 700 LAW BOOKS ARRIVE

2306 Other Volumes Added to Various Departments of Library.

The University library has just received a shipment of 700 books for the school of law. These books comprise five sets belonging to the National Reporter system, and are classified as follows: Atlantic Reporter, 107 volumes; New York Supplement, 176 volumes; Southwestern Reporter, 212 volumes; Southeastern Reporter, 99 volumes; Southern Reporter, 81 volumes. The librarian expects to have the entire shipment catalogued and available for use at the library in a few days.

One of Oregon's former students, Captain Walter R. McClure, of the class of 1913, has contributed to the library a regimental history of the 26th infantry in France, of which he was captain in 1917.

In addition to the law collection, 2306 volumes have been placed on the shelves since last June. These works include a miscellaneous assortment to meet the needs of the various departments of the University. A number of books and sets have been added to the Pauline Potter Homer memorial collection. These books are in the art balcony of the library.

The library staff for the present year remains almost unchanged. Miss Emma Stephenson, student assistant for three years, has been placed on full time since her graduation. Norman Phillips and Donald Portwood, student assistants before the war, are back at their old positions.

## U. LOSES DOW WILSON

Former Football Captain Remains on Ranch—Athletic Career Ended.

Dow Wilson, captain and right end of last year's varsity football team and letterman in track, will not return to Oregon this fall, according to word received by friends on the campus today. Wilson injured his heart last spring during track season to such an extent that he can never take part in athletics again. He is working on his father's ranch at Rufus, Oregon.

His brother Dwight, two year baseball letterman and president of the student body elect in 1918, has entered the Oregon medical school at Portland.

## Captain Lane to Lecture.

Captain Erie Lane, who recently returned to Eugene after having been in the U. S. army educational service overseas, will give a talk at 8:30 Thursday evening in Dr. Joseph Schafer's room in the library on "Impressions of French and English School Systems." Captain Lane also spent four months studying at the University of Cambridge while in England. All students in education and others who are interested are urged to attend the lecture.

## PROSPECT AIDED BY RETURN OF WILLIAMS AND STEERS TO GRID

Ex-Marine Quarter Takes Over Running of Varsity Soon After Arrival

## FIRST GAME SATURDAY

Huntington Will Probably Use Many in Initial Struggle of Season Against Multnomah.

(By Alexander G. Brown)  
With the return of Bill Steers yesterday the football roster for the season is now complete. Baz Williams turned out last night and took his place at tackle for a short time. Steers handled the first team in practice. Another shift was made when "Fat" Mautz was shifted from guard on the first squad to the second squad and his place was taken by Art Berg, a veteran of the team of '17. There is very little difference between the first and second team, and rating them as such is more a matter of convenience than anything else.

Scrimmage Saturday proved that the Varsity is going to have a week of exceptional training and work before the clash with the Multnomah team next Saturday. Multnomah has lost one of her best players in the death of David Philbin, who died in Portland yesterday after a very short illness. Philbin played one year on the University of Oregon football team during the season of 1913 before going to Notre Dame, from which school he graduated in 1917.

Strowbridge Takes Turn  
Ed Strowbridge is now taking turns with Captain Brandy Brandenburg at half, with Vinc Jacobberger taking the other half. Hollis Huntington is holding his own at fullback. It was a treat to see "Holly" and Bill in action last night, and upon these two men a great deal of the responsibility of guiding the team of the year rests.

From a press box observation it would appear that the following men would be most likely to start the game against Multnomah: center, "Brick" Leslie; guards, Art Berg, Al Harding, Mautz or "Spike" Leslie; tackles, Baz Williams and Ken Bartlett; ends, Stan Anderson and Martin Howard; quarter, Bill Steers; halves, Vinc Jacobberger, Ed Strowbridge and Brandenburg; fullback, Hollis Huntington. It is probable that at least seven or eight others will get into the game Saturday. Francis Jacobberger, Nish Chapman, "Busher" Blake, "Prink" Callison, Ed Ward, "Stuffen" Dresser and almost all of those now on the second team will probably be used during the afternoon.

