

TWENTY-TWO MEN CHOSEN FOR GLEE CLUB MEMBERSHIP

**Final Tryouts Held Thursday;
Abundance of Good Material
Here, Coach Believes**

Twenty-two men have been selected to form this year's men's glee club following a series of tryouts which have been held during the past week, the last of which was held Thursday night. The men come from all parts of the state and half of them are new men to the glee club. More interest than usual was shown in the glee club this year and over 50 men reported for the tryouts. Prof. Albert Lukken, a new member of the school of music faculty, will direct the club.

The men selected for membership are as follows: First tenors—Warren Edwards, Cottage Grove; Frank Jue and Curtiss Phillips, Portland; Ralph E. Poston, La Grande, and Clifford H. Jope, Roseburg.

Second tenors—George Hopkins and Crescene Farris, Eugene; Wawne Akers, Wasco; Arthur Johnson, Merle Moore and Joe Ingram, Portland.

First bass—Curtiss Peterson, Glen Morrow, Eugene; George Stearns, Prineville; Charles Huggins, Hood River; Dwight Phipps, Medford; Julian Leslie, Coquille.

Second bass—Herald White, Cottage Grove; Richard Lyons, Eugene; Carl Newbury, Klamath Falls; Harris Ellsworth, Cascade Locks, and Wilbur Hostetler, Hubbard.

Rehearsals will probably be held three times a week, but no definite schedule has as yet been decided upon. First rehearsal was held last night.

No definite concerts are scheduled and all plans are yet in their infancy. However, there will probably not be a Thanksgiving concert, it being too early in the season. Plans are being made for a Christmas tour.

Something entirely new will probably be ushered in this year. If it is found feasible there will be a three days' musical festival given next spring. The glee club will attempt grand opera from Paggiacci, and fitting costumes will be worn. All good voices in the University will be called upon to participate and probably local soloists and outsiders will be asked to assist. The University orchestra will aid any such production and all other means possible will be used to make a success of the undertaking.

Several of the glee club members have expressed disapproval of the present glee club pin and it is possible that this year will bring forth a smaller and a neater pin than the University has given before.

TWO NEW NURSES ARRIVE

Mrs. M. Sinclair and Miss E. M. Sibbald Come From Seattle

Mrs. M. Sinclair and Miss E. M. Sibbald arrived from Seattle Thursday afternoon to assume their duties as nurse at the University infirmary. Both are graduates of New York hospitals. Mrs. Sinclair of the Brooklyn general and Miss Sibbald of the Roosevelt hospital.

While a Canadian by birth, Miss Sibbald enlisted with the Roosevelt unit, spending from July, 1917, to February, 1919, in France. She was stationed at Chaumont, Base 15, near General Pershing's headquarters. Miss Sibbald said that while in France she had met many Oregon boys, some of whom may be on the campus at the present time.

EXTENSION WORK GROWS

Registration Figures Show 637 Enrolled for Correspondence

Registration in the extension division of the University now shows 637 students from all parts of the state enrolled. During the war correspondence registrations decreased but are now quickly getting back to the point reached in 1917 before the war.

In September 20 courses were completed by students in the extension division.

Under The Showers

By Herman Lind

Coach Hargiss of the O. A. C. eleven attributes the poor showing made by his proteges against the alumni team last Saturday to the absence of "Butts" Reardon from the lineup. The star quarter was injured in scrimmage last week and has been attending classes with the aid of a cane. The Aggies played the freshmen today and battle Pacific University next Saturday.

Owing to the large number of men enrolled at the University of Washington two more men have been added to the coaching staff. "Chuck" Moriarity, a former Gonzaga star, who was chosen on Walter Camp's second team in his last year of intercollegiate football, and "Bob" Abel, who played under Dobie during 1914, 1915 and 1916, are the two latest additions. These two will handle the freshman squad. Coach Hunt is leaving nothing undone in the way of preparation of a real year on the gridiron.

Coach Mathews of Willamette will today have his first real opportunity to see his squad in action when the Varsity meets the alumni machine in Salem. Several former stars are in the "grads" lineup.

After five years of non-competition Reed College of Portland has finally decided to meet a few outside teams on the gridiron. However, the policy has not changed to one of out and out "intercollegiatism," but merely a little competition on the outside. No receipts are to be collected at the gate for admission.

Now that the world series is over the "conversational" wagering is going in the direction of the Oregon-Aggie game on November 15. Remember, "once in ten years."

Oregon may battle the Olympic club in San Francisco during the present season. M. F. McClain, graduate manager, has been communicating with the club manager and if financial arrangements can be made the game will be played on November 22. The main difficulty is that the California-Stanford contest is slated for the same date and it is feared that the crowds would rather see the intrastate classic than the Oregon-Olympic fray.

The laundries will do a rushing business next week as a result of the rally last night.

ERROR FOUND IN GRADES

U-Avava Goes to Tenth Place With Added Credits

A mistake was made in estimating the scholarship standing of the U-Avava club in the recent publication of the standing of the campus organizations for the spring term of last school year. At the time the standings were made out 15 hours were overlooked, the addition of which would bring the average to 1.8067. The hours which were overlooked are: Henry Howe, 14 hours "H" and Arthur, Hicks, 1 hour "H." This new standing places U-Avava tenth in the list of all campus organizations instead of seventeenth and also puts them at the head of men's organizations in scholarship standing.

OREGON GRIDSTERS DEFEAT MULTNOMAH

(Continued from page 1)

Oregon got the ball on her own 40 yard line and kicked for 40 yards. V. Jacobberger nailed Crowe in his tracks. Multnomah returned the punt 25 yards and recovered the ball. Horton kicked 10 yards, the ball rolling to Oregon's 20 yard line. Oregon was penalized 10 yards. F. Jacobberger punted 30 yards and Murphy returned 10. The quarter ended with the ball in Multnomah's possession on Oregon's 35 yard line.

Second Quarter

Opening the second quarter Oregon held the clubmen and they were forced to kick. Horton punted to Strowbridge. Oregon plowed through the line but was penalized for off side. F. Jacobberger punted 50 yards and Crowe made a small gain. Jones replaced Crowe and punted for the club. Jones kicked 25 yards and Oregon made no gain in return.

Second Quarter

Opening the second quarter Oregon held the clubmen and they were forced to kick. Horton punted to Strowbridge. Oregon plowed through the line but was penalized for off side. F. Jacobberger punted 50 yards and Crowe made a small gain. Jones replaced Crowe and punted for the club. Jones kicked 25 yards and Oregon made no gain in return. Strowbridge made 15 yards through right tackle and a few minutes later Oregon had the ball on the club's 10 yard line and Strowbridge went over for his second touchdown of the afternoon. F. Jacobberger kicked goal. Score: Oregon, 13; Multnomah, 0.

The next touchdown came later in the quarter when Oregon had possession of the ball on the clubmen's 15 yards line. A rotation of plays put the ball on the one yard line. V. Jacobberger fumbled the ball over the line and Anderson recovered but Oregon was penalized for being off side. A pass to V. Jacobberger put the ball over. Oregon failed to kick goal. Score: Oregon, 20; Multnomah, 0.

At the end of the first half the Oregon team was going strong and playing good football. Strowbridge has been the workhorse of the Varsity in making gains. The entire backfield has been playing nice football. On the line Brick Leslie, Bartlett and Anderson have been doing the most spectacular work.

Between halves a regular old fashioned serpentine was held.

"Skeet" Manerud, Oregon's diminutive quarter, went in in the last period in place of Jacobberger at quarter. Jacobberger was shifted to full in place of Huntington. Brack took right end in this period. "Skeet" started shifting through the line and Oregon started down the field. Starr replaced Bartlett. Fauley replaced Jacobberger at full. Manerud put over a drop kick from the 20 yard line. Shattuck replaced Martin Howarde at left end. Oregon penalized and it was Multnomah's ball on the 35 yard line. Baz Williams has been a stone wall for the defense during the last period. Multnomah blocked a kick and Manerud was forced to punt from the one yard line. The club has been making steady advances through the right side of the Varsity line during this period. A forward pass placed them on Oregon's five yard line. The game ended with the ball on the one yard line.

STUDENTS FROM OTHER INSTITUTIONS REGISTER AT OREGON

(Continued from page 1)

In the tieup many good individual scraps were staged. The final whistle found two men from each side completely tied up, while one or two men completely gave out before time was called. The scrap between Woodings, sophomore, and Coberson, freshman, was the first victory for the sophomores. J. K. King and Neterin staged a good scrap, ending in the elimination of Neterin. Gassoway, a Hood River scrapper, succeeded in putting Bill Bolger out of the running. Another freshman tied up, divided the points between the two classes, 7½ being given each side.

In the sandbag scrap, another even break was registered, eight bags being copped by each side and five points were given both classes.