## GLEE CLUB TRYOUT SET

Candidates Report at Music Building 9 to 12 and 2 to 4 Tomorrow

The first tryout for the men's glee club is to be held Wednesday from 9 to 12 in the morning and 2 to 4 in the afternoon. New candidates are asked to be at Prof. A. Lukken's studio in the music building at this time. The final tryout is to be held at the same place Thursday evening at 7:30.

With a large number of former members back from the service an entirely new deal is to be given everybody. Instead of following the old custom that allowed former members of the club to automatically become members of this year's club, everyone will have to earn his position anew this year.

The glee club will be composed of from 20 to 30 men, depending upon the material. As yet no time has been set for rehearsals, and the plans for several concerts are but tentative.

George Hopkins, president of the glee club, expects the 1919 club to be one of the best Oregon ever had.

Harold Grey Visits  
Harold D. Grey, of Medford, a graduate of last year, is spending a few days visiting on the campus.

# Biggest Mix in History Promise of Juniors Who Will Have Charge of Frosh-Soph Clash

"The biggest, best and squarest mix ever pulled off on the Oregon campus," is the promise made for the annual Freshman-Sophomore interclass mix, to be staged next Saturday as a preliminary to the Multnomah-Oregon game.

Nish Chapman, president of the juniors, who is arranging the classic, believes the mix will eclipse anything of its kind ever seen here. Junior committees have been appointed, seniors are digging out old sombreros, nicked-up canes and rusty stars, while sophomores are reported to be worrying over a possible outcome as the freshman class is full of husky warriors who have organized and are assuring themselves of winning for the first time in history.

"Pinky" Boylen, soph prexy, says his hair is not turning gray from worry. Nevertheless the husky warriors of his class are considering a diet of raw meat and onions, for when a heavyweight freshman president-elect resigns because he isn't husky enough to head the 200-pound babes of his class, the mix is so far an uncertain victory.

Dean Morton, sophomore advisor, and Dean Straub, freshman cosoler, are having regular mixes themselves whenever the subject is brought up. Dean Morton advocates the squarest possible mix—with the sophomores winning, while Dean Straub is equally urgent to have his first-year babes win.

Junior class men will be on the field Saturday, however, to see that Dean Morton is seated on the opposite end of the grandstand from Dean Straub, while the senior cops will guarantee that they stay there.

Star Judges Selected.  
"Honest Bill" Hayward, "Square Shy" Huntington and "Straight Bart"

Spellman will see that things are run off correctly. They will act as judges of the different events, and guarantee not to count double, see twice or carry sophomore sandbags.

"Absolutely every man in my class must be on hand for the mix," says "Pinky" Boylen. "The freshmen haven't anyone to order them out, so I'll tell them that every freshman must be there as well."

Girls will have their share in the fun, too, for they will help in a large way with the class stunt and with the decoration. Then too, their presence may have a possible influence upon the judges' decisions, while the senior cops are known to be susceptible to women's wiles.

Choice Stunts Offered  
Among the stunts that will be staged are: the sandbag contest, where one side usually carries more from the center than the other, the sophomores not always winning; the cane rush, where the man with the most hands wins; the flag scramble, where everyone scrambles or is scrambled, in scrambling for a flag at the top of a pole; the tie-up contest, where the wrestling champ of the world is usually picked, or picked upon; the class yelling contest, where split tenors vie with throttled bassos; the class stunts, which are snappy and tragic, and numerous other stunts not on the program pulled off by the famous senior cops.

This is to be but a preliminary to the Multnomah-Oregon football game, and will fittingly usher in the athletic season. Nish Chapman, junior president, has appointed the following committees for the mix: General chairman, Ernie Boylen; program, Francis Jacobberger, Carl Weigel, George Beggs; equipment and arranging of the field, "Bib" Carl, St Starr, Harry Smith and Merle Blake.
